### Report

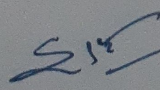

# SAFETY KIT DONATION CAMPAIGN

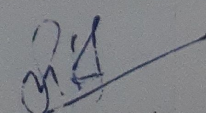

Report Safety kit donation campaign on 17<sup>th</sup> October 2022 Social club civil department successfully organized a safety kit donation campaign on 17 October under the aegis of IQAC and IE(I) students chapter. On the occasion of Global Handwashing Day,

The motive of the campaign was to spread awareness amongst the students and understand the importance of hand washing with soap as an effective and affordable way to prevent diseases and save lives. The awareness campaign was scheduled at Zilla Parishad Kendriya Prathmik Shala Mohgaon (zilpi), Hingna, Nagpur. Volunteers of the social club reached the location at about 2 pm. The teacher already had gathered the group of students at the school ground and given the proper guidance, and a live demo of how to use the awareness kits. The feedback gave a clear idea of students who are aware of hygiene. Volunteers helped students to know the importance and need of hygiene during their daily routine. Students promised that they will use the kit on a daily basis. The best moments during the campaign were uploaded on the official Instagram handle of the club.

Volunteers of the club thanked the principal of the school for their support, and also thanked all the members of the club for their active participation. The enthusiastic, curious and hardworking team of organizers under the guidance of HOD Dr. Sanjay Raut, Student Activity In-charge Prof. Khalid Ansari and Prof. S.G. Kalamkar and other faculties along with the President, Vice President, and working president of ACT, made it a big success.

### SUMMARY

The Department of Computer Science and Engineering YCCE conducted an Social Activity named "**Workshop on Web Development**". The event was successfully organized by the COSMOS and was jointly executed by all the coordinators present. The topic of the workshop was "**Introduction to HTML/CSS**". The workshop briefs the participants about various HTML tag, their implementation along with some basic CSS properties. It was a workshop which welcomed all the students to learn about building a basic webpage right from scratch. The workshop saw a good response from the participated students of 'Mahatma Gandhi Junior College'.

**Name of Coordinator:** Prof. Supriya Thombre

**Session:** 2022-2023

**Dates:** 22<sup>nd</sup> June 2023, 23<sup>rd</sup> June 2023 & 24<sup>th</sup> June 2023

**Number of Participants:** 20

**Resource Person:**

Prof. Supriya Thombre, Faculty, CT Department, YCCE.

### Summary:

The Department of Computer Technology, YCCE organised an outreach activity as 3 Days Bootcamp on C Programming from 22<sup>nd</sup> June 2023 to 24<sup>th</sup> June 2023 at Pioneer Students Council, Hudkeshwar Nagar Branch, Nagpur. The Bootcamp was conducted by Prof Supriya Thombre for the students of 11<sup>th</sup> Std and 12<sup>th</sup> Std.. The students learned about all the fundamentals and basic concepts of C Programming along with the hands-on-session. Overall, the Bootcamp was a success and received positive feedback from the students as well as the management of Pioneer Students Council. It was a valuable learning experience for students to understand the concepts of C Programming in order to get started with programming logic.

## Department of Computer Technology

### Vision of the Department

To be a well-known center for pursuing computer education through innovative pedagogy, value-based education and industry collaboration.

### Mission of the Department

To establish learning ambience for ushering in computer engineering professionals in core and multidisciplinary arena by developing problem-solving skills through emerging technologies.

### Day 1:

On 1<sup>st</sup> day, i.e. 6<sup>th</sup> April 2023, the students were introduced to C Language, its importance and why is their a need to learn it. The basic concepts of C Programming were introduced to the students like Basic Programming Structure, Header Files, Format Specifiers, Data Types, Print Statements, How to take user input, Conditional and Looping Statements, types of variables, etc. Simultaneously, the students tried to execute the codes using online compiler, in which they got actual hands-on-experience about what coding is like and their queries were been solved at the same time.

### **Summary:**

On October 31, 2022, the Department of Computer Technology organized a session on IOT and Python for students in the ninth and tenth grades from various schools to explain the importance of these two technologies in today's modern world. The speakers explained the students about the fundamental terminologies of Python and IOT. As we all know, the Internet of Things is one of today's most popular technologies, so making young students aware of such technologies was our primary goal. The main goal of this event was to familiarize students with the fundamentals of technologies such as Python and IoT. The students got hands-on experience about python coding and how to make small projects using IoT on hardware IoT kits. Overall 30 students participated in the session, and took complete benefit of the same.

### **Summary:**

The Department of Computer Technology organised a "NIRMALYA" Collection Drive on the occasion of Anant Chaturthi, **September 9, 2022**. During the Ganesha festival, devotees often tend to immerse the offerings along with the idol of Lord Ganesha during the Visarjan. This leads to severe pollution of water bodies.

In order to prevent any harm to waterbodies, our department decided to conduct a Nirmalya collection drive. A total of 12 volunteers were there in a group of four. They visited different waterbodies in the city.

They made sure that they collect the offerings from the devotees and dispose it without causing any pollution. Also, the sentiments of the devotees were taken care of. Our small effort indeed saved the water bodies from getting polluted.

### Summary:

A Food Grains Donation Drive was organised by the Computer Technology Student Council (CTSC) on April 12th, 2023. The initiative attempted to gather extras from donors who were interested in donating the Food Grains. These things were gathered till one week before to the journey. The CTSC crew went to Jeevan Ashray Ashram, Hudco Colony, Nagpur, where they distributed the food grains, they had gathered. The crew was overjoyed to see the recipients' expressions, especially the youngsters, after receiving the donations. The donation drive was a huge success, and the CTSC crew was overjoyed to have been able to help people in need. The campaign assisted in fostering among the kids a feeling of civic duty and volunteerism. The initiative taken by the Computer Technology Student Council was an admirable effort that helped supply necessities to individuals who are less fortunate. The beneficiaries' joyful faces served as evidence of the drive's success, and the team's efforts were recognised.

#### REPORT GURU PURNIMA

Date:13/07/2022

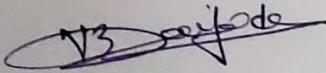

Team PRAYAAS – NAYE KAL KA (Social club) of Electrical department of YCCE has successfully organized a felicitation ceremony of Teachers on the occasion of Guru Purnima. The program was initiated with the felicitation of the head of the department Dr. Sumant Kadwane sir. This was followed by an inspirational speech by Student activity in charge of the department Prof. Vaibhaw Doifode highlighting the importance of teachers in a student's life.

All the teachers and non-teaching staff were given roses as a token of love. The celebration commenced on a cheerful note with students touching the feet of the teachers highlighting their importance in the whole life. The club conducted a special assembly to mark the occasion and to acknowledge the contribution of Gurus in shaping the personality of their disciples. The main motive behind the event was to show gratitude towards the selflessly working teachers. At the end, volunteers were appreciated by all the teachers for arranging such a beautiful programme. Total 14 students contributed for the event.

REPORT  
RAKSHABANDHAN CELEBRATION

Date:16/08/2022

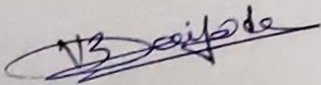

Rakhi is not merely a silken thread but a tradition that binds brother and sister beautifully in a relationship forever. Raksha Bandhan, a much awaited Indian traditional festival of sisterly and brotherly respect was celebrated by the students of Prayaas.....Naye kal ka.(social club of electrical department ,YCCE) on 16 August 2022 at Nehru Bal Sadan,Wanadongri..Members of the club,brought various typre of rakhis which attracted the small kids .The progamme started with tieing of Rakhis on the wrist of the children,followed by distribution of biscuits.

Children were told about the sacred bond between brother and sister. It was a delightful celebration for students which made the environment full of joy and love. The main objective behind celebrating 'Raksha Bandhan' was making the children aware about the virtuous bond of love between a brother and a sister which is one of the deepest and noblest of all human emotions. The event was successfully managed under the guidance of Prof.Vaibhaw Doifode, student activity in-charge of the department. The club was appreciated by the head of Sadan for such a great initiative.

### BLOOD DONATION CAMP

A great initiative of organizing a blood donation camp was taken by PRAYAAS – Naye kal ka (Social club of the Electrical department YCCE) on 23 August 2022 under the guidance of student activity In-charge Prof. Vaibhaw Doifode. The blood donation program was held from 10:30 am morning. All the students along with the professors were seen to take greater initiatives.

A group of nurses who were from Ayush blood bank and were present on the campus for conducting the camp. The donors were asked to fill a medical form to give details about their health-related information. Before the donation, checking weight, pressure, and body temperature were measured so that the one donating blood does not have to face further. The program was held in the electrical department premise. Around 60 students donated the blood. More than 30 volunteers were present to make this drive a successful one. Volunteers were appreciated by all the faculties for their wonderful job.
