Department of Civil Engineering

Guest Lecture on "Career Guidance for Civil Engineers" and Installation of Association of Civil Technocrats (ACT) Session 2023-24 Thursday 14th September 2023

Department of Civil Engineering, YCCE organized Guest Lecture on "Career guidance for Civil Engineers". The program was organized by Ms. Snehal Kamble under the Under the Aegis of IQAC (IEI)-Student chapter, NLC and in association with ASCE.

The program is chaired by Mr. Ishan S. Akant (Alumina-CE, YCCE) (Secretary, Mauli Krupa Construction co-operative society, Gondia) on Saturday 06th February 2023. Mr. Ishan S. Akant started the lecture with a very creative introductory session. He discussed career options for engineers, and various opportunities for civil engineers in the current era and importance in construction industry. The purpose of conducting the lecture is to discuss current careers and opportunities in construction, government sectors, private sector and various Civil Engineering construction work.

Departmental Student Activity Committee named Association of Civil Technocrats (ACT) was established on Monday 19th August 2019, it runs various activities such as seminars, expert lecture, Industrial visits, and cultural activities. The inauguration of the student council, Association of Civil Technocrats (ACT) of Civil Engineering Department, YCCE and the swearing-in ceremony of the newly elected members of the student council for the year 2023-24 were held at the Conference Hall CE-206 Chief Guest of Ceremony, Mr. Ishan S. Akant and faculties of Civil Engineering Department. A total of 85 students of III semester attended the program.

DATE: 12/09/2023

To,
Mr. Ishan S. Akant,
Secretary, Mauli Krupa Construction co-operative society, Gondia.
Nagpur.

Subject: Invitation as an Expert speaker for Guest lecture.

Respected Sir,

Greetings of the Day!

Yeshwantrao Chavan College of Engineering, Nagpur is An Autonomous Institution in Central India and has maintained a wonderful record of creating some of the finest Engineering brains in Central India, which ably justifies its potential as the most sought-after destination for campus recruitment by some of the largest corporate houses across the country. The college is accredited by **National Assessment and Accreditation Council with 'A++' Grade and Department of Civil Engineering is accredited by NBA.**

On behalf of the Civil Engineering Department, it is a great pleasure to invite you for as a speaker for **"Career guidance for Civil Engineers" on 14th September 2023.** The guest lecture is open for students of III Semester.

Your thoughts would enable our spectators to augment their ideas in the best possible way by exuding the best of their communication strategies from your expertise and experience.

We look forward to your support and patronage for the development of our students.

Regards,

Dr. S. P. Raut,
HOD, CE, YCCE.

To,

Mr. Ishan S. Akant,
Secretary,
Mauli Krupa Construction co-operative society, Gondia.

Respected Sir,

It is a matter of great pleasure and pride to have you as a speaker for **Guest Lecture on "Career guidance for Civil Engineers"** organized on the occasion of Engineer's Day under IQAC and IEI student's chapter on **14th September 2023** at **Department of Civil Engineering, Yeshwantrao Chavan College of Engineering, Hingna Road, Nagpur, Maharashtra.**

We express our heartfelt thanks for accepting our invitation as Speaker and delivering the fruitful and knowledgeable lecture. We firmly believe that without your contribution and presence, organizing this workshop would not have been possible so successfully.

Looking forward to your continued association with us.

With warm regards,

Dr. S.P. Raut
HOD, Civil Engineering Department,
YCCE, Nagpur.

DEPARTMENT OF CIVIL ENGINEERING

**Guest Lecture on “Magic of MBA: Winning Strategies for
Competitive Exam Excellence”**

Wednesday 13th September 2023

Department of Civil Engineering; YCCE organized Guest lecture on “Magic of MBA: Winning Strategies for Competitive Exam Excellence” on 13th September 2023.

Prof. S. G. Kalamkar hosted the program under the Under the Aegis of IQAC (IEI) , NLC.

The Guest lecture started with the welcome ceremony by Prof. S. G. Kalamkar to the Guest (Speaker) Mr. Mehul Zunzunwala (Director, T.I.M.E. Nagpur).

Mr. Mehul Zunzunwala started the session with a very creative introductory session, where students had to introduce themselves in a novel way. They had to mention their life goals on piece of paper and what are the expected steps to achieve that goal. He emphasized on role of focus and purpose in overall growth in each area of life.

He also discussed about importance of skills for an individual which is a new way of finding out the students toward professional practices. He discussed the various competitive examination held during the year. He gave emphasis on preparation strategies during the degree courses and examination to be attempted. He also strategies after degree course examination for higher posts.

He also interacted with students regarding their difficulties in particular subjects and how to deal with them with ease.

Around 95 students participated successfully in the program.

Nagpur

Subject: Invitation as an Expert speaker for a Guest Lecture

Respected Sir,

Yeshwantrao Chavan College of Engineering, Nagpur is An Autonomous Institution in Central India and has maintained a wonderful record of creating some of the finest Engineering brains in Central India, which ably justifies its potential as the most sought-after destination for campus recruitment by some of the largest corporate houses across the country. The college is accredited by **National Assessment and Accreditation Council with 'A++' Grade and Department of Civil Engineering is accredited by NBA**

On behalf of the Civil Engineering Department, it is a great pleasure to invite you for as a speaker for **"Magic of MBA: Winning Strategies for Competitive Exam Excellence" on 13th September 2023.**

The Guest Lecture open for students of V Semester.

Your thoughts would enable our spectators to augment their ideas in the best possible way by exuding the best of their communication strategies from your expertise and experience.

We look forward to your support and patronage for the development of our students.

Regards

Dr. S. P. Raut,
HOD, CE, YCCE.

NOTICE

III Sem. B.E. Civil (A & B Section)

All the students of III Semester (A & B Section) are hereby informed that there is **Induction Program** being organized in Civil Engineering Department on **Wednesday 13th September 2023** at **11.00am**, followed by **Mr. Mehul Zunzunwala (Director, T.I.M.E. Nagpur)** in Room No. C-2-06 at 10.00 am.

All the students are requested to attend the same.

"Workshop on Career Guidance"

Tuesday 21st October 2023

Department of Civil Engineering; YCCE organized a Career Guidance Workshop on "Scope in Public Sector and Higher Education" under IQAC (IEI), NLC in association with ASCE. The program was organized by Ms. Pallavi S.Chakole under Team SPARSH 2024 under the Guidance of Magazine Incharge Prof. Pawan Hinge Sir.

The program is chaired by **Prof. K. K. Motwani Sir** (DIPLOMA (GOLD MEDALIST, 1ST RANK), B.E. (VNIT, 6 GOLD MEDALS), I.E.S. (3 TIMES SELECTION), M.P.S.C. (1ST RANK), RECIPIENT OF NUMEROUS ESTEEMED AWARDS WITHIN HIS FIELD.) on Tuesday 21st October 2023. Total 73 students attended the guest lecture.

Prof. K. K. Motwani Sir illuminated the path to success in the competitive landscape of GATE examinations and Public Sector opportunities in India. This session aimed to empower aspiring candidates with valuable insights and strategic approaches, providing a roadmap for their academic and professional endeavors.

Our Vision

To become most sought after destination for learning and research in civil engineering.

Our Mission

To prepare Civil Engineering professionals by practicing analytical, design tools, Field learning and live industrial projects in conducive environment.

DEPARTMENT OF CIVIL ENGINEERING

DATE: 18/10/2023

To,
Mr. K.K.Motwani
Nagpur

Subject: Invitation as an Expert speaker for Guest lecture

Respected Sir

Greetings of the Day

Yeshwantrao Chavan College of Engineering, Nagpur is An Autonomous Institution in Central India and has maintained a wonderful record of creating some of the finest Engineering brains in Central India, which ably justifies its potential as the most sought-after destination for campus recruitment by some of the largest corporate houses across the country. The college is accredited by **National Assessment and Accreditation Council with 'A++' Grade and Department of Civil Engineering is accredited by NBA**

On behalf of the Civil Engineering Department, it is a great pleasure to invite you for as a speaker for **"Scope in Public Sector and Higher Education "on 21st October 2023**. The guest lecture is open for students of VII Semester.

Your thoughts would enable our spectators to augment their ideas in the best possible way by exuding the best of their communication strategies from your expertise and experience.

We look forward to your support and patronage for the development of our students.

Regards

Dr. S. P. Raut,
HOD, CE, YCCE.

To,

Mr. K.K.Motwani

Respected Sir

It is a matter of great pleasure and pride to have you as a Speaker for Guest lecture on "Scope in Public Sector and Higher Education" organized on 21st October 2023 at Department of Civil Engineering, Yeshwantrao Chavan College of Engineering, Hingna Road, Nagpur, Maharashtra.

We express our heartfelt thanks for accepting our invitation as Speaker and delivering the fruitful and knowledgeable lecture. We firmly believe that without your contribution and presence, organizing this workshop would not have been possible so successfully.

Looking forward to your continued association with us.

With warm regards,

Dr. S.P.Raut

DEPARTMENT OF CIVIL ENGINEERING

Our Vision

To become most sought after destination for learning and research in civil engineering

Our Mission

To prepare civil Engineering professionals by practicing analytical, design tools, Field learning and live industrial projects in conducive environment

NOTICE

Date: - 18/10/2023

All the teaching faculties are hereby informed that a Guest Lecture is organized by Civil Engineering Department on "Scope in Public Sector and Higher Education" by Mr. K.K.Motwani under IQAC (IEI), NLC on Tuesday 21st October 2023 at 10.00:00am at CE-206. All the staff members are requested to attend the same.

Dr. S.P.Raut

Head, CE Dept, YCCE

S.N.	Name	Signature	S.N.	Name	Signature
1	Dr. Udaykumar P. Waghe		19	Mr. Vivek Dnyardeo Jayale	
2	Dr. Santanu Ramkrishna Khandeshwar		20	Mr. Pawan Kesharao Hinge

Date: - 20/10/2023

Schedule

Guest lecture on "Scope in Public Sector and Higher Education"

Under the Aegis of IQAC (IEI), NLC on 21st October 2023

The Schedule is as follows:

Industrial Experts	Time	Duration	Room No.
Mr. K.K.Motwani	10:30 to 2:00pm	3.5 hour	CE-206

Ms. Pallavi S.Chakole
Organizer

Date: 21/10/23

REGISTRATION DETAILS

The screenshot displays a Google Meet session with a grid of 40 participants. The participants are arranged in a 5x8 grid. The top row includes Pranit Gadekar (Presenting), Anshul Ghutke, Anshul Ghutke, Reena Bodele, Ibrahim Badri, Yash Wange, Nishant Subhedar, Devesh Shendre, Ritwik Kadu, and Durgesh Kapk... The second row includes Abhishek Punde, Rutvik Ingole, Sanket Itankar, Aniket Bilgaiya, Mrs. Chaitanya..., Kunal Narnaw..., Om Gards, Mohammad Nu..., and Anshuman Mang... The third row includes Shubham Rang..., Narendra Gir..., Dharmraj Kan..., Arpita Ganvir, Aditya Nimje, Vedang Paral..., Vaibhav Hatwar, Sumit Badwaik, and 1912017 GaiK S... The fourth row includes Samyaka Mun..., Gaurav Kinho..., Pawan Mande..., Siddhesh Sao, Prasad Khotara..., Suvarsh Rajan..., and Ujwal Ghate. The bottom row shows a grid of participants including Kalpesh Bho..., Saurabh Mand..., Nilesh Gedam, Shantanu Ka..., Rutvik Ingole, Pranit Gadek..., Ujwal Ghate, and Anmol WanJ... The interface also shows a taskbar at the bottom with the time 7:13 PM and the URL meet.google.com/byp-wytu-nmo?authuser=1&pli=1.

DEPARTMENT OF MECHANICAL ENGINEERING
STUDENT DEVELOPMENT PROGRAM ASSOCIATE WITH ASME CHAPTER

The screenshot shows a Google Meet interface. At the top, the meeting title is "PRANIT GADEKAR (Presenting)". Below the title is a grid of 45 participant tiles, each with a name and a colored circle. The names include: KALPESH BHONSLA, PRANIT GADEKAR, Sourabh Mandao..., NILESH GEDAM, Trisha Kasumbirai, RUTVIK INGOLE, ADITYA DHAPODKAR, SHANTANU KALODE, NARENDRA GIRA..., ANMOL WANJARI, Shreyash Meshra..., REENA BODELE, IBRAHIM BADRI, SHARDUL BELAN, Nishant Subhedar, Akash Dhoke, RITVIK KADU, CHETAN DHAPODKAR, HIMANSHU SON..., SANKET ITANKAR, MRS. CHAITANYA..., VEDANG PARAL..., Om Gorda, ARPITA GANVIR, KUNAL NARNAW..., ADITYA NIMJE, Kausubh Barwar, ROHIT MESHRAM, 1912017 GAIKI SA..., SAMYAKA MUN..., GAURAV KINHO..., PAWAN MANDE..., SUVARSH RAJAN..., UMANG SOMKU..., SUMIT BADWAIK, DEVESH SHENDRE can now join this meeting, VAISHAV HAIWAR, AMAN MAAN, ABHISHEK PUNDE, YASH WANGE, Anshuman Marig..., AVADHUT SHRIM..., Prasad Khobarag..., DEVESH SHENDRE, Ujwal Ghiate.

Below the grid is a toolbar with icons for mute, video, chat, reactions, help, and end call. The time is 19:05. The browser address bar shows "meet.google.com/byp-wytu-nmo".

The presentation slide is titled "How do I find motivation to appear for GATE". The content on the slide is as follows:

How do I find motivation to appear for GATE

- * At this age we have abundance of resources at our disposal so it is understandable that motivation is hard to find.
- * the external motivation (Sandeep Maheshwari) is short lived, that's why we need it like a daily dose, so it is not so efficient.
- * real motivation is found within, fear is a better motivator than desire.

fear :

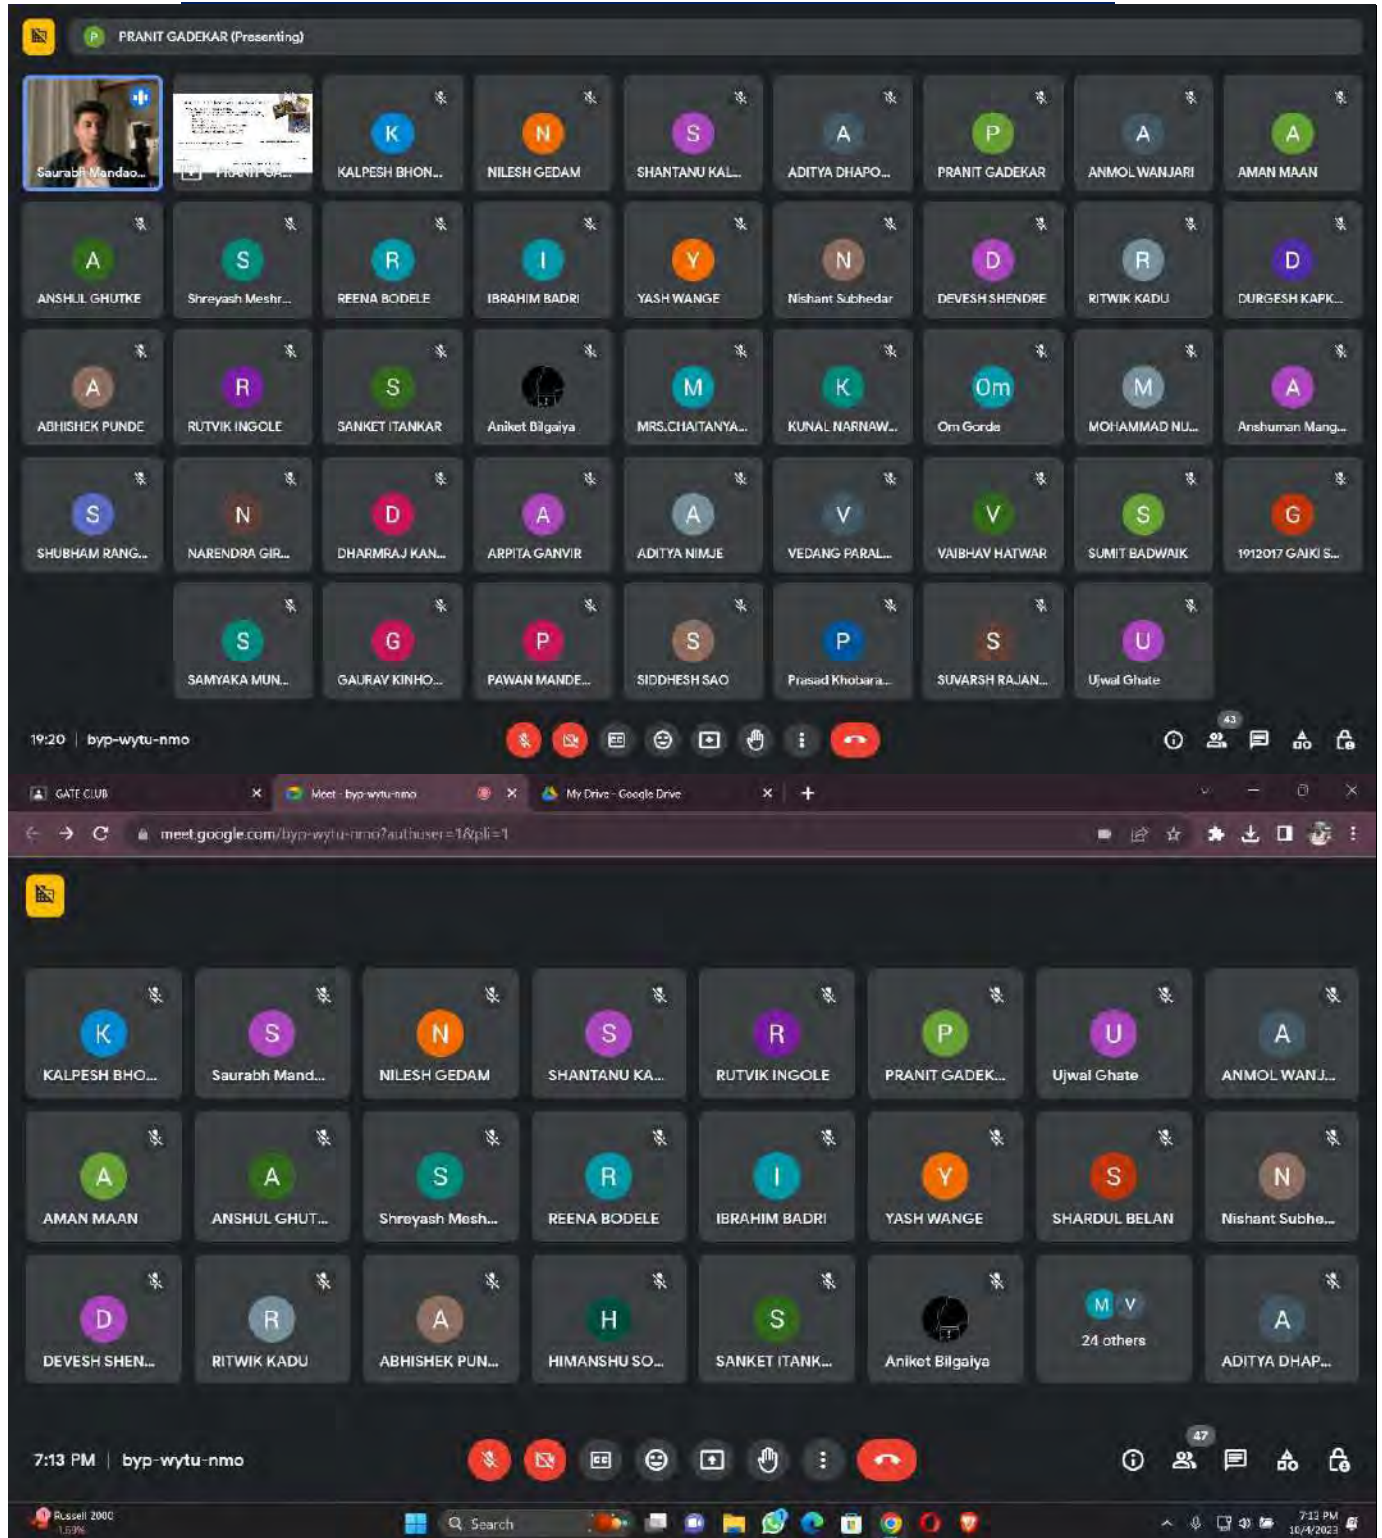

- I dont want to have a life of a avg IT/tech Engineer who looks stressed all the time and is not so well paid.
- I don't want to stay stuck in this financial situation.
- I need to do something or I may never be able to know what my actual potential is.

Desires: examples

want to be rich, travel the world, be famous, be respected and feel special, want a great partner

At the bottom of the slide, there is a video thumbnail of Saurabh Mandao and a grid of participant tiles including KALPESH BHONSLA, NILESH GEDAM, SHANTANU KALODE, and ADITYA DHAPODKAR. The time is 7:34 PM.

SPEAKER'S PROFILE

Mr. V R D M KAUSIK AGASTYARAJ
Faculty at ACE Engineering Academy,
11 Years Teaching Experience | M.Tech. in Thermal Engineering
4 times GATE Qualified

Mr. V R D M Kausik Agastyaraj is an esteemed faculty member at ACE Engineering Academy and a motivational speaker with a flair for teaching and interacting with students pan India. He has qualified GATE 4 times and holds 11+ years of GATE/ESE/PSU teaching experience. Mr. Kausik has completed M.tech. In Thermal Engineering from the prestigious Jawahar Lal Nehru Technological University.

His passion for interacting with students and motivating them in their career endeavors has helped him to connect with students pan India and he does it all whilst blending it with Technology as his core domain.

Name of Students Club:	GATE CLUB [MECHANICAL]
Head of the Department:	Dr. Jayant P. Giri, WhatsApp No. 98229299871, hod_me@ycce.edu Convenor
Faculty Co-Ordinator:	V M Korde
Faculty Co-Coordinator:	N.D.GEDAM, WhatsApp No. 9404277061, 9726@ycce.in
Program:	Student Development Program on GATE
Topic:	How to conquer GATE Examination
Date:	16/05/24 (On Line)
Timing:	7.00 pm to 9.00 pm
Resource Institute:	IIT, Delhi
Resource Person:	Pratik Dewangan

IIT DELHI | MTECH (HVA) | APPLIED MECHANICS |

Objectives of the Webinar:	<ol style="list-style-type: none">1) To create awareness amongst students about importance of GATE2) To motivate the students3) To guide the students about work on an awesome project which you can later put on your resume4) Career opportunity for Engineers5) How to prepare for job interview
-----------------------------------	---

Outcome of the Webinar:	<i>At the end of the session</i> <ol style="list-style-type: none">1) Awareness amongst students about importance of GATE2) Importance Of Project Development in Off-Campus Drive3) Prepare your resume.4) Practice aptitude questions on a constant basis.5) Interview experiences of previous year candidates to get a better idea of hiring

The screenshot shows a Google Forms survey titled "Feedback for the SDP on 'Job opportunities in steel industry sector and T...". The survey is currently in the "Responses" tab, showing two questions with their respective pie charts and legends.

Question 1: How did you feel about the duration of the content?

Response	Percentage
Question was short, should be extended in future <td>30%</td>	30%
Duration was perfect <td>50%</td>	50%
Can't say <td>10%</td>	10%
Duration was long, should be reduced in future <td>10%</td>	10%

Question 2: Did you receive all the information you needed as mentioned in objectives, before the event?

Response	Percentage
Yes, received all the information as mentioned in objectives <td>80%</td>	80%
Yes, received the information but not all as mentioned in objectives <td>20%</td>	20%
Yes, received the information but not as mentioned in objectives <td>0%</td>	0%
No, Not received the information as mentioned in objectives <td>0%</td>	0%

Note Sheet

Date: 29/02/2024

Subject: Proposal to organised Value added course on "**Electric & Hybrid Vehicle**".

As per the instruction from higher authorities, we would like to organised value added course on "**Electric & Hybrid Vehicle**" (**Offline & Online mode**) for the students of VI, IV sem. Mechanical Engineering. The specified course will be offered by department of Mechanical Engineering, YCCE, Nagpur during 09. 03. 2024 to 27. 04. 2024 (6 modules, weekly on Saturday) and Certificates will be issued to all the participants. The details about the program are as follows.

Sr No.	Domain	Detail	Remark
1	No. of participant expected	20 Minimum	Minimum batch size 20
2	Fees per participant	Rs. 300	
3	Organizers	Coordinators Dr. V. R. Khawale Prof. R. G. Bodkhe Prof. Neeraj Sunheria Course Teacher Prof. N. J. Giradkar Prof. Neeraj Sunheriya Mr. Nitin Banait Technical Manager, TESLA EV Academy India Private Limited, Pune	
4	Certification	Department of Mechanical Engineering YCCE, Wanadongri, Nagpur	
5	Estimated expenses	9000	Remuneration to Course Teacher

Submitted for approval to

Impact Analysis
Value Added course on
"Electric and Hybrid Vehicle"
16 March to 27 April 2024.

Q 1. Rate how did this course helps you to develop understanding about various Electric Vehicle?
 21 correct responses

Q 2. This value added course met my expectations.
 31 correct responses

Q 3. The topics covered were relevant to Electric and Hybrid Vehicle.
 22 correct responses

Nagar Yuwak Shikshan Sanstha's
Yeshwantrao Chavan College of Engineering
(An Autonomous Institution affiliated to Rashtrasant Tukadoji Maharaj Nagpur University)

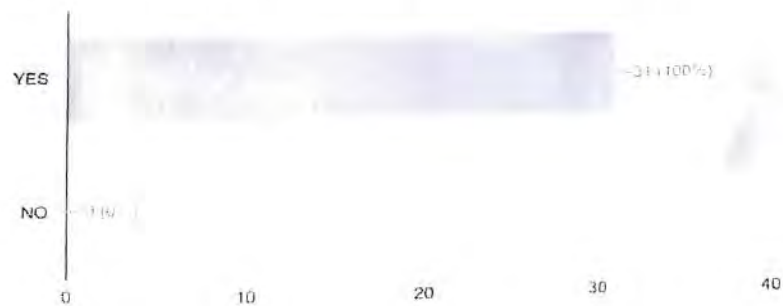

Q.4. Rate the content delivery during respective modules conducted by assigned resource Faculty.

0 / 31 correct responses

Q.5 Would you like to conduct more such type of value added courses in future.

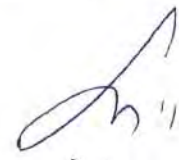

0 / 31 correct responses

So, from the feedback received it was observed that all students were extremely satisfied of this Value-added course.

Certificate of Participation

This is to certify that Mr./Miss_____ has successfully participated in one month (4 Weeks) Certification course on “Basics of Computational Tools” organized by Department of Mechanical Engineering, Yeshwantrao Chavan College of Engineering, Nagpur under the aegis of IQAC, YCCE conducted between 15th Sept. to 22nd Oct. 2023.

Note Sheet

Date: 07/02/2024

Subject: Proposal to organize One-month (5 Weeks) Certificate course on "Basics of Computational Tools."

As per the instruction form authorities, we would like to organize one-month (5 Weeks) Certificate course on "Basics of Computational Tools" under agies of IQAC, YCCE. The specified certificate course will be offered by Department of Mechanical Engineering, YCCE, Nagpur during 16.02.2024 to 30.03.2024. The details about the program are as follows:

Sr. No.	Domain	Details	Remarks
1	No. of participants expected	50	Minimum batch size of 30
2	Fees per participant	Rs. 300/-	Nil
3	Organizers	Co-Ordinator's: - Devendra Y. Shahare Alok R. Narkhede	Speaker: Mr. Shivam Shirbhate PMRF, IIT Kanpur
4	Certification	Mechanical Engineering Department, YCCE, Nagpur	
5	Estimated expenses	NIL	NIL

Prof. D.Y. Shahare Prof. A.R. Narkhede
Coordinator's

Dr. J. P. Giri
HOD, ME

Submitted for approval to:

The Principal, YCCE.

Nagar Yuwak Shikshan Sanstha's

Yeshwantrao Chavan College of Engineering

(NAAC 'A++' Graded Autonomous Institution Affiliated to RTM Nagpur University)

Duration: 16th Feb. 2024 to 30th March 2024 (Schedule and Timings will be conveyed on Google Classroom.)

Course Fee: Rs. 300/- per participant

Certification: Department of Mechanical Engineering, YCCE, Nagpur

Registration Link: <https://forms.gle/gypPRDnwt3otsm8LA>

Course Content:

1. Sign in to MatLab online
2. Introduction to MatLab interface.
3. Matrix and formulation in MatLab
4. Data extraction using webplot digitizer and importing into MatLab for post processing.
5. Introduction to Comsol Mylthphysics, Design Tools.
6. Meshing and Boundary conditions, CFD examples on Comsol

Department of Mechanical Engineering
Report of the Activity Conducted (2023-24)

Title of the Activity:	One month (4 weeks) VAC on "Basics of Computational Tools" (Blended mode)
Type of the Activity:	VAC
Day / Date & Timing:	16/02/2024 to 30/03/2024, 02.00PM to 05.00PM (Friday and Saturday)
Resource Person for of the Activity:	Mr. Shivam Shirbhate, PMRF, IIT Kanpur
Coordinator of the Activity:	Prof. D. Y. Shahare, Asst. Professor, Department of Mechanical Engineering, YCCE. Prof. A. R. Narkhede, Asst. Professor, Department of Mechanical Engineering, YCCE.
Convener of the Activity:	NA
Co-Convener of the Activity:	NA
Registration Fees for the Activity:	Rs. 300/-
Target Participants for the Activity:	2 nd year students
Number of Participants Attended	23
Objective & Outcomes of the Activity:	<p>Students will come up with a problem statement Create geometry and perform the simulation for the given problem statement The results from the simulation must be justified with analytical results or results from any journal papers. This course can be opted by all the students who are pursuing B.E. or B Tech. in Mechanical Engineering Professionals working in quality, production and manufacturing domain and looking to move up the ladder in their career This course will provide a deep understanding of the solving process of the implicit and explicit solver. Also, you will gain expertise in setting up any model for performing basic structural simulation and post-processing the results. Students should present the project and provide a proper conclusion by explaining the simulation results.</p>
Schedule of the Activity:	<ol style="list-style-type: none"> 1. Basics of Fluids 2. Basic of CFD, Classification of PDE 3. Discretization, Methods of solution 4. Introduction to MatLab, 5. CFD examples on MatLab 6. Introduction to Comsol Muiltiphysics, Design Tools. 7. Meshing and Boundary conditions, CFD examples on Comsol.

Department of Mechanical Engineering Report of the Student Development Workshop (2023-24)

Title:	Value Added Course on “Computer Aided Modeling by Solidworks”		
Type:	One Month Value Added Course		
Day / Date & Timing:	16.02.2024 to 06.04-2024, from: 10.00 am to 02.00 pm		
Resource Person	Dr.P.D. Kamble, Assistant Professor, Department of Mechanical Engineering, YCCE. Prof. Prasad Hatwalne, Assistant Professor, Department of Mechanical Engineering, YCCE.		
Organizer	Dr. J.P. Giri, HOD, Associate Professor, Department of Mechanical Engineering, YCCE.		
Coordinator	Dr.P.D. Kamble, Assistant Professor, Department of Mechanical Engineering, YCCE. Prof. Prasad Hatwalne, Assistant Professor, Department of Mechanical Engineering, YCCE.		
Registration Fees:	300/- Per Participant		
Target Participants	4 th Semester Students of Mechanical Engineering		
Number of Participants	24 Participants		
Objective & Outcomes:	Objectives of the workshop: 1) To Introduce to Solid works 2) To work on 2-D Sketching. 3) To handle 3-D Part Modelling 4) To understand and work on Part Assembly 5)To understand and work on GA Drawing and bill of Materials	Outcome of the Workshop: At the end of the session students should be able 1) To Introduce to Solid works 2) To work on 2-D Sketching. 3) To handle 3-D Part Modelling 4) To understand and work on Part Assembly 5) To understand and work on GA Drawing and bill of Materials.

Registration Fees:	300/- Per Participant	
Target Participants	4 th Semester Students of Mechanical Engineering	
Number of Participants	50 Participants	
Objective & Outcomes:	Objectives of the workshop: This Finishing School is specially designed to cater to Industries' needs and for young technocrats' skill up-gradation. It also aims to allow students to learn and enlarge their interdisciplinary skills, making them globally employable.	The outcome of the Workshop: At the end of the session students: 1) A student with an insight into various aspects of the core manufacturing subjects, enhancing their critical thinking and decision-making skills. 2) Understanding of various machines/machining processes and their industrial application. 3) Complementary training accelerates students' employability skills to bridge the gap between academics and industry. 4) Practical exposure, industry insights, certification, networking, and career guidance.

Feedback Analysis to the asked questions:

1. Does the level of VAC is appropriate and meets your expectations?

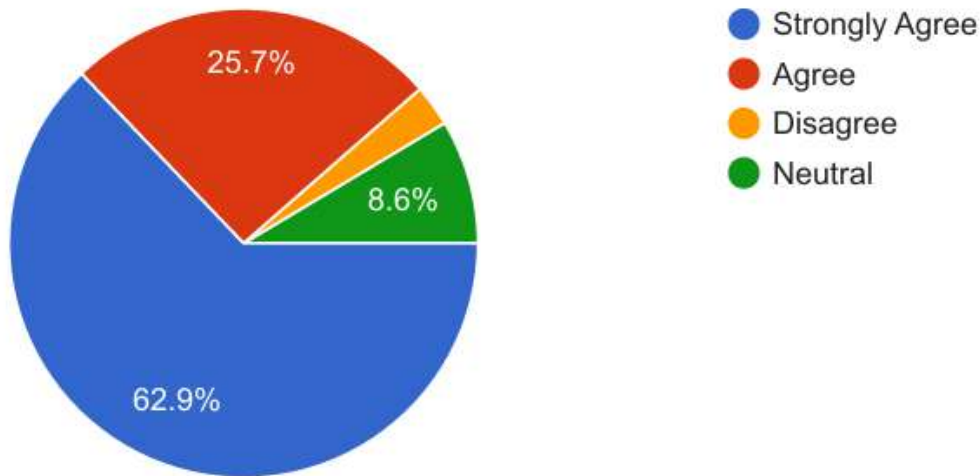

2. Do the speakers have a good understanding of their topic?

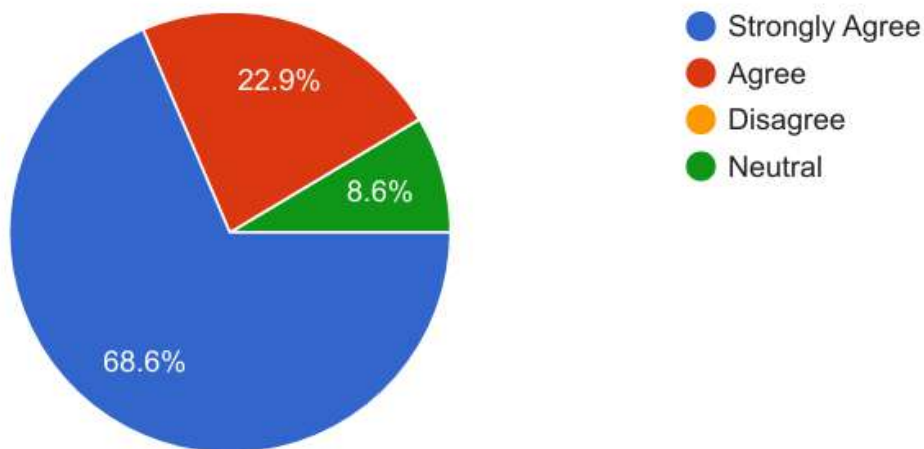

Department of Mechanical Engineering
Report of the Student Development Workshop (2023-24)

3. Do you think that the program objectives are achieved?

4. Would you recommend this VAC to your juniors?

Impact Analysis:

Feedback Analysis is done to measure the impact of the VAC (Industrial Trends in Manufacturing) used. 89.85% of students gave excellent, very good & good performance for the blended learning experience, whereas 8.6% of students were neutral. Most of the students find this VAC suitable.

The outcome of the Workshop:

- 1) A student with an insight into various aspects of the core manufacturing subjects, enhancing their critical thinking and decision-making skills.
- 2) Understand of various machines/machining processes and their industrial application.
- 3) Complementary training accelerates students' employability skills to bridge the gap between academics and industry.
- 4) Practical exposure, industry insights, certification, networking, and career guidance.

Challenges Encountered:

No challenge was encountered.

The screenshot shows a Google Forms survey titled "Expert Session on 'Industrial Robotics & Automation and Its Future Opp...". The survey is displayed in a browser window with multiple tabs open. The main content area shows two questions with pie charts representing the distribution of responses.

Question 1: Did you receive all the information you needed as mentioned in objectives, before the event?
18 responses

Response	Percentage
Yes, received all the information as mentioned in objectives	33.3%
Yes, received the information but not all as mentioned in objectives	33.3%
Yes, received the information but not as mentioned in objectives	7.7%
No, not received the information as mentioned in objectives	25.7%

Question 2: Do you think the event met its goals and the mentioned outcomes of seminar are possibly achieved?
13 responses

Response	Percentage
Yes, I think the event met its goals and the mentioned outcomes of seminar are possibly achieved	30.8%
Yes, I think the event met its goals but all the mentioned outcomes of seminar are not possibly achieved	30.8%
Yes, I think the event met its goals but the mentioned outcomes of seminar are not possibly achieved	7.7%
No, I think the event doesn't meet its goals and the mentioned outcomes of seminar are not possibly achieved	20.7%

Question 3: How will you rate this seminar on scale of 00 to 03 in achieving its objectives?
(00: not achieved any objectives to 03: has achieved all)

Faculty Co-Coordinator: N.D.GEDAM, WhatsApp No. 9404277061, 9726@ycce.in
Program: Student Development Program on GATE
Topic: Industrial Robotics & Automation and It's Future Opportunities
Date: 10/4/2023 (Off Line)
Timing: 2.00 pm to 4.00 pm
Resource Institute: Norwegian university of science and technology , Norway
Resource Person: Vedant Ballal

Norwegian university of science and technology , Norway

Objectives of the Webinar:

- 1) To guide about Role of Robotics and Automation in Industry 4.0
- 2) Research gives you the latest information
- 3) To guide the students about Industrial Robotics & Automation
- 4) Career opportunity for Engineers
- 5) Artificial Intelligence

Outcome of the Webinar: ***At the end of the session***

- 1) Artificial Intelligence helps you narrow your scope
- 2) Encourages kids to think creatively
- 3) To build and design solutions to real-world problems
- 4) Research helps you reach people
- 5) Benefits of Automation | Robotic Manufacturing

Program:	Student Development Program on GATE
Topic:	Career Opportunities and Career guidance
Date:	11/8/2023 (Off Line)
Timing:	12.00 pm to 2.00 pm
Resource Institute:	Career Launcher
Resource Person:	Deepankar Bani Ex lecturer VNIT Macmillan Education Empanelled Teacher's Trainer
Objectives of the Webinar:	1) Provide extensive training programs for students 2) Guidance on Career 3) Better perspectives in career
Outcome of the Webinar:	<i>At the end of the session</i> 1) individuals to realize their potential 2) Types of Institute 3) Academic excellence, technological innovation, and domain expertise built
Target Participants:	All 5 th sem students Department of Mechanical Engineering, YCCE.
Registration Fees:	FREE OF ANY COST.

GATE (Graduate Aptitude Test in Engineering)

PSU exams conducted by PSUs (ONGC, BEL, PGCIL, CDAC, HAL, ECIL, IRCON, etc.,)

Campus Placements in Colleges like IITs, NITs.

Eligibility

- GATE Rank within 1000 (but differs w.r.t.,)
- Degree percentages should be 65% and above
- Age limit 28 years

7:43 PM | nxv-zzot-cca

SPEAKER'S PROFILE

Mr. V R D M KAUSIK AGASTYARAJ
Faculty at ACE Engineering Academy,
11 Years Teaching Experience | M.Tech. in Thermal Engineering
4 times GATE Qualified

Mr. V R D M Kausik Agastyaraj is an esteemed faculty member at ACE Engineering Academy and a motivational speaker with a flair for teaching and interacting with students pan India. He has qualified GATE 4 times and holds 11+ years of GATE/ESE/PSU teaching experience. Mr. Kausik has completed M.tech. In Thermal Engineering from the prestigious Jawahar Lal Nehru Technological University.

His passion for interacting with students and motivating them in their career endeavors has helped him to connect with students pan India and he does it all whilst blending it with Technology as his core domain.

The screenshot shows a Google Forms survey titled "Feedback for the SDP on 'Job opportunities in steel industry sector and T...". The survey is currently in the "Responses" view, showing two questions with their respective pie charts and legends.

Question 1: How did you feel about the duration of the content?
10 responses

Response	Percentage
Duration was short, should be extended in future	30%
Duration was perfect	50%
Can't say	10%
Duration was long, should be reduced in future	10%

Question 2: Did you receive all the information you needed as mentioned in objectives, before the event?
10 responses

Response	Percentage
Yes, received all the information as mentioned in objectives	80%
Yes, received the information but not all as mentioned in objectives	20%
Yes, received the information but not as mentioned in objectives	0%
No, Not received the information as mentioned in objectives	0%

REPORT

DST SERB Sponsored One Week STTP on “Intricacies of Industrial IoT and Agile Manufacturing” (18-23 March, 2024)

Department of Mechanical Engineering has organized DST SERB sponsored One Week STTP on “Intricacies of Industrial IoT and Agile Manufacturing” during 18-23 March 2024 . The program fetched a huge response from faculties and Research Scholars. A total of 60 participants had registered for the STTP. The Inauguration of STTP is done by Mr. Amol Pusadkar (Mahindra & Mahindra). Dr Manali Kshirsagar (Technical Advisor, MGI) was the function president.

Mr. Amol Pusadkar appreciates the initiative taken for conducting the program which involves a multidisciplinary approach. Dr Manali Kshirsagar said that these kinds of STTP are the need of today's scenario. Dr. J.P. Giri said that the Aim of Organizing this STTP is to facilitate the faculty members and Research scholars to inculcate the recent trends in Industrial IoT and Agile Manufacturing. Dr. Sharad Chaudhari has stressed the learning of New State Art Technologies for the Manufacturing Sector.

Prof. Dipti N. Kashyap, the Principal Co-ordinator of STTP has proposed the Vote of Thanks. Various Experts from Industries and NITs delivered the lectures based on the STTP topic during the STTP. Prof. A.P.Edlabadkar, Prof. R.V.Adakane, Prof. A.R.Narkhede, Prof. M.G.Dhote, Prof P.A.Hathwalne and Prof. Neeraj Suneheriya worked hard for the success of the STTP.

Department of Electronics Engineering

REPORT

Title: Half day workshop on "Preparation for higher studies and Competitive Exams"

Dates: 18/10/2023 **Time:** 10.00 a.m. onwards

Venue: CCC

Expert: Mr. Ishu Kumar ASATI, Director, Spartan IAS and Chaitanya Bharat, Administrator, Spartan IAS

Co ordinators : Prof. Pradnya Jadhav, Prof. Swati Mohod

No. of participant: 113

Objective of the workshop :-

Introduction: The workshop on "Preparation for higher studies and Competitive Exams" was organized with the aim of providing valuable insights and guidance to participants seeking to excel in various competitive examinations. The event brought together students, educators, and experts in the field to share knowledge, strategies, and resources for effective exam preparation.

Agenda:

Opening Address: The workshop commenced with an opening address emphasizing the importance of competitive exams and the significance of proper preparation. Participants were encouraged to make the most of the opportunity to learn from seasoned professionals.

Session 1: Understanding Exam Patterns: An expert speaker delved into the various competitive exam patterns, highlighting the key features and changes. This session provided participants with a comprehensive overview, ensuring they understood the structure of the exams they were preparing for.

Session 2: Effective Study Techniques: Renowned educators shared insights into effective study techniques, time management, and strategies to enhance retention. Participants actively engaged in discussions and learned valuable tips to optimize their study routines.

Session 3: Resource Utilization: This session focused on the vast array of resources available for exam preparation, including books, online platforms, and coaching services.

Department of Electronics Engineering

Practical demonstrations and recommendations from experienced mentors helped participants navigate through the abundance of study materials.

Q&A and Networking: The workshop concluded with an interactive Q&A session, allowing participants to seek clarifications and advice from the speakers. Networking opportunities were provided, fostering connections among participants and experts.

Conclusion: The "Preparation for Competitive Exams" workshop successfully empowered participants with the knowledge, skills, and motivation needed to excel in their exam preparations. The event facilitated an exchange of ideas and experiences, creating a supportive community for those on the challenging journey of competitive exam preparation.

Department of Electronics Engineering

Dt: 16/9/23

Notice

All the students of Electronics Engineering department are hereby informed that department is organizing a half day workshop on “Aptitude development for CAT preparation ” on 21st September 2023 from 10 a.m. onwards.

Coordinators:

Dr. Shweta Dhondse

Dr. P.A. Maturkar

Dr. R.D. Thakare

HoD, EEDept

REPORT

Title: Half day workshop on "Aptitude development for CAT preparation"

Dates: 21/9/2023 Time: 1 p.m. onwards

Venue: ET 208

Expert: Mr. Mehul Jhunjhunwala, Director, TIMES Academy, Nagpur

Co ordinators : Dr. S. A. Dhondse, Dr. P.A. Maturkar

No. of participant: 168

Objective of the workshop :-

The primary objective of the workshop was to equip MBA aspirants with essential skills and strategies to excel in the aptitude section of MBA entrance exams.

Agenda:

1. Introduction to Aptitude Testing:

- Overview of the importance of aptitude in MBA entrance exams.
- Understanding the structure of aptitude sections in popular exams.

2. Key Components of Aptitude:

- Quantitative Aptitude: Formulas, problem-solving techniques.
- Verbal Aptitude: Reading comprehension, vocabulary, and grammar.
- Logical Reasoning: Critical thinking, puzzles, and analytical reasoning.

3. Strategies for Time Management:

- Techniques to optimize time during the exam.
- Balancing accuracy and speed.

Department of Electronics Engineering

4. Tips for handling exam pressure and maintaining composure.

Conclusion: The Aptitude Development Workshop for MBA Entrance proved to be a valuable initiative, fostering the growth and preparedness of participants for their upcoming MBA entrance exams. We extend our gratitude to the participants, speakers, and organizers for making this event a resounding.

**Report
(Seminar : Carrier opportunities in Defence)**

Date : 06.10.2023

Event Name: Seminar : Carrier opportunities in Defence by RAKSHANAM

Date and Time: 06.10.2023, 12:00 PM to 02:00 PM

Location: Shree Datta Meghe Auditorium, YCCE

Number of Participants: 900 to 1000

Faculty Coordinator: Dr. S. A. Dhondse

Details: The seminar hosted by Rakshanam Defence Preparatory Academy on October 6, 2023, centered around enlightening participants on careers in defense and comprehensive preparation strategies for various examinations related to defense services. The event aimed to guide aspiring individuals towards a successful path in defense services.

Dr. Rajeshwari Wankhade, Director of Rakshanam Defense Preparatory Academy, Head of Electronics Department Dr. Rajesh Thakare and head of electronics and telecommunication department Dr. Naralavar was present. A highlight of the lecture was the presence of retired Brigadier Sunil Gavpande and retired Colonel Raju Patil. Both are distinguished defense personnel who have extensive experience in the respective branches of the armed forces. Their presence added a practical and motivational dimension to the discussion about defense careers.

The seminar commenced with an in-depth exploration of diverse career opportunities within the defense sector. Esteemed speakers provided insights into roles in the army, navy, air force, and paramilitary forces. Attendees gained a holistic understanding of the challenges and rewards associated with each career path, aiding them in making informed decisions about their future in defense services.

Then session focused on decoding the complex landscape of examinations crucial for selection into defense services. Speakers outlined the patterns, syllabi, and eligibility criteria for examinations such as NDA, CDS, AFCAT, and others. This comprehensive overview equipped participants with essential knowledge to streamline their preparation efforts effectively.

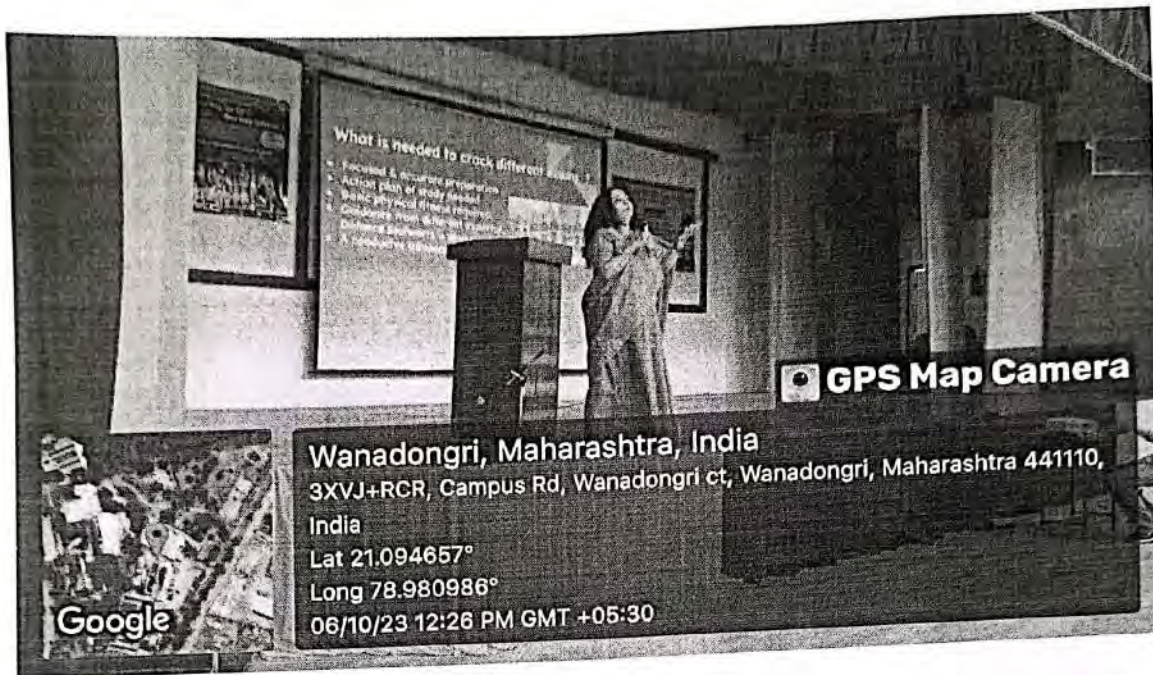

Participants were guided through proven and effective strategies for exam preparation in the third session. Experienced faculty from Rakshanam Defence Preparatory Academy shared insights into time management, subject prioritization, and exam-specific tips. Attendees received valuable resources and study materials, ensuring they are well-prepared for the rigors of defense examinations.

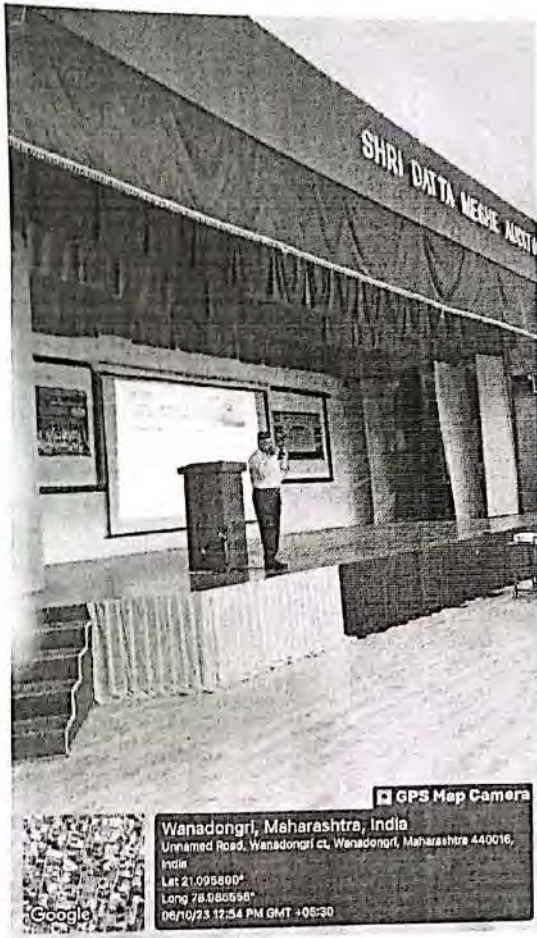

The seminar featured inspiring success stories and motivational talks in the final session. Accomplished individuals who have successfully navigated the selection process shared their personal journeys, challenges faced, and lessons learned. This session served as a source of inspiration, instilling confidence and determination in the attendees as they embark on their own paths towards a career in defense.

In conclusion, the seminar conducted by Rakshanam Defence Preparatory Academy on October 6, 2023, proved to be an invaluable resource for individuals aspiring to pursue careers in defense. From insightful sessions on career options and examination details to practical advice on preparation strategies, physical fitness, and mental conditioning, participants left with a comprehensive understanding and a heightened motivation to succeed in the challenging yet rewarding field of defense services. The event exemplified Rakshanam's commitment to guiding and nurturing the next generation of defense professionals.

Report on Guest Lecture on MPSC and UPSC by Unique Academy, Pune

Date: 15/2/24

Venue: ET 208

Guest Speaker: Ankita Jain, Unique Academy, Pune

No of participants: 118

Introduction:

A guest lecture on the Maharashtra Public Service Commission (MPSC) and Union Public Service Commission (UPSC) examinations was organized Department of Electronics engineering on 15/2/2024. The session was conducted by Ankita Jain, a renowned faculty member from Unique Academy, Pune. The lecture aimed to provide aspiring candidates with insights into the preparation strategies, examination patterns, and the significance of MPSC and UPSC exams.

About the Speaker:

Ankita Jain is a distinguished educator with extensive experience in coaching students for competitive examinations like MPSC and UPSC. Her association with Unique Academy, Pune, a reputed institute known for its success in guiding aspirants, has made her a well-respected figure in the field of civil services coaching.

Key Highlights of the Lecture:

1. Introduction to MPSC and UPSC Examinations:

- Ankita Jain began the session by explaining the importance of MPSC and UPSC exams in shaping careers in public administration.
- She provided an overview of the structure, eligibility criteria, and different stages of both MPSC and UPSC exams.
- The distinctions between state-level (MPSC) and national-level (UPSC) examinations were also discussed.

2. Examination Pattern and Syllabus:

- Jain detailed the syllabus for both MPSC and UPSC, highlighting key areas of focus such as General Studies, Current Affairs, and Optional Subjects.
- She broke down the examination pattern, explaining the Prelims, Mains, and Interview stages.
- Tips on how to approach each section of the syllabus were provided, with a focus on time management and effective study techniques.

Department of Electronics Engineering

3. Preparation Strategies:

- The speaker emphasized the importance of a disciplined study schedule and consistent revision.
- Jain shared insights on choosing the right study materials, including recommended books, online resources, and mock tests.
- She also stressed the importance of understanding and analyzing previous years' question papers to gauge the examination trends.

4. Role of Coaching Institutes:

- Ankita Jain elaborated on the role that coaching institutes like Unique Academy play in guiding aspirants.
- She discussed the advantages of joining a coaching institute, including structured guidance, peer learning, and access to expert faculty.

5. Motivational Insights:

- Jain shared inspiring stories of successful candidates, emphasizing the importance of perseverance and determination in cracking these competitive exams.
- She encouraged the students to maintain a positive mindset and stay motivated throughout their preparation journey.

6. Interactive Q&A Session:

- The lecture concluded with an interactive Q&A session where students had the opportunity to ask queries related to their preparation challenges.
- Jain provided personalized advice and clarified doubts, making the session highly engaging and informative.

Conclusion:

The guest lecture by Ankita Jain was an enlightening session for all the aspirants aiming for MPSC and UPSC examinations. Her expert guidance, coupled with practical tips and motivational insights, provided the students with a clear roadmap for their preparation. The session was well-received, and students left with a renewed sense of confidence and determination to achieve their goals in the civil services.

Feedback:

The participants expressed their appreciation for the detailed and practical advice offered by Ankita Jain. Many students found the session to be a valuable addition to their preparation journey, and the interactive nature of the lecture made it a memorable learning experience.

Title: Webinar on " My story: Motivational session by successful start up founder" on the occasion of National Startup Day.

Date: 16/1/2024

No. of Participants: 86

Venue/ Paltform: Google meet

Speaker: Mr. Manan Issar, Founder & CEO, Piltover Technologies.

Introduction: The motivational session hosted by Department of Electronics Engineering a highly successful entrepreneur and founder of Piltover Technologies], was an enlightening experience for all attendees. The session aimed to inspire and guide aspiring entrepreneurs through the journey of building a successful startup. With Mr. Manan's extensive experience and proven track record in the industry, the audience eagerly anticipated the insights and wisdom he would share.

Mr. Manan commenced the session by sharing his personal journey, recounting the challenges and triumphs he encountered while building his startup. He emphasized the importance of perseverance, resilience, and unwavering determination in overcoming obstacles. Central to his message was the significance of having a clear vision and purpose. He stressed the need for entrepreneurs to identify their passion and align it with a meaningful purpose to drive their startup forward. By articulating a compelling vision, entrepreneurs can inspire others to rally behind their cause and propel their venture towards success. He encouraged attendees to embrace failure as an inevitable part of the entrepreneurial journey. He shared anecdotes of his own failures and the invaluable lessons they imparted. According to him, failure serves as a catalyst for growth, providing valuable insights and opportunities for improvement.

In the dynamic landscape of entrepreneurship, Mr. Manan highlighted the importance of resilience and adaptability. He emphasized the need for entrepreneurs to pivot when necessary, responding to market shifts and evolving consumer demands. The session ended with student interaction and vote of thanks.

Department of Electronics Engineering

Key Discussion Points:

- 1. Importance of Entrepreneurship in Economic Development:**
 - The webinar emphasized how entrepreneurship serves as a catalyst for economic growth, fostering innovation, job creation, and wealth generation.
 - It highlighted the role of startups and small businesses in driving local and global economies by introducing disruptive ideas and technologies.
- 2. Societal Impact and Problem Solving:**
 - Speaker discussed how entrepreneurship addresses societal challenges by providing innovative solutions to unmet needs.
 - Examples were presented where entrepreneurial ventures positively impacted communities by addressing issues related to healthcare, education, sustainability, and more.
- 3. Entrepreneurship as a Driver of Innovation:**
 - The webinar showcased entrepreneurship as a key driver of innovation, emphasizing its role in disrupting traditional industries and fostering technological advancements.
 - Examples were shared of how entrepreneurial ventures have revolutionized industries through innovative business models and products.
- 4. Empowerment and Individual Growth:**
 - The session highlighted how entrepreneurship empowers individuals by fostering creativity, independence, and the pursuit of passion-driven endeavors.
 - Discussions revolved around how entrepreneurship provides opportunities for personal and professional growth, encouraging individuals to take risks and develop leadership skills.
- 5. Challenges and Opportunities in Entrepreneurship:**
 - The webinar acknowledged the challenges entrepreneurs face, such as funding limitations, market uncertainties, and regulatory hurdles.
 - Speakers emphasized the opportunities available within these challenges, showcasing how resilience, adaptability, and perseverance are critical traits for success.

Key Takeaways:

- **Economic Driver:** Entrepreneurship is a crucial driver of economic growth, job creation, and innovation.
- **Societal Impact:** Entrepreneurship positively impacts society by addressing problems and improving quality of life.
- **Empowerment:** It empowers individuals to pursue their passions, fostering personal and professional growth.
- **Challenges as Opportunities:** Challenges in entrepreneurship present opportunities for growth and learning.

(Webinar : "Career Opportunities in VLSI Industry")**

Date : 22.07.2023

Event Name: Webinar : "Career Opportunities in VLSI Industry"

Date and Time: 22.07.2023, 12:00 PM onwards

Mode: Online (via Google Meet)

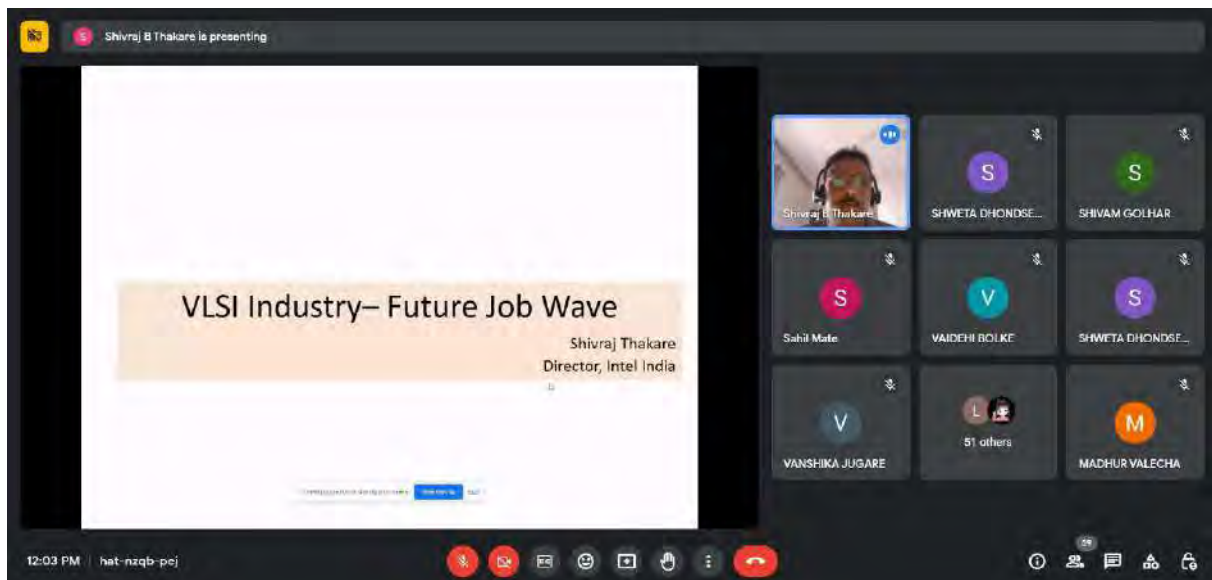

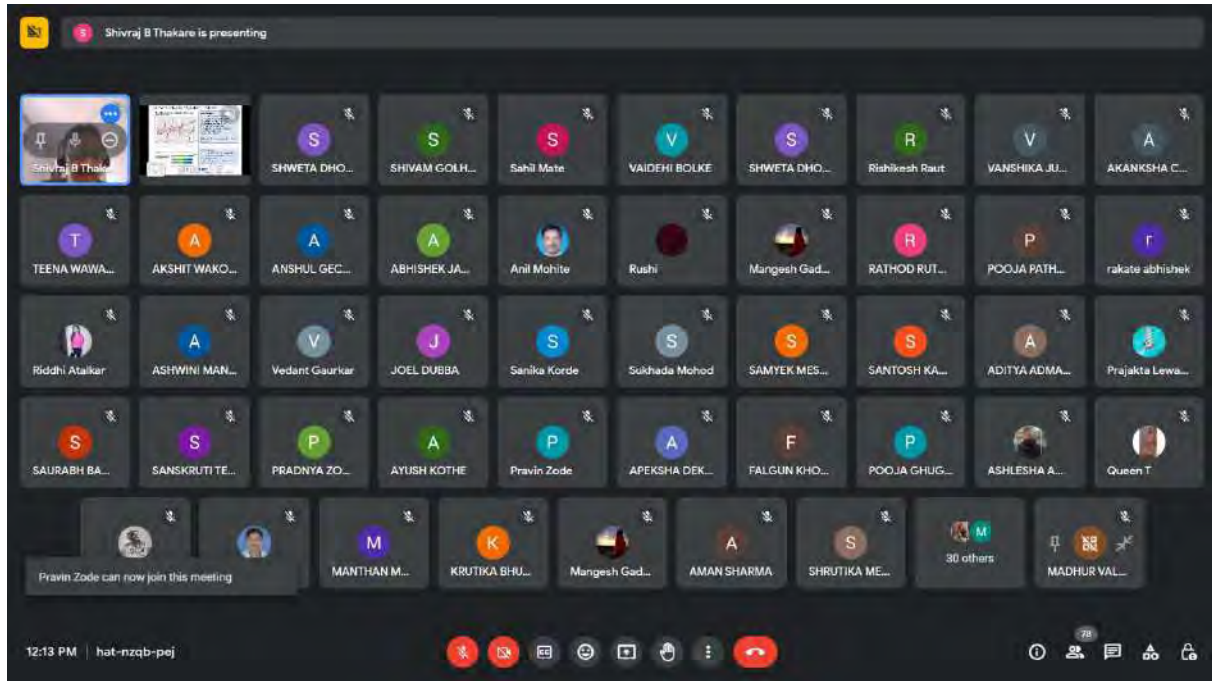

Number of Participants: 70 to 80

Faculty Coordinator: Dr. Shweta Dhondse

Details: This webinar was organized by IQAC, IETE Student forum and Department of Electronics Engineering, YCCE. The event was decided to be held online through Google Meet. **Mr. Shivraj Thakre** (Engineering Director, Server Design group, INTEL India) was invited as a speaker of the event. The webinar started exactly at 12.00 PM. Faculty Coordinator Dr. Shweta Dhondse mam welcomed the speaker. The speaker then started the webinar with introduction to VLSI industry. They enlightened us about the different VLSI Job functions like logic validation, RTL validation and design verification. They also provided useful insights like the current VLSI job growth (that is ~7% worldwide and 25% in India), how the semiconductor market shows slumps every few years, India's VLSI market and jobs grew despite of global showdown, how VLSI job growth continues for next few years, the enablers for India's VLSI jobs (low cost, large work force), problems in India (Univ output not ready, logistics, unmatched skills, poaching), good outlook for MNC ready fresher and many more. They also told about companies related to VLSI and how the VLSI is useful in global semiconductor market. Around 70 to 80 students participated in this webinar. After the speakers session students asked queries they had about the VLSI industry. The speaker answered everyone's questions very well. The students were satisfied by the answers that the respected speaker provided and made sure that they will learn more about this growth promising industry. Lastly Dr. Shweta Dhondse

mam concluded the webinar by thanking the honorable speaker for giving his valuable time and useful information.

Department of Computer Technology

Vision of the Department

To be a well-known center for pursuing computer education through innovative pedagogy, value-based education and industry collaboration.

Mission of the Department

To establish learning ambience for ushering in computer engineering professionals in core and multidisciplinary arena by developing problem-solving skills through emerging technologies.

REPORT

Event Details:

Event Name: GATE-24 Expert Lecture on the Importance of Computer Networks and Operating Systems in GATE Exam

Organizing Body: Computer Technology

Coordinator: Prof. P.S. Moon

Category: Technical

Session: 2023-24

Event Date: 10th January 2024

Expert Name: Venkateshwarlu, Faculty of ACE Engineering Academy

YEAR/SEM: GATE-24 Interested Students.

SUMMARY

Introduction: The GATE-24 Expert Lecture, organized by the Computer Technology department, was held on the 10th of January 2024. The event aimed to provide valuable insights into the importance of Computer Networks and Operating Systems in the GATE examination. The coordinator, Prof. P.S. Moon, collaborated with Venkateshwarlu, a distinguished faculty member from ACE Engineering Academy, to share expertise and guidance with the students.

Agenda:

Welcome :

The event commenced with a warm welcome to all attendees, including students, faculty members, and the expert speaker, Venkateshwarlu.

Opening Remarks by Prof. P.S. Moon:

Prof. P.S. Moon set the tone for the event by highlighting the significance of Computer Networks and Operating Systems in the GATE examination.

Department of Computer Technology

Vision of the Department

To be a well-known center for pursuing computer education through innovative pedagogy, value-based education and industry collaboration.

Mission of the Department

To establish learning ambience for ushering in computer engineering professionals in core and multidisciplinary arena by developing problem-solving skills through emerging technologies.

Expert Lecture by Venkateshwarlu:

Venkateshwarlu delivered an insightful lecture, covering key topics related to Computer Networks and Operating Systems. He emphasized the relevance of these subjects in the GATE exam, providing tips and strategies for effective preparation.

Interactive Q&A Session:

A lively question and answer session followed the expert's lecture, allowing students to clarify doubts and seek additional information on GATE exam preparation.

Importance of Computer Networks and Operating Systems in GATE:

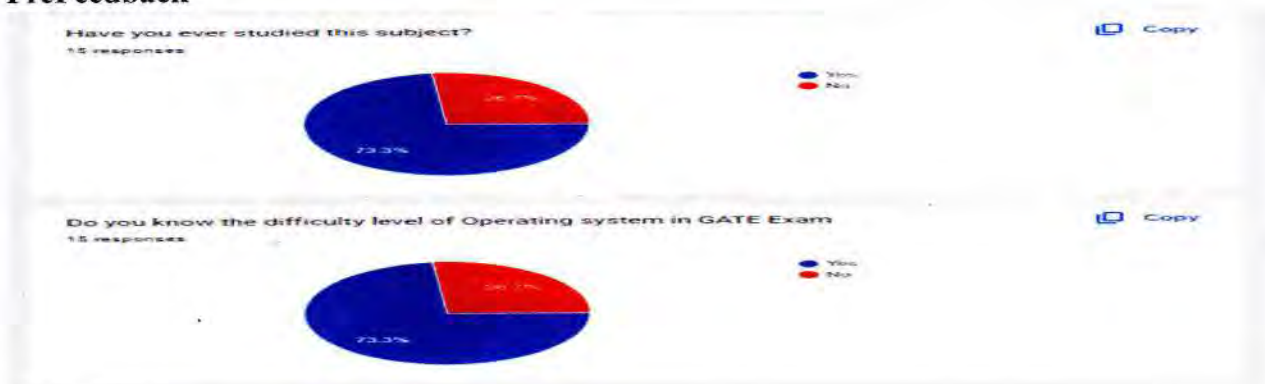

Venkateshwarlu elucidated the critical role of Computer Networks and Operating Systems in the GATE examination, offering insights into the weightage of these subjects in the syllabus. As well as he discussed the previous year's questions of CN and OS in detail.

Closing Remarks:

Prof. P.S. Moon expressed gratitude to Venkateshwarlu for sharing his expertise and thanked the participants for their active engagement. He encouraged students to apply the knowledge gained to enhance their GATE preparation.

Feedback and Conclusion: The GATE-24 Expert Lecture received positive feedback from attendees, with students expressing appreciation for the expert's clear explanations and valuable tips. The event successfully achieved its objective of helping students understand the importance of Computer Networks and Operating Systems in the GATE exam.

NOTICE

Subject: Seminar on Graduate Admissions & International Career Opportunities

The Department of Computer Technology is excited to announce a seminar on "Graduate Admissions & International Career Opportunities" featuring distinguished speakers:

Prof. Brian Rodrigues from the School of Physics

Dr. Ankur Sati from UCD School of Geography

Mr. Eoin Taaffe, Manager-UCD School of Science, Ireland

Date: 06th February 2024 (Tuesday)

Seminar Schedule:

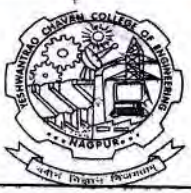

Sr. No.	Time	Particulars	Name	Topic
1	12.15 PM - 12.30 PM	Meet & Greet with the IRO & HODs of YCCE	-	-
2	12.30 PM - 01.00 PM	Guest Lecture by Prof Brian Rodrigues on Nanoscience	Prof Brian Rodrigues	Nanoscience
3	01.00 PM - 01.15 PM	Introduction of UCD & Student Life at UCD, Ireland	Mr. Eoin Taaffe Dr Ankur Sati	UCD and Breif introduction of engineering courses offered by UCD & Student Life
4	01.15 PM - 01.30 PM	Q&A Session	NA	NA

This seminar promises valuable insights into graduate admissions and international career opportunities. We encourage all students to attend and engage in the Q&A session.

Your active participation is highly encouraged. Please make a note of the schedule, and we look forward to your presence.

NOTE TO THE PRINCIPAL

Subject: Application for advanced for organizing 1 ½ -Hours Seminar on "Graduate Admission and International Career Oportunities ", on 6th February 2024

Respected Sir,

Department of Computer Technology is organizing 1 ½ -Hours Seminar on "Graduate Admission and International Career Opportunities".

The particulars for the expenditure are as follows:

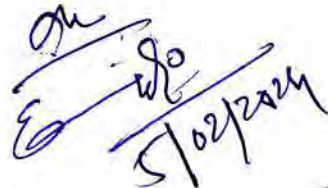

Sr. No.	Particulars	Expenditure
1	Flower Bookey	500/-
2	Water Bottle and Refreshment	500/-
	Total	Rs. 1000/- (Rs. One Thousand only)

Prof. P.S. Moon

REPORT

EVENT NAME: "Graduate Admissions & International Career Opportunities"

COORDINATOR: Prof. Ganesh Yenurkar, Prof. Pradnya S. Moon YCCE, Nagpur.

ORGANIZING BODY: ACM In association with GATE CLUB

CATEGORY: Technical

SPEAKER: Prof. Brian Rodrigues, Dr. Ankur Sati, Mr. Eoin Taaffe

SESSION: EVEN 2023-24

DATE: : 06th February 2024 (Tuesday)

NUMBER OF ATTENDEES: 73

YEAR/SEM: Students of IV Sem and VI Sem

SUMMARY

Seminar Report:

Introduction:

The Department of Computer Technology hosted a seminar on "Graduate Admissions & International Career Opportunities" on 06th February 2024. The seminar aimed to provide valuable insights into graduate admissions processes and international career prospects for students in the field of technology.

Speakers:

Prof. Brian Rodrigues (School of Physics): Prof. Brian Rodrigues delivered a guest lecture on Nanoscience from 12:30 PM to 01:00 PM. He provided a comprehensive overview of Nanoscience, highlighting its applications and significance in various industries. The lecture was engaging and informative, shedding light on cutting-edge research and advancements in the field.

Dr. Ankur Sati (UCD School of Geography) & **Mr. Eoin Taaffe** (Manager-UCD School of Science, Ireland): From 01:00 PM to 01:15 PM, Dr. Ankur Sati and Mr. Eoin Taaffe introduced the University College Dublin (UCD) and discussed student life at UCD, Ireland. They provided insights into the engineering courses offered by UCD and shared valuable information about student experiences and opportunities at the university.

Q&A Session: Following the presentations, a Q&A session was held from 01:15 PM to 01:30 PM. Attendees had the opportunity to ask questions and seek clarification on various topics discussed during the seminar. The session facilitated active participation and interaction among students, faculty, and the speakers.

Conclusion: The seminar on "Graduate Admissions & International Career Opportunities" was a resounding success, providing attendees with valuable insights into Nanoscience, opportunities at UCD, and the broader landscape of international career prospects. The event encouraged students to explore avenues for further education and career advancement, fostering a spirit of curiosity and ambition within the department.

Acknowledgment: The Department of Computer Technology extends its gratitude to Prof. Brian Rodrigues, Dr. Ankur Sati, and Mr. Eoin Taaffe for their informative presentations and valuable contributions to the seminar. Special thanks to all attendees for their active participation and engagement, contributing to the success of the event.

Future Endeavors: The department remains committed to organizing similar informative sessions and seminars in the future, aimed at empowering students with knowledge and opportunities for academic and professional growth. Stay tuned for upcoming events and initiatives!

Guest Lecture on Important Career Opportunities for Engineering Graduates

Date : 12-03-2024

Speaker: Prof. Abdul Wajid

Coordinator : Prof. A.D.Gaikwad

Topic : "Important Career Opportunities for Engineering Graduates"

Organized by: Department of Information Technology

Summary of Seminar:

A guest lecture on "Important Career Opportunities for Engineering Graduates" was delivered by Prof. Abdul Wajid to the 7th semester IT students of YCCE, with 20 students in attendance. The lecture explored various career avenues available for engineering graduates in both traditional and emerging sectors. Prof. Abdul Wajid emphasized the growing demand for engineers in fields such as artificial intelligence, data science, robotics, and renewable energy, alongside traditional engineering roles in industries like construction, manufacturing, and IT.

He also highlighted the importance of developing soft skills, adaptability, and continuous learning to thrive in an ever-evolving job market. The lecture covered topics such as preparing for technical interviews, obtaining certifications, and networking effectively to increase employability. Prof. Wajid provided detailed insights into how students can leverage internships, projects, and online courses to build a strong resume.

Additionally, Prof. Abdul Wajid discussed the significance of higher studies. The session concluded with an interactive Q&A, where students inquired about career guidance, industry expectations, and strategies for standing out in a competitive job market. Prof. Wajid encouraged students to stay proactive in seeking opportunities and reassured them that engineering opens up a wide array of fulfilling career paths, both locally and globally.

Guest Lecture on CAT MBA Examination

Date : 04 May 2024

Speaker: Prof. Deepankar Banik

Coordinator : Prof. A.D.Gaikwad

Topic : "CAT MBA Examination"

Organized by: Department of Information Technology

Summary of Seminar:

A guest lecture on the preparation for the CAT MBA examination was delivered by Prof. Deepankar Banik to the 7th semester IT students of YCCE, with 27 students in attendance. The lecture focused on the significance of the CAT exam for students aspiring to pursue management studies at top business schools like the IIMs. Prof. Deepankar Banik emphasized how a strong performance in CAT could unlock career opportunities in diverse fields, including consulting, finance, and leadership roles. He also highlighted the role of CAT in helping engineering students transition into management positions, providing them with a broader career path.

Prof. Deepankar Banik provided a detailed overview of the CAT exam structure, covering the three key sections: Quantitative Ability (QA), Verbal Ability and Reading Comprehension (VARC), and Data Interpretation and Logical Reasoning (DILR). He stressed the importance of building a strong foundation in each area and recommended that students start their preparation early. Key preparation strategies included regular practice, taking mock tests to assess performance, and focusing on time management both in studying and during the exam. Prof. Deepankar Banik also suggested useful study resources, including books and online platforms, to enhance the learning experience.

The lecture concluded with an interactive Q&A session, where students asked about balancing CAT preparation with their IT coursework. Prof. Deepankar Banik provided practical tips on managing both, emphasizing that with proper planning, success in CAT is achievable. He motivated the students to stay consistent in their efforts, stressing that a high CAT score could significantly improve their career prospects, opening doors to prestigious MBA programs and high-paying jobs in the corporate world.

Guest Lecture -2023-2024

Date : 4 January 2024

Topic : "Compiler Design"

Speaker: Dr. R. C. Dharmik.

Organized by: Amol D. Gaikwad.

Summary of Seminar:

The Guest Lecture on "**Compiler Design**" by Dr. R.C. Dharmik was held on 4th January 2024 at the Department of Information Technology. The primary goal of the session was to enhance students' knowledge of Compiler Design, a key subject in their GATE Examination.

Dr. R.C. Dharmik began the session by providing an **overview of Compiler Design**, focusing especially on quick problem-solving techniques related to the subject, as seen in GATE 2024. Dr. R.C. Dharmik delivered an in-depth explanation of Compiler Design for GATE 2024. He extensively covered essential Compiler Design topics, including the **Lexical analysis, parsing, syntax-directed translation, runtime environments, intermediate code generation, local optimisation, and Data flow analyses**, offering valuable insights for students tackling GATE questions.

The interactive nature of the lecture, with students posing thought-provoking questions, added depth to the learning experience. Final year B.E. I.T. students actively participated, and Dr. R.C. Dharmik shared valuable insights on preparing for GATE 2024, offering tips from his own experience. His engaging style of presentation inspired and excited the students, motivating them to dive deeper into the subject.

Guest Lecture -2023-2024

Date : 08 January 2024

Topic : "Operating System"

Speaker: Prof. B.U.Bawankar.

Organized by: Amol D.Gaikwad.

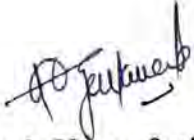

Summary of Seminar:

A guest lecture on the topic "Operating System" was held on 08.01.2024 at the Department of Information Technology. The session, conducted by Prof. B.U. Bawankar, Assistant Professor of the IT Department, focused on key concepts of Operating Systems for GATE 2024. Prof. B.U.Bawankar provided an in-depth explanation of various topics, including **system calls, processes, threads, and inter-process communication (IPC)**. He also covered essential concepts such as **concurrency, synchronization, and deadlock prevention and avoidance techniques**.

Furthermore, the lecture explored critical areas of **CPU and I/O scheduling**, including algorithms like **Round-Robin, First-Come-First-Serve (FCFS), Shortest Job First (SJF), and Priority Scheduling**. In addition, Prof. Bawankar addressed **memory management**, covering **paging, segmentation, and virtual memory**. He also explained how **file systems** work and their importance in managing storage and data retrieval.

Prof. B.U.Bawankar provided practical insights into the types of questions students may encounter in GATE 2024, focusing on common challenges and effective strategies for problem-solving. He emphasized the importance of mastering these core topics and shared key references to aid students in their preparation.

Students are encouraged to apply the concepts and strategies discussed in the lecture to strengthen their understanding and improve their performance in the Operating Systems section of GATE 2024.

SUMMARY

On October 16, 2023, Yeshwantrao Chavan College of Engineering welcomed Mr. Shashank Deshmukh, Senior Software Engineer at Commonwealth Bank and esteemed alumnus of YCCE's ETC Department, for an enlightening seminar at CCC Hall. Mr. Deshmukh, drawing from his extensive experience at Qantas and Deutsche Bank, shared invaluable insights into web development, inspiring attendees with real-world perspectives on challenges and opportunities in the field. The event, facilitated engaging interactive sessions and a Q&A segment, enabling participants to deepen their understanding of Prompt Engineering and beyond and Web Development and gain personalized advice from an industry expert. With a focus on technical aspects and opportunities for further education abroad, the seminar left an indelible mark on students, fostering a spirit of continuous learning and empowering them to navigate the evolving landscape of web development.

SUMMARY

The session on "Exploring Opportunities for Working Abroad," led by Mr. Prashant Dhopte, Product Manager at Master Card, Sydney offered attendees a comprehensive overview of the steps and considerations involved in pursuing international career opportunities. Through insightful discussions, attendees gained valuable insights into preparing for work abroad, understanding the different avenues available, and comparing the nuances of working in India versus abroad. The session also addressed concerns about reintegration after working abroad and provided valuable insights into navigating the corporate landscape, comparing experiences in established corporations versus startup environments. Overall, participants left the session equipped with practical knowledge and resources to make informed decisions about their career paths beyond borders.

Title of Event: Fundamentals for Exceling in Economics & Life

Expert Name: Tom Smahon, Adjunct Lecturer.

Organization of Expert: Singapore University of Social Science, Business and Economics Department

CATEGORY: Technical

DATE: 16/09/2023

NUMBER OF PARTICIPANTS: 37

ORGANIZERS:

IRO Head Student Co-ordinator: Rinesh Patil

IRO CSE Student Co-ordinators: Heena Dhapke

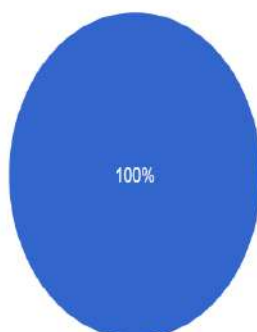

SUMMARY

The "Fundamentals for Exceling in Economics & Life" seminar, hosted by YCCE's International Relations Office (IRO) on September 16, 2023, was a remarkable event that delved into the intricacies of economics and its real-world applications. Renowned economist Tom Smahon Ho-Way served as the keynote speaker, bringing a wealth of expertise to the virtual platform. The seminar covered essential topics, including entrepreneurship, innovation, market structures, and cost curves, catering to both economics majors and the intellectually curious. It was a dynamic platform for enriching discussions, valuable connections, and profound insights, fostering a sense of community among participants. The event exemplified YCCE's commitment to providing quality educational experiences and opportunities, leaving attendees with a deeper understanding of economics and its relevance in both academic and everyday life.

FEEDBACK

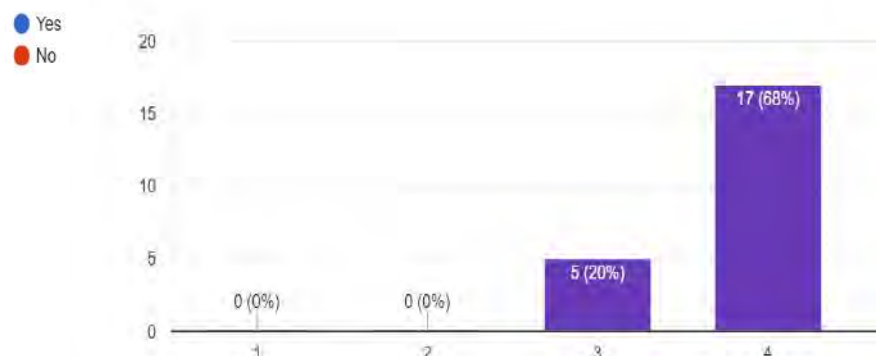

Did the event meet your expectations?

25 responses

How engaging was the speaker's presentation style? (1 - Not engaging at all, 5 - Very engaging)
