6.2.3 Implementation of e-governance in areas of operation

The college has implemented Master Software for its ERP procedures. This is a comprehensive web based software which caters to the needs of Administration, Admissions, Academics, Examinations, Finance, Salaries etc.

The entire procedure of administration, right from recording daily attendance of staff, leave applications, deduction of leaves, Outdoor duties, attendance processing and to salary drawing is done through this software. The service books are also made available through this ERP software.

The College is now introducing JUNO software, which is a more advance version to ease the administrative workload. This software shall be fully implemented from the academic year 2024-25.

The Library has Softlib.6.0 web based software to cater to the needs of students.
