## Criteria Metrics

### 3.3.2

**3.3.2.1. Number of workshops/seminars conducted on Research methodology, Intellectual Property Rights (IPR), entrepreneurship, skill development year-wise during the last five years.**

#### Response of HEI:

1. DVV has recommended the total number of workshops/seminars conducted on Research methodology, Intellectual Property Rights (IPR), entrepreneurship, skill development year-wise during the last five years mentioning that **DVV has not considered less than 5 days activities** as follows.

Particulars	2020-21	2019-20	2018-19	2017-18	2016-17
DVV Recommendation	12	02	05	00	10

2. In submitted SSR and in DVV Clarification HEI has submitted the data of number of workshops/seminars conducted on Research methodology, Intellectual Property Rights (IPR), entrepreneurship, skill development year-wise for the assessment years as follows.

Particulars	2020-21	2019-20	2018-19	2017-18	2016-17
HEI Claimed	70	57	42	36	16

3. The workshops / seminars are planned as per the training need analysis carried out by the institute. The duration of the few organized activities is less than 5 days depending on the content of the program. Workshops/seminars on Research methodology, IPR, Entrepreneurship and Skill development of less than 5 days are sufficient for imparting the required knowledge, inculcating required skills among the participants. The workshops/Seminars/trainings are conducted by the experts in the specific domains as resource persons. The extensive training / exposure to the relevant technology/ Techniques/Skills/tools etc. are provided to the participants with lab sessions of 30-40% duration of the organized activities. In the NAAC DVV SOP and the NAAC manual, as well as any statutory bodies' guidelines there is no specific mention of duration of 5 days for conducting workshops/seminars.
