## Criteria Metrics

### 2.4.3 Average teaching experience of full time teachers in the same institution (Data for the latest completed academic year (2020-21) in number of years)

#### Response of HEI:

1. DVV has recommended the total experience of full-time teachers in the institute in the 2020-21 as **2392**, mentioning that DVV has excluded those teachers experience who left the college.
2. As per the calculations of HEI total teaching experience of full-time teachers is **4216** in 2020-21. The total numbers of full-time teachers on roll of the institute are **248** against the **248** sanction posts in the academic year 2020-21. Initially **234** sanction posts of full-time regular teachers were approved by the Management and then additional **14** sanction posts were approved by the Management as per the teaching load requirement of the institute.

HEI has calculated the total teaching experience of full-time teachers from the date of joining up to 31 July 2021 and as per the calculations of HEI it is **4216**. HEI has calculated total teaching experience as per NAAC data template excluding teaching experience of a) the teachers who left the institute in 2020-21 and b) teachers with less than 01 year teaching experience in the institute from the date of joining the institute. Hence requested to update the total experience figure as **4216**. In 3.2 HEI has given number of faculty members in the institute as 248 in the year 2020-21.

3. In support of claimed data HEI has attached a) Letters of Sanctioned posts (02 letters) approved by the management of the institute for the academic year 2020-21, b) List of 248 full time teachers (with names, date of joining institute, experience in years & months of each individual teacher and date of leaving as applicable) who are on roll of the institute in 2020-21 duly certified/authenticated by the Principal c) Calculation by the HEI for calculating teaching experience.

Hence HEI requests DVV to update the total experience figure as **4216**.
