SUBJECT: REGARDING CONSULTATION FOR FURNITURE MANUFACTURING FIRM

SIR,

WE ARE THANKFUL FOR YOUR VISIT TO OUR FACTORY. WE WERE FACING SEVERAL ISSUES REGARDING PRODUCTION PLANNING AND OUR COMMITMENTS WERE GETTING FAILED BECAUSE OF MISMANAGEMENT IN PLANNING WHICH WERE NOT GETTING IDENTIFIED. BUT YOUR KEEN OBSERVATION AND EXPERIENCE IDENTIFIED THE ROOT CAUSE OF PLANNING FAILURE & YOUR SOLUTIONS ON THAT CAUSES REALLY HELPED US IN IMPROVING OUR PLANNING PROCESS. GANTT SYSTEM WHICH YOU HAVE SUGGESTED IS REALLY GETTING HELPFUL IN PLANNING AND THEN TAKING FOLLOWUP ACCORDINGLY.

THANKS & REGARDS,

SUBJECT: REGARDING CONSULTATION FOR FURNITURE MANUFACTURING FIRM

SIR,

WE ARE THANKFUL FOR YOUR VISIT TO OUR FACTORY. WE WERE FACING SEVERAL ISSUES REGARDING PRODUCTION PLANNING AND OUR COMMITMENTS WERE GETTING FAILED BECAUSE OF MISMANAGEMENT IN PLANNING WHICH WERE NOT GETTING IDENTIFIED. BUT YOUR KEEN OBSERVATION AND EXPERIENCE IDENTIFIED THE ROOT CAUSE OF PLANNING FAILURE & YOUR SOLUTIONS ON THAT CAUSES REALLY HELPED US IN IMPROVING OUR PLANNING PROCESS. GANTT SYSTEM WHICH YOU HAVE SUGGESTED IS REALLY GETTING HELPFUL IN PLANNING AND THEN TAKING FOLLOWUP ACCORDINGLY.

THANKS & REGARDS,

Our City & Institute Location:

Nagpur, popularly known as orange city is located at the center of India and is well connected with all parts of country by rail, road and air. The college is located at about 10 Km from city on the Nagpur-Hingna road at Wanadongri. The institute is located very close to a large industrial estate

About Institution:

Yeshwantrao Chavan College of Engineering, (YCCE) Nagpur is a premiere technical institution established in 1984 and renowned for engineering education and research for over 35 years. It is the first private engineering institute to acquire "Autonomous Status" in Central India. It has successfully nurtured young engineering professionals becoming a sought after destination for students aspiring to achieve higher technical education and placement in the competitive software and core industry. It has been accredited by NAAC with 'A++' grade. The institute runs 07 fulltime undergraduate and 07 fulltime post-graduate programs. The institute is guided by Academic Advisory Board consisting of eminent academicians from prestigious technical institutes in India and abroad. The institute is having well qualified and experienced faculty members. Faculties from reputed institutes like IIT, NIT, IISC, and DAIICT are invited regularly to deliver expert lectures under visiting professor scheme. YCCE is a partner in various industry academia programs of companies. The Institute is all India Ranked 134th by NIRF, MHRD, Govt. of India and received **ISTE Best National Private Engineering College Award.**

About Departments:

The Departments are accredited by National Board of Accreditation. The objective of the departments is to provide high quality technical education to meet the needs of the Nation in the present competitive world. The departments also provide training and research facilities at the Undergraduate, Post-graduate and Doctoral levels in various areas of Electronics and Telecommunication Engineering with broad emphasis on emerging areas in Communication Engineering, Antenna Design Image Processing, Embedded VLSI Design, Power system design & Renewable energy. Both the departments have well qualified and experienced faculty. The labs in the departments are well equipped with latest hardware configuration and software facilities.

About VAC:

This VAC is primarily intended for students, from Engineering institutions. The resource persons for the VAC are from Industry, and other state of reputed institute.

SDP Objective:

The objective of the value added course is to groom the participants for handling research problems, corporate training and consultancy in the concerned area. In this direction, this is an unique opportunity for the fraternity working on Wireless Communication Clouds and data & Network Security to gain the knowledge and hands-on pertaining to the latest developments.

Course Contents:

1. Hands on Training on Computer Hardware Fault Finding and Troubleshooting
2. On Board and OFF Board Component Testing
3. Wireless Communication using CISCO Packet Tracer
5. Hands on practice on CISCO Routers, Switches etc
6. Network Security
7. Cloud computing

Expert Speakers:

1. Er. Raj Arora, CEO, Revat Network
2. Er. Ankit Sahu, Network Engineer Railwire
3. Prof. D.K. Thote, Assistant Professor, YCCE
4. Prof. R. P. Deshmukh, Associate Professor, YCCE

Department of Electronics and Telecommunication Engineering organized ISTE approved Five days Value Added Certification Course on “Hands on Training on Computer Hardware Maintenance, Networking with Cloud Computing” under the Aegis of IQAC Cell, YCCE in association with Revat Network Pvt. Ltd, Nagpur on dated 22nd sept to 24th Sept & 29th Sept & 30th Sept 2023 in offline mode. The certification course is divided into various modules. First module based on introduction of computer hardware parts and its application in computer architecture which was conducted by Er. Raj Arora with Prof. D. K. Thote followed by Hands on practical session on problem identification and its troubleshooting.

Second module was based on computer BIOS setting, booting process, Disk partition and management with OS installation which was conducted by Er. Raj Arora with Prof. D. K. Thote with practical session. On the third day of session the content was based on Basic concept of Networking, IP addressing, DNS, DHCP and protocol used in networks which was conducted by Prof. R. P. Deshmukh with Er. Raj Arora.

Fourth day was based on Hands on Practical Training on CISCO PACKET TRACER and CISCO physical devices like Routers and Switches with Optical communication and formation of network with it. This session was conducted by Er. Raj Arora, Prof. R. P. Deshmukh and Prof. D. K. Thote. The content covered in this session was Telnet protocol, Network configuration and Ports accessing technology etc.

Fifth day of value added course was based on cloud practical session of cloud computing which was focused on various services of Amazon Web Servers, creation of Virtual Machines, Device pairing, accessing of Web servers, Dashboard Creation, accessing cloud through CMD commands, instances in cloud computing. This module covered by Er. Raj Arora from Revat networks.

All the sessions were very interactive and based on enhancing the practical knowledge of participants in the field of computer hardware, networking and cloud technology.

- Permission to provide bus facility to St Joseph school students and advance of Rs. 17,000/- for consultancy training in our college (Module2).

Respected Sir,

I Dr. M. D. Chawhan along with Prof. A. A. Madankar is going to provide consultancy training (Module-2) to the students of St Joseph school class 9, 10. The training is on "HANDS ON TRAINING ON CAD SIMULATION SOFTWARE AND PCB MOUNTING". This training will be provided in our college in Department on 14/12/2023 and 04/01/2024. A total of 175 students have registered for the training. We are charging Rs. 200/- per students. We have already deposited an amount of Rs. 35,000/- .

We need your permission in providing bus facility for providing transportation to the students as St Joseph school doesn't have bus facility. We have already talked with AO sir and Bus in-charge for providing us two buses which they have permitted.

We also required an advance of Rs.17,000/- for purchasing the required stationaries for the workshop. We request you to permit us for the same.

Thanking you .

Your's faithfully,

Dr. M. D. Chawhan

Dear sir ,
I have attached Gerber file and some images for for fabrication .
To connect the top and side PCB of the antenna you can connect via metal brackets and screws (IMAGE) or simply copper
Foil and solder as shown in fig 1 and fig 2
