## Department of Computer Technology

### Vision of the Department

To be a well-known center for pursuing computer education through innovative pedagogy, value-based education and industry collaboration.

### Mission of the Department

To establish learning ambience for ushering in computer engineering professionals in core and multidisciplinary arena by developing problem-solving skills through emerging technologies.

To,

The HOD,

Computer Technology Department, YCCE

### Subject: Request for Attendance Grant to Students Engaged in Blood Donation Camp

Respected Mam,

On **July 19, 2023**, with great enthusiasm, the Computer Technology Department organized a Blood Donation Camp. During the camp, the members of the Computer Technology Student Council (CTSC) and student of Computer Technology Department played a vital role in managing various aspects of the event. Due to which they had missed their lecture. So, I request that attendance be granted to the following students who participated in the Blood Donation camp:

Their presence was crucial for the event's success and teamwork experience.

Names of students:

### Attendance to consider for whole day.

## REPORT ON "BLOOD DONATION CAMP"

**Organizing Body** → Computer Technology Student Council (CTSC)

**Event Name** → Blood Donation Camp

**Coordinator** → Prof. Supriya Thombre and Prof. Charvi Suri

**Date** → 19/07/2023

**Session** → 2023-2024

**Number of participants** → 112 donors

**Resource Bank** → Ayush Blood Center and Component Lab

**Venue** → CCC Building, YCCE.

### **Summary**

A Blood Donation Camp was organized by the Department of Computer Technology on 19th July 2023 in affiliation with Ayush Blood Center and Component Lab. The camp took place at the ground floor in the CCC building YCCE. Refreshments were provided to those who have donated blood by the department. Many students, college staff participated in this blood donation camp with Goodwill. The donors were given certificates and a one-year no-fee affiliation for access to blood in case they or their family members needed it.

## DEPARTMENT OF ELECTRICAL ENGINEERING PRAYAAS - NAYE KAL KA SCHOOL KIT DONATION DRIVE

Date: 25/8/2023

Team PRAYYAS- NAYE KAL KA, the social club of Electrical Department held a school kit donation drive at Rashtriya Shikshan Pratishthan Sanstha's Dnyan Jyoti Andh Vidyalaya, Nagalwadi, Nagpur, on 25/8/2023. The campaign was named as "Vision for Hope". The aim behind this drive was to empower young minds for a bright future.

The initiative involved a comprehensive approach to identify, assess, and cater to the specific needs of blind students in educational institutions. The donation included colors, notebooks, chocolates, reading sheets for visual impaired and other stationery. Team Prayaas talked, laughed, and played games with the resident students. The students showed their talent by singing and playing instruments. Prayaas has exemplified the transformative power of inclusive initiatives in shaping a more equitable educational landscape. As we celebrate these achievements, we thank our donors who have supported us in promoting inclusivity and empowering individuals with visual impairments.

The total volunteers involved for the drive were 23.

### REPORT

**EVENT NAME:** Donation Drive on Sanitary napkin and Drawing Book (Saushraya)

**ORGANIZING BODY:** COSMOS

**ORGANIZERS:** CSE Forum (C.O.S.M.O.S)

**CATEGORY:** Non-Technical

**SESSION:** ODD 2023-24

**DATE:** 26/08/2023

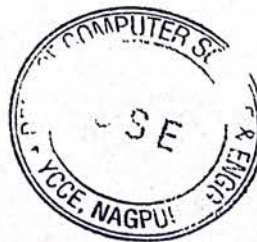

**NUMBER OF PARTICIPANTS:**

**FACULTY COORDINATOR:** Mrs. Pratibha P. Waghale

**YEAR/SEM:** [DEPT. OF CSE]

### SUMMARY

The Department of Computer Science and Engineering YCCE conducted a Social Activity on "Donation Drive on Sanitary napkin and Drawing Book (Saushraya)". The event was successfully organized by the COSMOS and was jointly executed by all the coordinators present. At the event Saushraya with Youth for Seva organization, we shared the importance of hygiene, donated quality pads to women, and spread the joy of creativity with kids by donating drawing kits. Miss. Naincy Pande and Miss. Vaidehi Narkhede provided information about menstrual hygiene to the women at the event. Our sponsors Free Ways Sanitary Napkins by Krusan Industries had provided us the sanitary napkins at a bare minimum price.

To,  
The Secretary  
Youth For Seva,  
Omkar Nagar  
Nagpur 440027  
Date: 26th Aug 2023

Subject: Request for Permission to conduct menstruation awareness and hygiene program.

Respected Sir/Ma'am,

The goal of the program is to provide girls with comprehensive information on menstrual health, hygiene practices, and menstrual self-care during menstruation. Our objective is to provide a secure and open place for the girls to study, discuss, and become more aware about menstrual cycles.

Details of the seminar are as follows:

Date: 26 Aug 2023

Time: 4 pm

Duration: 2 hours

We kindly request your permission to involve boys in the event management and photography roles. Furthermore, we would appreciate it if you could inform us of any limitations on the number of people who may attend from our end.

We believe that this program would help girls understand menstruation and hygiene better. Your assistance in making this event succeed is highly appreciated.

Thank you for considering our proposal. We eagerly await for your response.

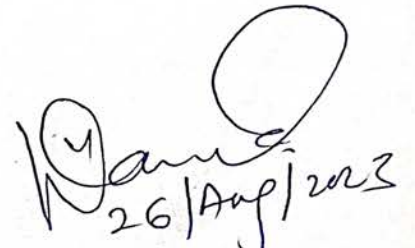

Sincerely

Please Permit

## DEPARTMENT OF ELECTRICAL ENGINEERING PRAYAAS - NAYE KAL KA TEACHER'S DAY CELEBRATION

Date:05/09/2023

Team PRAYAAS – NAYE KAL KA (Social club) of Electrical department of YCCE has successfully celebrated Teacher's day at department of electrical engineering YCCE in Nagpur on the occasion of teachers day under the guidance of student activity in-charge of department Prof. Vaibhaw Doifode. The drive was specially organized for the beloved teachers of our department who sincerely and passionately teaches the student the way to achieve their goals and fulfil their dreams in their life.

The festivities began with a sweet gesture - a delicious cake, its aroma filling the room with warmth. Each teacher was presented with a pen and chocolates. But the true highlight was the heartfelt expressions of gratitude from each student. As the celebration reached its peak, our teachers shared life lessons gleaned from their experiences, reminding us of the importance of perseverance, empathy, and the pursuit of knowledge. Their words resonated with a powerful echo, leaving an indelible mark on our hearts and minds. 20 volunteers were involved in the organization of the event.

**BLOOD DONATION CAMP**

Date: 12-09-2023

**Summary Report**

Date: 12 Sept 2023

Camp By - Ayush Blood Bank., Nagpur.

Manager: Mr Sanjay K. Baragawane, Nagpur.

Organized by: Department of Information Technology

**Summary:**

Department of Information Technology organized Blood Donation Camp under the banner of AURA (a social forum for students) on Tuesday, 12 Sept 2023 in association with Ayush Blood Bank, Nagpur. The venue for the camp was ground floor, Information Technology Department, YCCE, Nagpur.

There was an overwhelming response from students and other donors, around 84 students from various institutions across the city participated willingly for the same. A total of 53 units were collected in the camp. A Certificate of appreciation, donation card, refreshment was given to each donor as a token of gratitude.

The event started at 09:00am in the morning and was inaugurated by HoD, IT Department, Prof. R. C. Dharmik, by cutting the ceremonial ribbon. The event was coordinated by Prof. Amol D Gaikwad, Asst. Prof. IT Department.

The Blood Donation Camp concluded at 06:00pm in the evening with full of enthusiasm and zeal.

Report on Blood donation Camp

Date: 14/9/2023

Venue: ET 325

**Introduction:** A blood donation camp was organized at Department of Electronics Engineering on 14/9/2023 with the aim of promoting voluntary blood donation and addressing the ongoing blood shortage in hospitals. The camp provided an opportunity for individuals to contribute to a noble cause and save lives through their donations. Total 108 donors donated blood.

**Key Highlights:**

1. **Registration and Screening:** The camp commenced with the registration of donors, where personal details and medical history were recorded. Subsequently, each donor underwent a thorough medical screening to ensure eligibility for blood donation. Vital parameters such as hemoglobin levels, blood pressure, and pulse rate were assessed to ascertain donor suitability.
2. **Donor Education:** Prior to blood donation, donors received comprehensive education regarding the importance of blood donation, the donation process, and post-donation care. Information on the significance of regular blood donations in meeting the transfusion needs of patients, particularly those undergoing

**PRAYAAS.... NAYE KAL KA**  
BLOOD DONATION CAMP

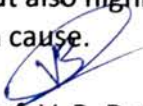

Date:12/09/2023

**PRAYAAS**, the esteemed social club of Yeshwantrao Chavan College of Engineering (YCCE), organized a commendable **Blood Donation Camp** within the premises of the Electrical Department. This initiative aimed to contribute to the noble cause of saving lives through voluntary blood donation.

The Blood Donation Camp in the Electrical Department turned out to be a resounding success. The collective efforts of PRAYAAS and the active participation of the YCCE community resulted in a significant number of blood donations. This not only contributed to the immediate needs of local hospitals but also fostered a sense of community responsibility among the participants.

In conclusion, the Blood Donation Camp organized by PRAYAAS in the Electrical Department of YCCE exemplifies the power of collective action for a noble cause. The event successfully educated and engaged the YCCE community in the spirit of altruism, leaving a lasting impact on the participants and the broader community. We are proud to announce that a remarkable total of 100 people, including students, faculty, and staff, contributed to the success of the camp by selflessly donating blood. Such a significant turnout not only reflects the generosity of the YCCE community but also highlights the potential for positive change when individuals come together for a common cause.

## Department of Electronics & Telecommunication Engineering

**Event Date :Blood donation Camp**

**Date: 14/9/2023**

**Venue: ET 325**

**Introduction:** A blood donation camp was organized at Department of Electronics & Telecommunication Engineering on 14/9/2023 with the aim of promoting voluntary blood donation and addressing the ongoing blood shortage in hospitals. The camp provided an opportunity for individuals to contribute to a noble cause and save lives through their donations. Total 108 donors donated blood.

**Key Highlights:**

1. **Registration and Screening:** The camp commenced with the registration of donors, where personal details and medical history were recorded. Subsequently, each donor underwent a thorough medical screening to ensure eligibility for blood donation. Vital parameters such as hemoglobin levels, blood pressure, and pulse rate were assessed to ascertain donor suitability.
2. **Donor Education:** Prior to blood donation, donors received comprehensive education regarding the importance of blood donation, the donation process, and post-donation care. Information on the significance of regular blood donations in meeting the transfusion needs of patients, particularly those undergoing.

## DEPARTMENT OF CIVIL ENGINEERING

### Blood Donation Camp Report

**Event:** Blood Donation Camp

**DATE:**

**Date:** September 20<sup>th</sup>, 2023

**Location:** Yeshwantrao College of Engineering, Nagpur

**Organizer:** Association of Civil Technocrats (ACT), Civil Engineering Department, in collaboration with The Ayush Blood Center, Dhantoli, Nagpur

#### **Overview:**

The Blood Donation Camp organized by the **Association of Civil Technocrats (ACT)**, Civil Engineering Department, IEI Students Chapters, ASCE Students Chapters under the aegis of IQAC, YCCE on **September 20<sup>th</sup>, 2023** received an outstanding response from donors. In collaboration with The Ayush Blood Center, Dhantoli, Nagpur, this event played a significant role in addressing the constant need for blood in healthcare facilities.

**Blood Donation camp in lab**

**Organizing team of blood donation camp**

**Participant Response:**

The event witnessed an impressive turnout, with 68 participants enthusiastically donating blood. The donors' eagerness to contribute to this noble cause was commendable and demonstrated their deep commitment to saving lives through voluntary blood donations. Following is the list of donors.

**Participants donating blood**

#### **Efficient Management:**

The success of the event can be attributed to efficient planning and execution. The organizers ensured a streamlined registration process, thorough medical screening, and a comfortable and safe environment for the donors. The team from The Ayush Blood Center displayed professionalism and expertise in collecting and preserving the donated blood.

#### **Community Impact:**

The impact of this blood donation camp extends far beyond the event itself. The blood collected will play a crucial role in supporting healthcare facilities and patients in need, ultimately making a significant difference in the community's health and well-being.

#### **Acknowledgments:**

We extend our heartfelt appreciation to all the donors who selflessly contributed to this event. Their generous acts will undoubtedly save lives and leave a lasting impact on those in need.

We would like to express our gratitude to The Ayush Blood Center for their collaboration and dedication to the cause of blood donation. Their partnership was instrumental in the success of this event.

#### **Conclusion:**

The Blood Donation Camp organized by the Association of Civil Technocrats (ACT), Civil Engineering Department at Yeshwantrao College of Engineering on September 20<sup>th</sup>, 2023 was an exceptional success. It underscored the strength of community spirit and the willingness of individuals to make a meaningful difference through blood donation. It is our hope that such initiatives will continue to thrive, ensuring a steady and reliable supply of blood for medical emergencies.

We eagerly anticipate future collaborations and the opportunity to save more lives through similar events.

## DEPARTMENT OF CIVIL ENGINEERING

---

Date: - 20/09/2023

### NOTICE

III, V, VII Sem. B.Tech. Civil

M.Tech (Structures & Environment)

All the students of Btech (III, V, VII Sem) & M.Tech (Structures & Environment) are hereby informed that there is **One Day Blood Donation Camp** being organized in Civil Engineering Department on **Wednesday 20th September 2023** in Room No. CE-SH-01 at 10:00 am.

All the interested students are requested to donate blood for the cause.

Dr. S.P. Raut  
Head, CE Dept, YCCE

# Blood Donation Feedback

The Purpose of this survey is to assess the quality of above mentioned event organised in the academic programme. The usefulness of this survey depends on the thoughtful responses of those who are asked to complete it. Your participation is very important and greatly appreciated.

## REPORT

**Event Name:** Nirmalya Collection Drive

**Organizing Body:** CTSC

**Coordinator:** Prof. Supriya Thombre, Prof. Kalyani Karule

**Category:** Non-Technical

**Session:** 2023-2024

**Date:** 28-09-23

**Number of Participants:** 12

### **Summary:**

The Department of Computer Technology organized a "NIRMALYA" Collection Drive in association with NSS and Rotaract, YCCE on the occasion of Anant Chaturthi, September 28, 2023. During the Ganesha festival, devotees often tend to immerse offerings along with the idol of Lord Ganesha during the Visarjan. This practice leads to severe pollution of water bodies. In order to prevent harm to these water bodies, our department decided to conduct a Nirmalya collection drive. A total of 12 volunteers were present from our department, which was further divided into groups of four. They visited various water bodies in the city and ensured the collection of offerings from the devotees. The collected items were disposed of without causing any pollution, and the sentiments of the devotees were carefully taken into consideration. Our small effort indeed played a crucial role in saving the water bodies from pollution.

**Yeshwantrao Chavhan College of Engineering  
The Institution of Electronics and Telecommunication Engineers (IETE)**

**Report  
(Tree Plantation Drive )**

**Date : 30.09.2023**

**Event Name:** Tree Plantation Drive

**Date and Time:** 30.09.2023

**Location:** Anandvan

**Number of Participants:** 7

**Faculty Coordinator:** Dr. S. A. Dhondse

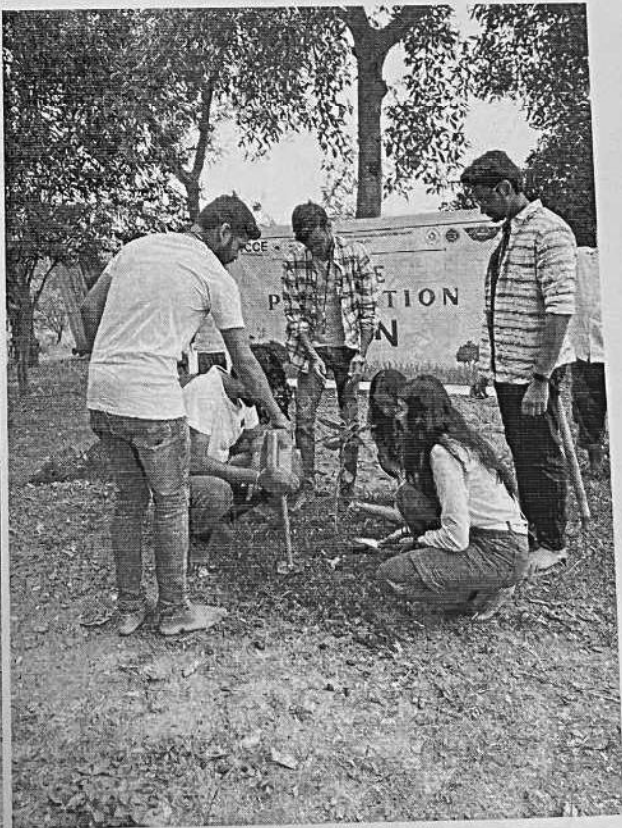

**Details:**

The Electronics Engineering Students Association organized a Tree Plantation Drive at Anandvan, aimed at promoting environmental conservation and raising awareness about the importance of trees in our ecosystem. The event saw enthusiastic participation from students, faculty members, and local volunteers. To contribute to environmental sustainability by planting trees, To educate participants about the significance of trees in maintaining ecological balance, To foster a sense of responsibility towards environmental stewardship among the participants, This was the objective of this program.

Participants gained a deeper understanding of the environmental challenges facing our planet and the role individuals can play in addressing them. The event served as a platform for networking and collaboration among students, faculty, and the local community, paving the way for future environmental initiatives. The Tree Plantation Drive at Anandvan organized by the Electronics Engineering Students Association was a resounding success, reaffirming the commitment of the youth towards environmental sustainability. Through collective action and awareness-building efforts, we can strive towards a greener and healthier future for generations to come.

## Report of itechRoots13.0 Event – VALORANT

**Date: 11-10-23**

**Organized by: Department of Information Technology**

**No of participants: 27**

### Summary:

Department of Information Technology, YCCE Nagpur has organized Two days National level Technical Fest "iTECHROOTS 13.0" during 11<sup>th</sup> – 12<sup>th</sup> 2023 under the banner of SPIRIT - Computer Society of India (CSI), New Delhi.

The convener of the Technical Fest was Dr. Rajesh Dharmik , Head of Information Technology Department. The Technical Fest was coordinated by Prof. Amol Gaikwad and Prof. Swapna Kamble.

Valorant is a team-based first-person tactical hero shooter set in the near future. Players play as one of a set of Agents, characters based on several countries and cultures around the world. In the main game mode, players are assigned to either the attacking or defending team with each team having five players on it. Valorant is an online multiplayer computer game, produced by Riot Games. It is a first-person shooter game, consisting of two teams of five, where one team attacks and the other defends. Players control characters known as 'agents', who all have different abilities to use during gameplay. The game's matchmaking system automatically groups players of similar skill together.

## Report of itechRoots 13.0 Event – BOX CRICKET

**Date: 12-10-23**

**Organized by: Department of Information Technology**

**No of participants: 26**

### Summary:

Department of Information Technology, YCCE Nagpur has organized Two days National level Technical Fest “iTECHROOTS 13.0” during 12<sup>th</sup> October 2023 under the banner of SPIRIT - Computer Society of India (CSI), New Delhi.

The convener of the Technical Fest was Dr. Rajesh Dharmik , Head of Information Technology Department. The Technical Fest was coordinated by Prof. Amol Gaikwad and Prof. Swapna Kamble.

Web designing Jam is essential to the internet as we know it. Learn what this activity involves, the main reasons why it is important, and the necessary skills to achieve quality. By using HTML code to program websites and CSS to standardize its visual language, web design professionals are responsible for building digital experiences to be used by the public. The aim is to deliver a quality experience to the audience and help the business reach its goals.

As such, a web designing jam is a professional that acquires the necessary skills to perform this job. Those might be specialized in specific web design fields, ranging from website creation to mobile app development.

The Web Designing competition “Arm Wrestling” was held on 12<sup>th</sup> October 2023 in the college. The event had 2 round and the winners were declared according to their performance. 26 students participated in the event and all were from YCCE and different colleges.

In the first round the participants were provided with 2 templates and they were supposed to create the same web page. In second round they were supposed to create a responsive website. The top web designer was given prizes and others got a certificate of participation.

## Report of itechRoots13.0 Event – ARM WRESTLING

**Date: 11-10-23**

**Organized by: Department of Information Technology**

**No of participants: 19**

### Summary:

Department of Information Technology, YCCE Nagpur has organized Two days National level Technical Fest "iTECHROOTS 13.0" during 11<sup>th</sup> – 12<sup>th</sup> 2023 under the banner of SPIRIT - Computer Society of India (CSI), New Delhi.

The convener of the Technical Fest was Dr. Rajesh Dharmik , Head of Information Technology Department. The Technical Fest was coordinated by Prof. Amol Gaikwad and Prof. Swapna Kamble.

### **Arm wrestling**

Arm wrestling (also spelled armwrestling) is a sport with two opponents who face each other with their bent elbows placed on a table and hands firmly gripped, who then attempt to force the opponent's hand down to the table top ("pin" them). The sport is often casually used to demonstrate the stronger person between two or more people. Arm wrestling is an ancient sport that was revived in the 1950s in the United States. In September 1962, the first world wrestling championship was held in Petaluma, California, as this wrestling was called (literally, "wrist wrestling").

**Summary:**

Department of Information Technology, YCCE Nagpur has organized Two days National level Technical Fest “iTECHROOTS 13.0” during 12<sup>th</sup> October 2023 under the banner of SPIRIT - Computer Society of India (CSI), New Delhi.

The convener of the Technical Fest was Dr. Rajesh Dharmik , Head of Information Technology Department. The Technical Fest was coordinated by Prof. Amol Gaikwad and Prof. Swapna Kamble.

Beat Your Mark (BYM) provides a social media and application platform for all athletes seeking a vertically focused environment around their sporting activities from social to competitive raining for events, as well as managing their equipment, and their latest rankings. What makes BYM different from other services/platforms/applications currently in the marketplace, is its vertical focus around athletes activities both for amateurs and professionals in multidisciplinary sports, while bringing in all stakeholders, such as trainers, event organizers and even equipment manufactures, who are all part of an athletes environment.

## Report of itechRoots Event13.0 – BGMI

**Date: 12-10-23**

**Organized by: Department of Information Technology**

**No of participants: 10 Teams (4 player each)**

### Summary:

Department of Information Technology, YCCE Nagpur has organized Two days National level Technical Fest "iTECHROOTS 13.0" during 12<sup>th</sup> October 2023 under the banner of SPIRIT - Computer Society of India (CSI), New Delhi.

The convener of the Technical Fest was Dr. Rajesh Dharmik , Head of Information Technology Department. The Technical Fest was coordinated by Prof. Amol Gaikwad and Prof. Swapna Kamble.

Battlegrounds Mobile India (BGMI), previously known as PUBG Mobile India, is a version of PUBG Mobile, available in India. It is an online multiplayer battle royale game by Krafton. The game was initially released on 2 July 2021 for Android devices, and on 18 August 2021 for iOS devices. There are two official tournaments in a calendar year in BGMI, held by Krafton India Esports. The first is BGMI India Series (BGIS) and the later one is BGMI Pro Series (BMPS).

As of July 2022, BGMI surpassed 163 million downloads on the Google Play Store. The game was banned in India on July 28, 2022, by the Indian government. According to a statement from Krafton, the ban was removed on May 26, 2023.

## Report of itechRoots13.0 Event – OPEN MIC

**Date: 11-10-23**

**Organized by: Department of Information Technology**

**No of participants: 21**

### Summary:

Department of Information Technology, YCCE Nagpur has organized Two days National level Technical Fest "iTECHROOTS 13.0" during 11<sup>th</sup> – 12<sup>th</sup> 2023 under the banner of SPIRIT - Computer Society of India (CSI), New Delhi.

The convener of the Technical Fest was Dr. Rajesh Dharmik , Head of Information Technology Department. The Technical Fest was coordinated by Prof. Amol Gaikwad and Prof. Swapna Kamble.

Open mics provide an opportunity for emerging musicians to gain experience performing to a live audience without having to go through the process of getting normal music gigs, which is very difficult to do without experience or a demo recording. They provide an outlet for singer-songwriters.

The event was conducted in order to provide a platform, to all the students for showcasing their performing skills and expressing their thoughts in their preferred languages, in front of a huge crowd filled with their peers and guides. It was an event where students from all over the University were given a chance to present their talent, confidence, personality etc. on stage

## Report of itechRoots Event 13.0 – Atrangi

**Date: 12-10-23**

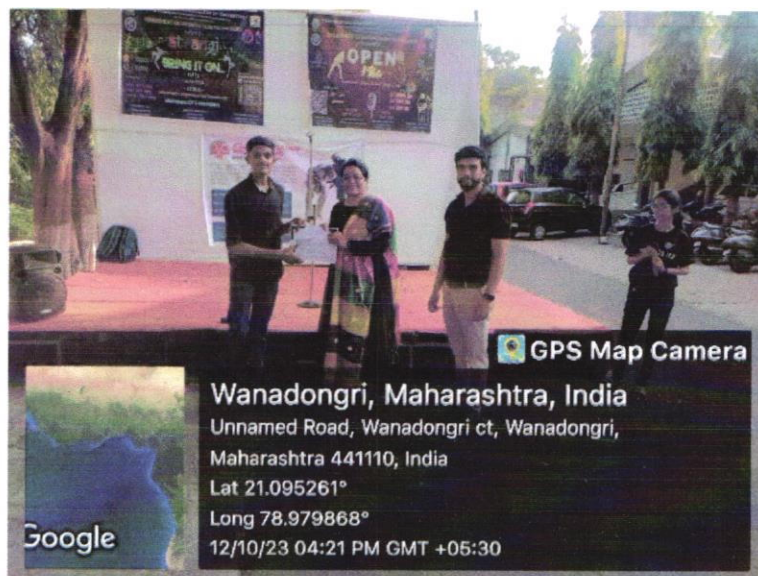

**Organized by: Department of Information Technology**

**No of participants: 15**

### Summary:

Department of Information Technology, YCCE Nagpur has organized Three days National level Technical Fest "iTECHROOTS 13.0" during 11 Oct – 13<sup>th</sup> Oct 2023 under the banner of SPIRIT - Computer Society of India (CSI), New Delhi.

In iTECHROOTS 13.0,"Atrangi-Talent Hunt" Each participant has to perform before the judges, whereupon they are given 90 seconds to demonstrate their act, with a live audience present for all performances. At the end of a performance, the judges give constructive criticism and feedback about what they saw, whereupon they each give a vote - a participant who receives a majority vote approving their performance, moves on to the next stage, otherwise they are eliminated from the show at that stage.

## Report of itechRoots Event – Chess

**Date: 11-10-23**

**Organized by: Department of Information Technology**

**No of participants: 70**

### Summary:

Department of Information Technology, YCCE Nagpur has organized Two days National level Technical Fest “iTECHROOTS 13.0” during 11<sup>th</sup> – 13<sup>th</sup> October 2023 under the banner of SPIRIT - Computer Society of India (CSI), New Delhi.

CHES is a game for 2 players each of whom moves 16 pieces according to fixed rules across a checkerboard and tries to checkmate the opponent's king.

Chess is one of the oldest board games in the world, and also one of the most popular. Whether you want to learn chess to play casual games with your friends or to enter competitions, in this article you can learn all the information you need to know about the royal game.

The convener of the Technical Fest was Dr. Rajesh Dharmik , Head of Information Technology Department. The Technical Fest was coordinated by Prof. Amol Gaikwad .

The chess competition “chess Arena” was held on 11<sup>th</sup> October 2023 in the college. The event had 1 round and the winners were declared according to the votes. 70 students participated in the event and all were from YCCE and different colleges.

The top chess players were given prizes and others got a certificate of participation.

## FUTSAL

### Report of itechRoots13.0 Event – Futsal

**Date:** 11<sup>th</sup> – 12<sup>th</sup> October 2023

**Organized by:** Department of Information Technology

**No of Participants:** 37

#### Summary:

Department of Information Technology, YCCE Nagpur has organized Two days FutSal "iTECHROOTS 13.0" during 11<sup>th</sup> – 12<sup>th</sup> October 2023 .

Futsal is the FIFA-recognised form of small-sided indoor football. It is played between two teams who each have five players on the pitch at any one time, with rolling substitutes and a smaller ball than soccer that is harder and less bouncy.

The small amount of space means players must have great technique and skill, and as well as a professional sport in its own right with national and international championships, it is also considered a development tool for 11-a-side football.

The convener of the Technical Fest was Dr. Rajesh Dharmik , Head of Information Technology Department. The Technical Fest was coordinated by Prof. Amol Gaikwad .

The Football competition "FutSal" was held on 11<sup>th</sup>– 12<sup>th</sup> October 2023 in the college. The event had 4 rounds – Knockouts Quarter-Finals , Semi-finals and Finals and the event head and co-head were the referee of the event. 10 Teams participated in the event and couple of them were from YCCE and rest were from other colleges. The FutSal competition was organized on Hostel Basketball Court from 11 A.M. On 1<sup>st</sup> day Knockouts were played . Quarters , Semis and Finals were played on Next Day.

Summary Of Rules & Time :

There were two half's of 10 minutes each with time stopping at every dead ball. Between the two half's there was a break of 5 minutes.

#### **Number of Players :**

There were five players for each time in the team , with no Goalkeeper , and a Maximum of 2 Substitutes Deciding A Winner :

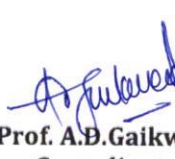

The team with the Maximum number of goals at the end of 20 minutes was declared as a winner . In case of tie the Winner was decided from penalty kicks.

Winners : Advast Kanoo , Anmol Srivastav

Runner-ups : (Jaj) Badjate , Nomah Agrawal

**Event Name :** Carrom Hub

**Date :** 12<sup>th</sup> October 2023

**Organizers :** Sawari Dhok

Durgesh Dhanvijay

### Introduction:

Carrom event was organized under the technical events of ELECTRRICA 23.0. The event started at about 11:00 am. Followed by the short introduction of the event discussing the rules and regulations. It is a tabletop game which resembles snooker or billiards. Carrom is played by propelling discs and potting them into the four corner pockets on a wooden playing board.

The objectives of the event were to:

- The carrom board game helps to mould the player into a better individual.
- Increased attention, sharpness, focus & foresight.

We were pleased to see a great no. of registrations. Many of the 1<sup>st</sup> year students and other branches students also participated since the event was held in offline mode. The no. of participants were around 25. They were from over the colleges of Nagpur.

The competition was a development competition to assess the participants' focus and attention.

The guidelines and criteria for the competition were:

- Only two participants can play on one board at a time.
- We had arranged two carrom boards.
- The participant who score high points will win that round and qualified for the next round.
- Second round were held between the winners of first round and the winner of second round will qualified for final round.
- The last round results into winner and runner up of the game.

### Department of Electrical Engineering

**Event Name :** Arm wrestling

**Date :** 12<sup>th</sup> October 2023

**Organizers :** Chetan Meharkure  
Sanket Bangade

#### Introduction:

Arm Wrestlemania 2023, a thrilling event, found its place under the vibrant umbrella of ELECTRRICA 23.0, spearheaded by the enthusiastic organizers, Chetan and sanket. Taking charge of the technical events, I curated a gripping arm wrestling competition that had participants eagerly flexing their muscles. The event kicked off with an electrifying atmosphere at 10:45 am.

We, who assumed the role of both the brain and brawn behind Arm Wrestlemania 2023, welcomed the participants with contagious energy. A quick briefing on the rules and regulations set the tone for the intense battles that were about to unfold. The participants, a diverse mix of students from various years and colleges in Nagpur, including the likes of Shri Ramdeobaba College of Engineering and G.H. Rasoni College, added a competitive spirit to the event.

The objectives of the event were clearly defined:

- To promote physical fitness and strength among students.
- To provide a platform for friendly competition and camaraderie.
- To encourage sportsmanship and fair play.

The response was overwhelming, with a remarkable number of participants registering for the event. Both novices and seasoned arm wrestlers showcased their prowess in a bid to emerge victorious. The competition, held in both online and offline modes, attracted a **total of 30 enthusiastic participants**.

The guidelines and criteria for the competition were as follows:

- All participants must adhere to fair play and sportsmanship.
- The matches were conducted in a knockout format.
- The winner was determined based on strength, technique, and overall performance.

The matches were a spectacle, with cheers and applause echoing through the venue as each participant displayed their might. The event not only served as a platform for showcasing physical strength but also fostered a sense of unity and sportsmanship among the participants.

In the end, I am, the architect of Arm Wrestlemania 2023, expressed satisfaction at the success of the event and the positive energy it brought to ELECTRRICA 23.0. The winners were lauded not only for their physical prowess but also for embodying the spirit of fair competition.

## Report of itechRoots 13.0 Event – PhotoArena

**Date: 11-10-23**

**Organized by: Department of Information Technology**

**No of participants: 22**

### Summary:

Department of Information Technology, YCCE Nagpur has organized Two days National level Technical Fest “iTECHROOTS 13.0” during 11<sup>th</sup> – 12<sup>th</sup> 2023 under the banner of SPIRIT - Computer Society of India (CSI), New Delhi.

The aims of Arena are to promote the highest standards of photography, to encourage print-making, to show and discuss new work and new photographers, to invite speakers who excel in their photographic and artistic fields and to promote constructive debate. Photo Arena is a smartphone photography is all about collecting photons (light) and converting them into electrons (image).

The convener of the Technical Fest was Dr. Rajesh Dharmik , Head of Information Technology Department. The Technical Fest was coordinated by Prof. Amol Gaikwad and Prof. Swapna Kamble.

The photography competition “Photo Arena” was held in the college. The event had 1 round and the winners were declared according to the votes. 22 students participated in the event and all were from YCCE and different colleges.

**The top 2 photographers were given prizes and others got a certificate of participation.**

- **Winner – Malay Lokhande**
- **Event head – Miss. Sharwari Khedikar**

## Report of itechRoots 13.0 Event – TREASURE HUNT

**Date: 11-10-23**

**Organized by: Department of Information Technology**

**No of participants: 83**

### Summary:

Department of Information Technology, YCCE Nagpur has organized Two days National level Technical Fest “iTECHROOTS 13.0” during 11<sup>th</sup> – 12<sup>th</sup> 2023 under the banner of SPIRIT - Computer Society of India (CSI), New Delhi.

The convener of the Technical Fest was Dr. Rajesh Dharmik , Head of Information Technology Department. The Technical Fest was coordinated by Prof. Amol Gaikwad and Prof. Swapna Kamble.

Treasure Hunt is a game in which each person or team attempts to be first in finding something that has been hidden, using written directions or clues.

Treasure hunts are a fun and easy way to enjoy time with your kids, strengthen your staff through team building, or enjoy time with friends and family. Competition encourages teams to work together or individuals to think creatively and build resourcefulness.

## Department of Electrical Engineering

**Event Name :** BOX CRICKET

**Date :** 13<sup>th</sup> October 2023

**Organizers :** Siddhesh Mandavgade  
Deepesh Pardhi  
Mohteshim Shaikh

### Introduction:

Box Cricket was organized under the technical events of ELECTRRICA 23.0. The event started at about 11:00 pm. The entry fee for this event was RS 700. Location for this event was the basketball ground near VIVEKANANDA Boys Hostel. Winner of the event got the amazing prize money of RS 1500 and the runners up got the whopping prize money of RS 1000.

There were many participants from all the different departments, colleges in YCCE campus like pharmacy, ayurvedic etc.

The guidelines and criteria for the competition:

1. Each team must consist of 7 players.
2. Every player of each team must have a proper ID proof of the respective college if not the whole team would be disqualified.
3. The single inning of a match was played of 5 overs except semifinal and finals.
4. Every member of the team would obey the Umpires decision.

### List of Participants

## Department of Electrical Engineering

**Event Name :** BGMI

**Date :** 13<sup>th</sup> October 2023

**Organizers :** Sumedh Jadhao  
Sangharsh Ilme

### Introduction:

BGMI 2023, a thrilling event, found its place under the vibrant umbrella of ELECTRRICA 23.0, spearheaded by the enthusiastic organizers, Sumedh and Sangharsh. Taking charge of the technical events, I curated a Room Card in BGMI competition. The event kicked off with an electrifying atmosphere at 10:45 am.

The response was overwhelming, with a remarkable number of participants registering for the event. The competition, held in both online and offline modes, attracted a total of 30 enthusiastic Team.

The guidelines and criteria for the competition were as follows:

- All participants must adhere to fair play and sportsmanship.
- The matches were conducted in a knockout format.
- The winner was determined based on final Round.

The matches were a spectacle, with cheers and applause echoing through the venue as each participant displayed their might..

In the end, I am, the architect of BGMI2023, expressed satisfaction at the success of the event and the positive energy it brought to ELECTRRICA 23.0.

## REPORT

**EVENT NAME:** Social Outreach Program at Sukali

**ORGANIZING BODY:** Yeshwantrao Chavan College of Engineering

**CATEGORY:** Social Outreach

**MODE:** Offline

**SESSION:** 2023-24

**DATE:** 12/01/2024

## SUMMARY

On January 12, 2024, the Heads of the Department from the various departments of Yeshwantrao Chavan College of Engineering, including Dr. M.S. Narlawar, Dr L.B. Damahe, Dr R D. Thakare, Dr. S.G Kadwane, Dr .R.C. Dharmik, among others, visited the village of Sukali as part of our social outreach program.

This program is an integral component designed to bridge the gap between academic learning and real-world social challenges and to enrich the lives of the local community. The primary objective of this visit was to engage with the local community, understand their needs, and provide support to the locals. Sukali, a small village located less than 10 kilometers from our college, has been facing several developmental challenges, including inadequate educational facilities, limited access to healthcare, and poor sanitation infrastructure.

Through this initiative, the college sought to make a tangible impact on the lives of the villagers while enriching educational experience.

## Department of Computer Technology

---

### **Vision of the Department**

To be a well-known center for pursuing computer education through innovative pedagogy, value-based education and industry collaboration.

### **Mission of the Department**

To establish learning ambience for ushering in computer engineering professionals in core and multidisciplinary arena by developing problem-solving skills through emerging technologies.

---

## **REPORT**

**Event Name:** Donation Drive

**Organizing Body:** Department of Computer Technology ,CTSC

**Coordinator:** Prof. Supriya Thombre, Prof. Kalyani Karule

**Category:** Social Activity

**Session:** 2024-2025

**Date:** 13 JAN 2024

**Venue:** Yeshwant Stadium, Nagpur

**Time:** 4.45 PM onwards

### **Summary:**

The Department of Computer Technology is set to host a Social Activity event, the "Donation Drive," during the 2024-2025 session. Organized by Prof. Supriya Thombre and Prof. Kalyani Karule, the event is scheduled for 13 JAN 2024, at Yeshwant Stadium, Nagpur, starting from 4.45 PM onwards. This drive aims to unite the academic community for a charitable cause, encouraging participants to contribute various items, from clothing to educational materials.

Coordination efforts promise a seamless execution, emphasizing the importance of community welfare through active participation in this philanthropic endeavor. Our small effort indeed played a crucial role in donation.

**(Donation drive for Children Divyang center)**

**Date : 23.03.2024**

**Event Name:** Donation drive for Children Divyang center

**Date and Time:** 23.03.2024

**Location:** Matru seva sangh

**Number of Participants:** 9

**Faculty Coordinator:** Dr. S. A. Dhondse

**Details:**

The Donation Drive for the Children Divyang Center at Matru Seva Sangh was organized with the aim of providing essential support and resources to children with disabilities. The event garnered widespread participation from volunteers, donors, and members of the community, reflecting a collective effort towards promoting inclusivity and welfare. To raise awareness about the challenges faced by children with disabilities and the importance of inclusive education and support systems and To foster a sense of empathy, compassion, and social responsibility among participants towards the welfare of marginalized communities were the objective of this program.

The event succeeded in raising awareness about the challenges faced by children with disabilities and the importance of creating inclusive environments that accommodate their diverse needs. The collaborative efforts of volunteers, donors, and community members demonstrated a strong commitment to promoting social inclusion and supporting marginalized populations.

The Donation Drive for the Children Divyang Center at Matru Seva Sangh was a heartwarming display of solidarity and compassion towards children with disabilities. Through collective action and community support, we can strive to create a more

Venue: National Fire  
Engg.College, Police Talab.

ACES organized a visit to Slum Area of National Fire Engg College, on 30/06/2024. Every year ACES conducts such kind of social activities on behalf of Electronics & Tele Comm Department, YCCE. The main purpose behind the visit was to spend some time with the resident of underprivileged people.

All the members gathered in college campus at 11:00 a.m. A total of 26 students along with 01 faculty members left at around 9.30 a.m. The whole program was conducted under the kind support of NSS, Nagpur.

The bus reached its destination at 01:15 a.m. The students had collected funds among themselves and from the teaching staff as well and donated grains to the orphans with the collection. They are also provided with basic requirements including good meals, clothes, stationary and facilities for their entertainment. There are a total of 46 children residents were living there.

At 3:15 p.m., all of us left with memories to cherish. At 4.00 p.m., the bus reached college campus & we concluded our visit.
