4.4.2 *There are established systems and procedures for maintaining and utilizing physical, academic and support facilities – classrooms, laboratory, library, sports complex, computers, etc*

The Institute has executed Contract with external agency for cleanliness of class rooms, laboratory, Library, computer labs, workshops, auditorium, conference halls, board rooms, seminars halls etc.

The internal centralized team of hardware and software maintenance takes care of issues related to computer Hardware, software, networking, internet, LAN, wi-fi etc. Apart from above, every department have Lab Assistants and Lab Attendants who takes care of equipment maintenance and its safe custody. Few of the equipments are under annual maintenance contract with external agencies.

As regards library books, it is ensured that proper shelving and accessioning is done by library staff members. The old books are sent for binding work to maintain it for longer period in the interest of students. A separate technical staff is provided for maintaining Digital Library Section.

A full time, regular sports officer is appointed in the College, who provides students with all required sports material and also involved students in the various sports activities held at college level, University Level, State level and also at National level. The sports ground is made available by the College for Basketball, volleyball and football, cricket etc. Apart from above gymnasium facility is made available in the campus wherein students are provided proper training through external trainer.
