Report of Workshop on

“Research Methodology” held from 20th June 2017 to 24th June 2017

One week workshop on Research Methodology was organized by the R&D Cell YCCE jointly with the Mechanical Engineering Department of YCCE from 20th June to 24th June 2017. Coordinators for the programme were Dr. A.M. Pande and Dr. S.S. Chaudhary. Objectives of the programme were:

- Provide motivation to pursue research
- Cater to increasing aspirations of faculty towards technical teaching.
- Meet the challenges in technical educational environment.
- Provide guidelines for prepare research papers and various research promotion proposal.
- To increase inherent vision and hidden skills in the participants.

Thirty eight participants attended the programme, which included research scholars and faculty from YCCE. Presentations were made on following topics Over View of Research/Methodologies of Research, Literature Review, Objective Framing and Abstract Writing, Funding Schemes, Funding Proposal Drafting, Concept Notes of Funding Proposal and Projects, Neural Network, Technical Paper Writing, Latex, Data Generation, recording and Analysis, Thesis Writing, Analysis and Mathematical Modeling, Journals and Citations, and Intellectual Property Rights.

Hands on training and assignment sessions were conducted on following topics, Assignment on Objective Framing / Abstract Writing, Statistical Assignment on Data Analysis (Excel), Practical Session - Finding citations -Scopus and Google Scholar, Assignment on Prior Art of patents Senior faculty members from YCCE conducted various sessions of the programme, Dr. R.L. Shrivastava, Dr. A.M. Pande, Dr. S.S. Chaudhary, Dr. S.P. Gawande, Dr. A.D. Belsare, Dr. Y.K. Dubey, Dr. R.M. Moharil, Dr. K.K. Bhojar, Dr. M.M. Mushrif, Dr. R.D. Thakare, Dr. S.S. Khedkar, Dr. J.P. Giri, Dr. S.G. Kadwane and Dr. S.P. Raut were among the faculty members who delivered various sessions and conducted hands on training.

Report of Workshop on

“Quantitative Methods of Computer Applications” held from 27th June 2017 to 1st July 2017

One week workshop on **Quantitative Methods of Computer Applications** was organized by the R&D Cell YCCE jointly with the Mechanical Engineering Department of YCCE from 27th June to 1st July 2017. Coordinators for the programme were Dr. A.M. Pande and Dr. K.K. Bhoyar. Objectives of the programme were:

- To make the participants aware of software tools used in data analysis, computation, visualization, simulation and interpretation.
- To introduce the participants with Software tools for thesis writing.
- To provide the participants practical training on these software tools.

Thirty two participants attended the programme, which included research scholars and faculty from YCCE. Presentations were made on following topics Microsoft Excel, Statistical Analysis and Mathematical Modeling, System Modeling and Design using Neural Networks, System Modeling and Design using Fuzzy Logic, MATLAB, Introduction to Genetic Algorithms, Modeling and Optimisation using Genetic Algorithms, Introduction to Rough Set Theory, Latex, Graphical Presentation & Graph Interpretation

Hands on training and assignment sessions were conducted on following topics, Assignment on MS Excel, Practical Session on Latex (writing paper, thesis) Senior faculty members from YCCE conducted various sessions of the programme, Dr. A.M. Pande, Dr. A.D. Belsare, Dr. Y.K. Dubey, Dr. K.K. Bhoyar, Dr. M.M. Mushrif, Dr. M.M. Raghuwanshi, Dr. Kavita Singh, Dr. S.S. Khedkar, Dr. J.P. Giri, and Dr. S.P. Raut were among the faculty members who delivered various sessions and conducted hands on training.

IPR WORKSHOP ON Patent Drafting

11,12,13 April 2017

Organized by **IPR Activity, R & D Cell**
Yeshwantrao Chavan College of Engineering, Nagpur

Quality IP Comes from Quality Efforts

Workshop Highlights

18 hours of intriguing sessions

- Introduction to IPR
- Introduction to Indian Patent System
- Patent Search
- Drafting of a Patent Specification
- Claims of a Patent Specification
- International Patent Application filing

Why should you attend?

To have awareness about intellectual property rights and to get effective guidelines regarding patent drafting. This will enhance the conversion rate of UG / PG projects into intellectual properties.

Resource Person

Ms. Noopur Goyal

With over ten years of work experience in Intellectual Property Rights (IPR), Noopur is a qualified Microbiologist and an ardent IP attorney by profession. She qualified as an IPR Women Scientist (WOS-C) at TRAC, DST in the year 2007. Prior to coming experience in IP she was involved into research activities due to affection for her friendly microorganisms.

She is regularly invited as a guest speaker by several government organizations as well as private institutions.

The courseware is designed for

Project Guides, Co-Guides, Students (UG / PG), research scholars, and faculty members from science and engineering fraternity of Meghe Group of Institutions.

Venue : GCC Auditorium, Yeshwantrao Chavan College of Engineering, Nagpur

The R & D Cell has been reviewing patentable projects and guiding them for preparation and submission of patent application. However conversion rate of projects into patent application is very low.

The cell has decided to organize patent drafting workshop for the guides and projectee of identified projects. In line with above, the 3 day workshop has been organized during 11/04/2017 to 13/04/2017 on patent drafting.

We have contacted Mrs. Noopur Goyal, IP Attorney, New Delhi for conduction of training program. Mrs. Noopur Goyal has accepted our invitation and conducted the said training program.

Total 60 project guides have attended the workshop.

Date: 1st March 2017

No. of participants: 209

Faculty Involved: Prof. S. D. Kamble

SUMMARY:

A seminar was conducted for calculating the mathematical expressions in a faster way. Few tricks have been shared for addition, subtraction, multiplication and division. This knowledge was beneficial for the students to apply it for various competitive exams.

REPORT ON

One Day Workshop by Er. Vaibhav Mehta

Friday 07th October 2016

The One Day workshop is being organized on Friday 07th October 2016 by **Er. Vaibhav Mehta (Jr. Scientist CSIR-NEERI)** in Room No. C-206 on the topic “**Smart City Development by Smarter Structures**”

As all of us know that Government of India is planning to set up 100 smart cities across the country that will provide all modern amenities, education and employment opportunities. The speaker said education, employment and entertainment are considered to be the key factors which forced people to migrate from rural areas to urban centers. The main aim of this workshop is to foster fruitful dialogues on the efficient planning and development of smart cities in Indian context. He put it in the perspective of smart cities in the world. Er. Vaibhav Mehta motivated the students to learn about such emerging issues rigorously and prepare a practical framework for implementation of a smart city in some town or city in their neighborhood. Speaker also said that India is the second most populated country in the world and it is required that our cities start becoming smarter if we want to utilize our human wealth optimally.

The students from M.Tech (Structural Engineering), V Semester (Section A, B and C) and VII Semester (Section A, B and C) B.E. Civil and various faculty along with HOD attended the programme. Ms. Samidha Pathak gave the vote of thanks and concluded the program.

REPORT ON

One Day Workshop by Dr. Suresh Chari

Saturday 11th February 2017

The One Day workshop is being organized on Saturday 11th February 2017 by **Dr. Suresh Chari** in Room No. C-206 on the topic “**Challenges Ahead in Leadership**”

The main aim of this workshop is to get confidence in personality of student for outside world after graduation. The Guest provided guidance on facing interviews, group discussion. He removes or screen out those barriers or obstructions that stand in the way of the expression of individual personality. Overall though, the discussion was positive because each of student contributed good information and most of them listened with interest when others members were sharing their ideas. Speaking in this group discussion has helped students to improve their confidence and made them more comfortable while expressing their ideas.

The students from M.Tech (Structural Engineering), IV Sem. (Section A, B and C) B.E. Civil and various faculty along with HOD attended the programme. Ms. Shashwati Chawre gave the vote of thanks and concluded the program.

One Day Workshop on Creating Entrepreneurship Minds

Wednesday 15th March 2017

The Department of Civil Engineering organized One Day workshop on “**Creating Entrepreneurship Minds**” in Association with Center for Innovations, VNIT, NAGPUR. The workshop is inaugurated by Dr. U. P. Waghe, Principal YCCE, Dr. S. V. Ambekar Head, Civil Engineering Department, YCCE, and Dr. A. R. Gajbhiye, Student Activity In charge in Presence of **Dr. Yogita Kasture, CEO, CIVN-VNIT, Mr. Pratap Shukla and Mr. Amar Naise** on Wednesday 15th March 2017.

The Objective of this workshop is to foster fruitful dialogues on **Star-Up and promoting Innovative ideas** where in students could be apprised of carious functions required to be performed, if they go for it. Dr. Yogita Kasture, Mr. Aamr Naise and Mr. Pratap Shukla in their sessions motivated the students o learn about such emerging issues rigorously and prepare practical framework for implementation of their own ideas towards wellbeing of society so that needs of society can be fulfilled.

The workshop commenced with a brief report of activities of Ceneter for Innovations, VNIT Nagpur by Mr. Amar Naise, Mr. Pratap Shukla. This workshop included training on entrepreneurial skill development, sharing of experiences, and success story with the first generation.

Afternoon session was conducted by Mr. Amar Naise and Dr. Yogita Kasture. They have developed a game, first of its kind for training in Entrepreneurship developments. This game explains the myths and truths about entrepreneurship and was developed to enhance the problem solving ability of students by providing certain virtual adverse situation.

About 60 Students from B.E Civil Engineering and M.Tech (Structural Engineering) participated in this workshop gave positive encouraging feedback.

Hands-on Workshop

On

“PCB Design using Orcad Layout ”

1st October 2016

Department of Electronics Engineering of YCCE, Nagpur has successfully conducted a Hands-on Workshop on **“PCB Design using Orcad Layout”** on 1st October 2016. Pre workshop was conducted by Mr. Pravin P. Zode in regular laboratory hours. Hands-on practice sessions were conducted by Mr. Abhay Deshpande, Asstt. Prof., Deptt. of Electronics Engg. RGCER, Nagpur On 1st October 2016. Students of Seventh Sem and M.Tech (VLSI Design) and Faculty members of Electronics department participated in the workshop. Total 39 students attended the workshop.

Workshop objectives:

The aim of this workshop is to provide hands - on experience on the state -of-the-art Cadence EDA tools for Professional PCB Design. The participants will have an exposure to the Circuit Design & Simulation, PCB Design Layout

Workshop Topics

- Advanced Layout Design Issues
- Professional PCB Design
- Silk Screen Printing
- Gerber File Generation
- PCB Manufacturing

Hands-on Workshop

On

“VLSI Design using Cadence Tools”

8th -12th August 2016

Department of Electronics Engineering of YCCE, Nagpur has successfully conducted a Hands-on Workshop on “VLSI Design using Cadence Tools” in association with Entuple Technologies Pvt. Ltd. Bangalore on 8th to 12th August 2016. Pre workshop was conducted by Mr. Pravin P. Zode on Tuesday, 8th August 2016 for creating awareness on Red Hat Linux Platform, Basic commands and Cadence VLSI design flow. Hands-on practice sessions were conducted by Mr. Srikar Talla, Chief Application Engineer of Entuple technologies on 9th to 11th August 2016. Post Workshop session on various types of analysis used in VLSI Circuits by Mr. Pravin P. Zode on 12th August 2016. M.Tech (Electronics / VLSI / Communications Engg.) students and Faculty members of Electronics department participated in the workshop.

Workshop objectives:

The aim of this workshop is to provide hands - on experience on the state -of-the-art Cadence EDA tools for VLSI Design. The participants will have an exposure to the Circuit Design & Simulation, Layout, Physical Verification (DRC,LVS), and Extraction. The workshop includes Practice sessions on the Cadence design and simulation tools (Encounter, RTL Compiler, Virtuoso, Spectre, Assura and Incisive)

Workshop Topics

- Introduction to Cadence and its various tools.
- Basics of mixed signal design using Cadence Virtuoso.
- Introduction to Physical Verification, DRC/LVS by Assura.
- Implementation of NC Launch and RTL Compiler for Digital Circuit using Verilog.
- Extraction of RC Components and Generation of GDSII file.

REPORT ON

Workshop on Arduino

Department of Electronics Engineering, Yeshwantrao Chavan College of Engg., Wanadongri, Nagpur has celebrated departmental techfest **ICON16.0** on 16th -17th August 2016. To make them aware with various technical - non technical activities, best practices and to become good human being. Departmental Techfest **ICON 2016** was mainly focused on the overall development of the students, developed unity between juniors and seniors and overall activities conducted by the students for the students.

Under **ICON 2016** we were conducted technical workshop on "**ARDUINO**", organized by Wingfotech Excellence in association with IIT Madras. In this workshop they focused on microcontroller, sensor interfacing, I/O devices interfacing and security system. 105 Participant from various colleges participated in this workshop.
