Improving Technical Paper Writing Skills (ITPWS-2018)

Report

The R&D Cell YCCE organized STTP on "**Improving Technical Paper Writing Skills (ITPWS-2018)"** on 17th, 24th February and 1st March 2018. The programme was assignment based, at the end of programme, assignments submitted by the participants were discussed and guidance was given to participants. The programme was attended by Sixty Five faculty members from different organizations under MGI.

1. Organising Team

Principal Convener	Dr. A.M. Pande
Conveners	Dr. R.D. Thakare & Dr. K.K. Bhoyar
Organising Secretaries	Dr. S.G. Kadwane & Dr. S.P. Gawande
Technical Coordinators	Dr. M.M. Mushrif, Dr. R.M. Moharil & Prof. P.P. Zode
Organising Committee Members	Dr. Mrs. Yogita Chitriv (Dubey), Dr.Mrs. A.D. Belsare, Prof. S.S. Akant, Prof. S. Karale, Prof. J.M. Raut

2. Details of Programme

The programme includes presentations on various aspects related to technical paper writing on day 1. It will be followed by discussions on assignments carried out by the participants on successive Saturdays. Assignment completion and availability in the programme will be mandatory for all participants.

Day	Speaker	Title of the presentation	Coverage of Presentation
1	Dr. S.G. Kadwane	Pre-requisites of paper preparation and submission	Details of Various Journals, important conferences, author guidelines and Expected Ethics
	Dr. R.M. Moharil	Publication and Citation report of MGI Institutions	Presentation of report received, extracting citation information, updating departmental records.
	Dr. M.M. Mushrif	Overview of good paper writing	Contents of good papers, their linkages, various sections
	Dr. R.D. Thakare	Literature Review	Compiling, storing and use of literature Review, highlighting important text and categorization of text
	Dr. A.M. Pande	Abstract Writing	Demonstration of abstract writing criteria, understanding quality of abstract by comparing good and badly written abstracts.
	Dr. S.P. Raut	Introduction Writing	Demonstration of precise introduction.
	Dr. S.G. Kadwane	Results and Discussion	Presentation of results, points to be stressed in discussion, linkage of discussions with results.
	Dr. S.P. Gawande	Conclusion Writing	Presentation of conclusions, points to be stressed in conclusions, linkage of discussions with conclusions.
	Prof. P.P. Zode	Information regarding assignments	Details of assignments to be completed and submitted before next Friday
2	Complete	Review of assignment on abstract	1. Randomly participants will be called to

	Panel	writing	discuss the assignment 2. Audience will make observations on the assignment 3. One of the panelist shall summaries the observations
	Complete Panel	Review of assignment on introduction writing	
	Complete Panel	Review of assignment on Results and Discussions	
3	Complete Panel	Review of assignment on Conclusion writing	1. Randomly participants will be called to discuss the assignment 2. Audience will make observations on the assignment 3. One of the panelist shall summaries the observations
	Complete Panel	Review of assignment on comparison of one good and one badly written paper	
	Complete Panel	Valedictory Session	

Participants expressed satisfaction about the theme and conduct of the programme.

Workshops/Seminars conducted on Intellectual Property Rights (IPR) and Entrepreneurship.

3.2.2 - Total number of workshops/seminars conducted on Intellectual Property Rights (IPR) and Entrepreneurship

3 Day Workshop on TRIZ

Level -1 TRIZ training program was organized by IPR Cell, MGI for the faculty members of various institutions under MGI, during 8th to 10th of December 2017 at YCCE Nagpur.
TRIZ includes a practical methodology, tool sets, a knowledge base, and model-based technology for generating innovation solutions for problem solving. It is intended for application in problem formulation, system analysis, failure analysis, and patterns of system evolution. There is general similarity of purpose and methods with the field of pattern language, across discipline practice for explicitly describing and sharing holistic patterns of design. Earlier TRIZ was used mostly in industries and corporate companies only. This is first time TRIZ is being introduced to educational institutions.
The three day seminar was conducted by Mr. P.V.Naryana and Prof. Wankhede of TRIZ Asia Group.

The purpose of conducting this workshop was to make the faculties aware about the TRIZ Methodology and its importance in improving the standard of the research work and the projects. Speakers for this workshop were Prof. Sandip Wankhede who is the Trainer in TRIZ Association and Mr. Narayan Iyer who is the President of TRIZ Association, Asia. The chairman was Dr. S.D.Bhole, C.E.O. of MGI group, Coordinator of training program was Dr. Sandip S. Khedkar, Incharge, IPR Cell, MGI.

The entire detailed program of 3 days workshop is as below:

Day 1:

Day 1 started with a small Inaugural function in which Prof. S. D. Bhole; CEO, MGI Group was the Chief Guest.

Just after the inaugural function the 1st session of the workshop was started.

Prof. Sandip Wankhede, speaker of the session started with a new way of wishing a Good Morning as "have a TRIZ Morning". He gave detailed information as to how TRIZ helps in solving the problem. He gave various examples related to the method of Focal objects. Various group activities were taken to help understand the participants the method of Focal objects. At the end of the 1st session he told the roadmap of solving the innovative problem.

Prof. Sandip Wankhede started the 2nd session with the topic called Function Analysis. Following stages of Function Analysis were discussed in details.

1. Component Analysis
2. Interaction Analysis
3. Function Identification
4. Function Performance Analysis
5. Function Ranking Analysis

He also discussed how to make a complete Function table and to draw the Function Diagram.

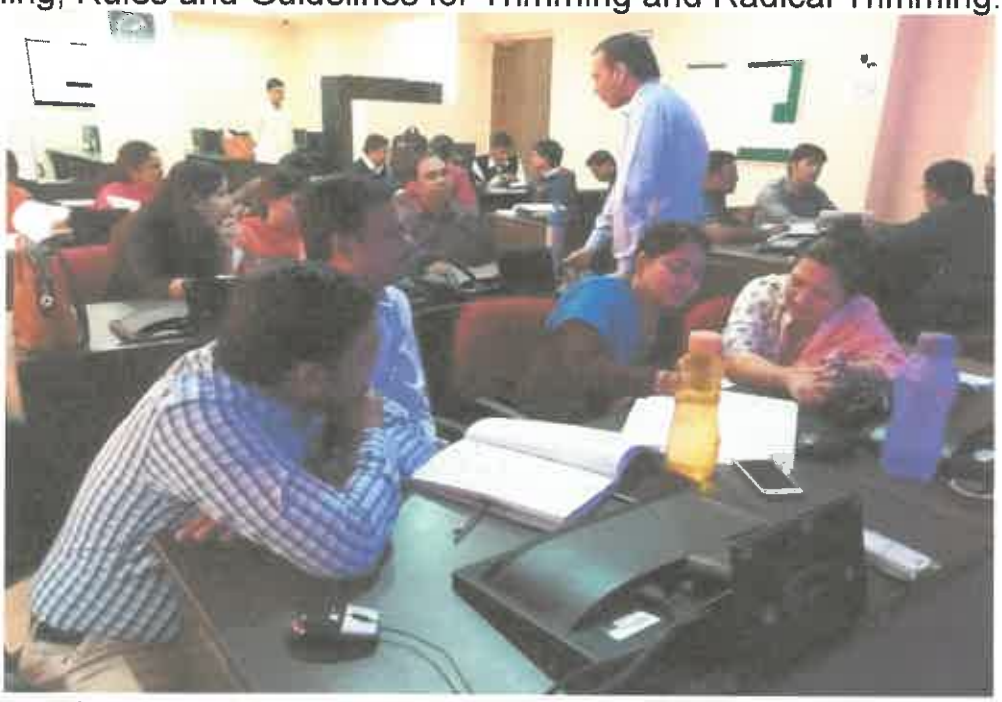

The last topic of the Day 1 was the Root Cause Chain Analysis (RCA) which includes the Construction of RCA Diagram. The RCA includes 3 main steps:

1. State the general negative effect
2. Ask "What causes this effect?" and
3. Is this cause the only one?

The day was concluded with a homework which was to prepare a Function Diagram for a Coffee.

Day 2:

The first topic for session 1 of Day 2 was Trimming in which he told what is Trimming, Rules and Guidelines for Trimming and Radical Trimming.

Various other concepts which were discussed were Function oriented search, concept of ideality, Formulating Technical Contradiction.

Session 1 was concluded with the Technical Contradiction concept which is one of the important concepts from the invention point of view.

Session 2 of Day 2 was started with a group activity on Technical Contradiction.
The last topic of the Day 2 was Contradiction Matrix. Various examples were taken with respect to Contradiction Matrix to make the participants understand the concept in detail.

The day was concluded with a homework which was to prepare a Technical Contradiction on any object.

Day 3:

The first topic for session 1 of Day 3 was Resources and Physical Contradiction. A detailed discussion was done on this topic.

After this the Complete Algorithm for Problem Solving was discussed in detailed. An example was taken and the steps of solving the problem using TRIZ concept was applied on the example.The last topic of session 1 was Introduction to Su – Field Modeling, Introduction to S Curve Analysis and Introduction to Laws of Evolution.

In the session 2 of Day 3, an exam was conducted on the entire syllabus that was covered in the workshop.
The workshop was concluded with a small Valedictory function which includes the feedback from both the Speakers and the participants.

Report on events Organized in 2017-18

Event Name: Importance of Software Testing

Organizing Body: CTSC / ACM

Date: 4t^{h} July, 2017

Number of participants: 120
Resource Person and Affiliation: Mr. Sangharatna Godbole, NIT Rourkela

Summary:

The expert has briefed about the Software Testing. It is a method to check whether the actual software product matches expected requirements and to ensure that software product is Defect free. It involves execution of software/system components using manual or automated tools to evaluate one or more properties of interest. The purpose of software testing is to identify errors, gaps or missing requirements in contrast to actual requirements.

Summary

Object-oriented programming has four basic concepts: encapsulation, abstraction, inheritance, and polymorphism. Even if these concepts seem incredibly complex, understanding the general framework of how they work will help you understand the basics of an OOP computer program. The expert covers all the topics.

Summary

#hack is a workshop conducted in the department. Hackers are popularly defined as computer experts who spend enormous amounts of time trying to breach the security of networks, web servers and email servers. Usually they use a selection of specialist software to identify any weaknesses, which they are then able to exploit. He has covered all the topics related to hacking and hands-on on hacking tools.

Details of Training Program:

Department of Computer Technology arranged a three days SDP on CUDA programming dated 21st-23rd August 2017. The sessions were managed by Mr. Mandar Gurav, IIT Mumbai and Dr. K. R. Singh, Dr. M. M. Raghuwanshi and Mr. N. S. Mangrulkar. The participants were from KDK, RKNEC and RGCER. Successful hands-on session was conducted followed by quiz on every topic.

Feedback Impact Analysis: Good

Paragraph:

The Droid Event of the Compufest 2K17 was conducted on 17-08-2017 with great enthusiasm and success. Mr Akshay Gupta, who is the trainer for this event was experienced and friendly. He helped all the queries that the attendees had. A very good team of co-organizers also helped in quires and setup of all the participants. Organizers too made sure everyone is comfortable and also conducted the whole event as per the schedule with great response from the crowd.

The seminar kicked off with simple activities like List View containing applications but later the focus changed towards the more advanced topics of sharing data and moving to another screen. The final topic was a notes app which can store and retrieve data from the database which is SQLite.

The final phase of the event was a competition designed by trainer itself which were based on all the activities that were performed during the event like designing a user app to take notes.

Finally, this event was a success considering almost all those participants who bought their own laptops had android studio configured and ready for future endeavor.

Summary:

The workshop mainly covers Current Trends in Digital Era and Android. The first hours cover the overall things regarding digital Era, Mobility, Android etc. It start with practical session about what are the components in Android Project, folders, sub-folders, structure , about programming code regarding different device, the presentation issue and hoe it overcome etc.

Report on events Organized in 2017-18

Event Name: **SYMPOSIUM ON – ROLE OF DEPARTMENT IN CAREER**

Organizing Body: C-TECH Dept.....

Coordinator:. Mr. Sagar Lachure

Category: Technical

Topic Covered: Introduction of ROLE OF DEPARTMENT IN CAREER
Session:2017-18

Date: 15th July 2017

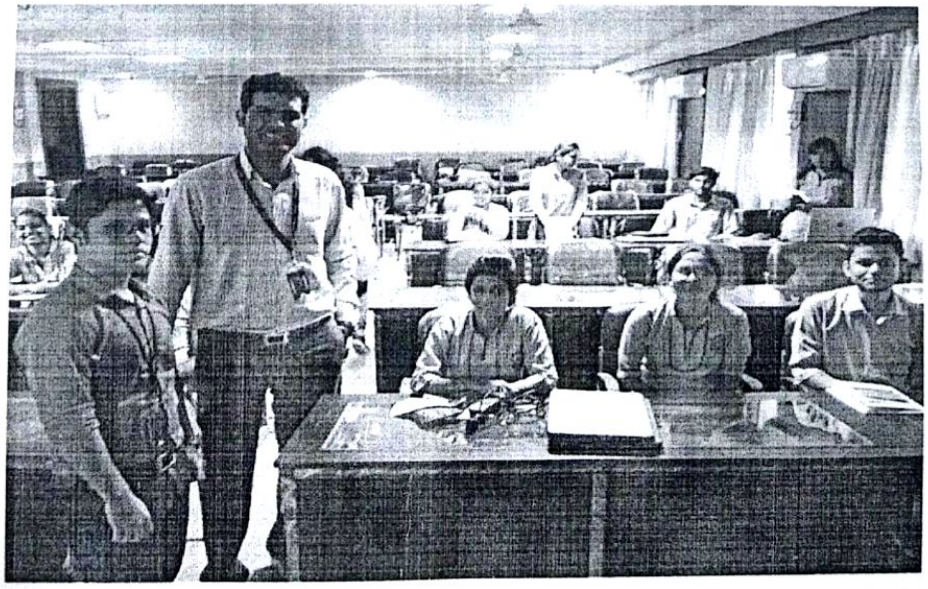

Type of Participants: :Students

Number of Participants: 300

Year/Sem: - -

Resource Person and Affiliation: Mr. Ajit Dharmik, Director, 6Simplex Software Solutions, Nagpur as Chief Guest, Mr. Ankush Patil, CEO HPCL,Pune as Guest of Honour, Mr. Shubham Wanne, Ms. Suparnika Mohata and Mr. Akash Wankhade from Presistent System Ltd., Nagpur

Summary

WordPress is a free, open-source website creation platform. On a more technical level, WordPress is a content management system (CMS) written in PHP that uses a MySQL database. In non-geek speak, WordPress is the easiest and most powerful blogging and website builder in existence today.

DEPARTMENT OF CIVIL ENGINEERING

Date: - 03/07/2017

NOTICE

III Sem. B.E. Civil

All the students of **III Semester (A, B & C Section)**are hereby informed that there is Induction Program being organized in Civil Engineering Department **on Tuesday 04th July 2017 at 10.00 am** in Room No. C- 2-06. All the III Semester students are requested to attend the same. Student will be addressed by H.O.D. Dr. S.R. Khandeshwar.

Dr. S.R. Khandeshwar
Head, CE Dept, YCCE

Registration Form

Name of Student: -_____

_____

Name of Institute: - _____

_____

Name of Branch: - _____

_____

Section and Roll No.: -_____

Enrollment No.: -_____

Email-Id: - _____

Contact No.: -_____

Sign of Student: - _____

Objectives of the programme

- To aware of **Induction Programme** as it is a comprehensive structural engineering software that addresses all aspects of structural engineering including model development, verification, analysis, design and review of results
- To Enhance knowledge of **Induction Programme** will help students to pursue their career in the field of analysis and design of civil engineering structures
- To boost the enterprenuership in the field of structural designer

The expected audience are third and final year students of B.E./B.Tech Civil Engineering.

The participation fess is Nil. Maximum 200 students can participate on first cum first serve basis. The student participants will be awarded certificate of participation.

Department of Civil Engineering

Induction Programme for III Semester BE Students

Tuesday 04th July 2017

Induction programme is an initiative to groom the overall personality of students and make them acquainted with the culture of the Department of Civil Engineering. Induction Programme for the students of III Semester Students of Civil Engineering was held on 04th July 2017.

In his brief address to the students Dr. S. R. Khandeshwar Head, Civil Engineering Department iterated the Management's commitment to elevate the Institute to the status of one of best engineering colleges in the state within the shortest time possible. He also briefed the students about the rules and regulations of the institute and requested the students and parents to understand and abide by the institutional rules and norms. He gave necessary information about the academic design of the third year B.E Civil Engineering Course and Institute rules and regulations regarding academic matters.

Dr. A. R. Gajbhiye welcomed the gathering. He emphasized the need for continuous hard work and stressed that getting admission into YCCE is the starting point and not the end of the journey.He also gave a brief introduction about the Cultural, Co-curricular and Sports Wings. Finally, a vote of thanks was proposed by Prof. Sanket Kalamkar.

About 130 Students from III Semester of B.E Civil Engineering Students participated in this Orientation Program gave positive encouraging feedback.

Dr. A.R.Gajbhiye felicitating Dr. S.R.Khandeshwar, Dr. S.R.Khandeshwar delevering a speech

One Day Workshop on Health Awareness

28th July 2017

The Association of Civil Technocrats (ACT), Student Council of Department of Civil Engineering in association with Nelson Mother & Child Care Hospital, Nagpur organized One Day Workshop on Health Awareness for all the staff on 28th July 2017. A team of doctors from Nelson Mother & Child Care Hospital, Nagpur conducted the camp which included General Physical examination, Blood Pressure check-up, BMI check-up, Dental Check-up, Eye Check-up, Blood Sugar check-up, Hemoglobin Check-up. Necessary medical advice with complete report and precautionary measures were given to the students as well as faculty.

The aim of the health camp was to administer Health Assessment, spread Health Awareness and provide Health Counseling. The primary objective of this health awareness program was to "Keep people disease free". The diseases like diarrhea, malaria, dengue, hookworm, diabetics, high blood pressure etc. get spread due to irregular lifestyle and lack of knowledge. Dr. S. R. Khandeshwar conveyed their warm greetings to all participants to get aware about health. He also thanked Coordinators of the free health camp, for their sincere effort and appreciated Team Meditrina Hospital for their noble cause.

Dr. S. R. Khandeshwar expressed his gratitude to the Student Council of Civil Engineering Department for its continuous endeavor in this regard. He also stressed on the growing need of blood in the state and commended the young volunteers for their noble act.

The Camp was inaugurated by Dr. S. R. Khandeshwar, Dr. A. R. Gajbhiye, Prof. B. P. Nandurkar. Prof. B. P. Nandurkar, Prof. P. K. Hinge took the lead by donating blood which motivated the students to come in flocks to donate their precious blood to save the lives of the needy.

At the oustet Mr. Ashutosh Rajput thanked all the coordinators, Team of Nelson Mother & Child Care Hospital, Nagpur and Department of Civil Engineering for providing opportunity to serve society in unique way. This event was highly appreciated by Teaching Staff, Non-Teaching staff and as well as by students with active participation. Total 48 numbers of peoples get benefited with this free Health Check-up Camp.

NOTICE

V Sem. B.E. Civil

All the students of **V Semester (A, B & C Section)** are hereby informed that there is **One Day Workshop** on **Reinforced Cement Concrete Design** being organized in Civil. Engineering Department **on Friday 4th August 2017 at 10.00 pm** followed by Lecture of **Dr. Ramesh Babu** in Room No. C- 2-06. All the V Semester students are requested to attend the same.

Dr. S.R. Khandeshwar
Head, CE Dept, YCCE

Registration Form

Name of Student: -_____

_____

Name of Institute: - _____

_____

Name of Branch: - _____

_____

Section and Roll No.: -_____

Enrollment No.: -_____

Email-Id: - _____

Contact No.: -_____

Sign of Student: - _____

Objectives of the programme

- To aware of **Reinforce cement concrete** as it is a comprehensive structural engineering software that addresses all aspects of structural engineering including model development, verification, analysis, design and review of results
- To Enhance knowledge of **Reinforce cement concrete** will help students to pursue their career in the field of analysis and design of civil engineering structures
- To boost the enterprenuership in the field of structural designer

The expected audience are third and final year students of B.E./B.Tech Civil Engineering.

The participation fess is Nil. Maximum 200 students can participate on first cum first serve basis. The student participants will be awarded certificate of participation.

One Day workshop on Reinforce Cement Concrete

Tuesday 04th August 2017

Department of Civil Engineering

Report on One Day Workshop
On
Reinforced Cement Concrete

Friday 04th August 2017

Reinforced Concrete is very important area of Civil Engineering. Various significant developments has been made in this area such as use of high performance concrete, self-compacting concrete, corrosion resistance high strength steel, optimum design and detailing etc. to build-up civil infrastructure across the world.

Department of Civil Engineering, YCCE has organized One Day Workshop for V Semester Students on Friday 4th August 2017. On this occasion, Dr. S. R. Khandeshwar, Head Civil Engineering Department was the Petron of the event. Dr. A. R. Gajbhiye, In-charge Student Activities welcomed the gathering. Dr. Ramesh Babu along with Mr. Sachin was the chief guest and speaker for this workshop. Prof. Sagar Dhengre introduced Speaker of this workshop and pointed out importance of knowledge of Reinforced Concrete in Civil Engineering field.

The primary objective of this short course is to introduce latest development and updating in reinforced concrete materials briefly and then to provide basic concept, behavior, design and reinforcement detailing of various reinforced concrete structural elements leading to their optimum design.

Following Contents are discussed with Students by Dr. Ramesh Babu with practical experience faced by them in Infrastructure Industry:

- ✓ Brief introduction to development of reinforced concrete structures.
- ✓ Latest development in reinforced concrete materials.
- ✓ Basic assumptions, fundamental theories, concept and design of reinforced concrete sections subjected to flexure, shear, torsion, axial force and their combination.
- ✓ The basic concept, design of rectangular and circular column section subjected to axial load and bi axial moments was discussed and approximation in design was highlighted.
- ✓ Optimum design and reinforcement detailing of reinforced concrete structural elements.
- ✓ Provision of earthquake resistance design and reinforcement detailing of reinforced concrete beams and columns

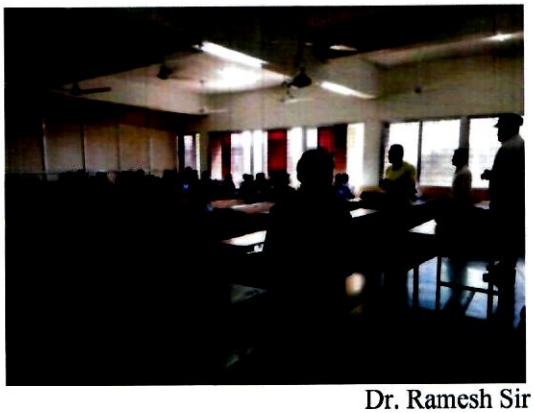

Dr. Ramesh Babu & Mr. Sachinalso imparted knowledge of various methods adopted while designing, dos and don'ts while handling any Civil Engineering site, importance of Indian Standard Codes.

Finally, a vote of thanks was proposed by Prof. Khalid Ansari.

About 115 Students from V Semester of B.E Civil Engineering Students participated in this Orientation Program gave positive encouraging feedback.

Date: - 21/12/2017

NOTICE

(B.E IV Semester)

(A, B & C Section)

One Day Workshop onDiamond of Success

Date: Friday, 5th January 2018

Organized By,
Department of Civil Engineering,
YCCE, NAGPUR

Keynote Speaker:

Dr. Surendra Gole
Facilitator in Human Excellence
Director – ANANTVEDH

Registration Fee: Rs. 100/-

(Only Genuine Interested Candidate should register)

Registration will be strictly **on First Come First Serve Basis**

Last Date of Registration: *Monday, 01st January 2018*

(Maximum of 80 students will be allowed)

Prof. S. G. Kalamkar
Coordinator

Dr. A. R. Gajbhiye
Incharge, Student Activities

Dr. S. R. Khandeshwar
Head, CE Department

Registration Form

Name of Student: -_____

_____

Name of Institute: - _____

_____

Name of Branch: - _____

_____

Section and Roll No.: -_____

Enrollment No.: -_____

Email-Id: - _____

Contact No.: -_____

Sign of Student: - _____

Objectives of the Workshop

- To aware of **Diamond of success** as it is a comprehensive structural engineering software that addresses all aspects of structural engineering including model development, verification, analysis, design and review of results
- To Enhance knowledge of **Diamond of success** will help students to pursue their career in the field of analysis and design of civil engineering structures
- To boost the enterprenuership in the field of structural designer

The expected audience are third and final year students of B.E./B.Tech Civil Engineering.

The participation fess is 100 rupees. Maximum 200 students can participate on first cum first serve basis. The student participants will be awarded certificate of participation.

DEPARTMENT OF CIVIL ENGINEERING

One Day Workshop on Diamond of Success

Friday 05th January 2018

College plays an important role in the personality development of students. This is the need of the hour as it is essential for the holistic development of students and their survival in this technical competitive world, **Department of Civil Engineering; YCCE and IE(I) Student Chapters** organized **One Day Workshop** on **Diamond of Success** for IV Semester BE Students. The programme is chaired and inaugurated by, **Dr. A. R. Gajbhiye, Prof. S. G. Kalamkar, Prof. K. S. Ansari and Prof. N. V. Deshmukh** in Presence **chief guest of program Dr. Surendra Gole, Director ANANATVEDH, Nagpur** on Friday 05th January 2018.

Dr. A. R. Gajbhiye in his inaugural speech quoted dialogue from movie 'Pursuit of Happiness' that "Don't ever let someone tell you that you can't do something. Not even me. You got a dream, you got to protect it." He also focused on the importance of workshop like personality development and motivated the students to grab this kind of opportunities.

Dr. Surendra Gole started the workshop with a very creative introductory session, where students had to introduce themselves in a novel way. They had to either mention an adjective or a quote or song which best describes them. They could also explain the meaning of their names (without revealing the names) thereby giving an opportunity to the others to guess the names! It was an enjoyable ice-breaking exercise and it was observed that students were quite engrossed in the exercise.

In the post lunch session he talked on "Time Management" and "Intelligence Test". This was followed by a discussion on The Self, one's desires, dreams, passions and motivations. Students were told how important their dreams and desires are for developing the personality. It was stressed that they need to have a passion in life. Students were also given tips on how to increase their self-esteem

Overall Following aspects are shared and discussed with students by speaker during his all the four sessions:

- Self-Analysis
- Personality Development
- Human Excellence
- Diamond of Success

The major objectives of this program were:

- ✓ To develop leadership skills in the students;
- ✓ To appraise students about the importance of communication skills, critical thinking skills, and collaborative skills.
- ✓ To enable students to learn to reflect to situations at the individual level, institutional level, industry level, national level and international level.

Group discussions were also held to make students learn to think collaboratively and also work under competition. All the 61 students participated actively in all the activities. The feedback obtained from the students revealed that:

- ➢ The program was excellent;
- ➢ It was useful to them in enhancing their communication and leadership skills;
- ➢ They need workshops of this kind to be conducted again.

Department of Civil Engineering

Three-week Faculty Development Program of Water Distribution Network using WaterGEMS Software

05 February 2018 to 26 February 2018

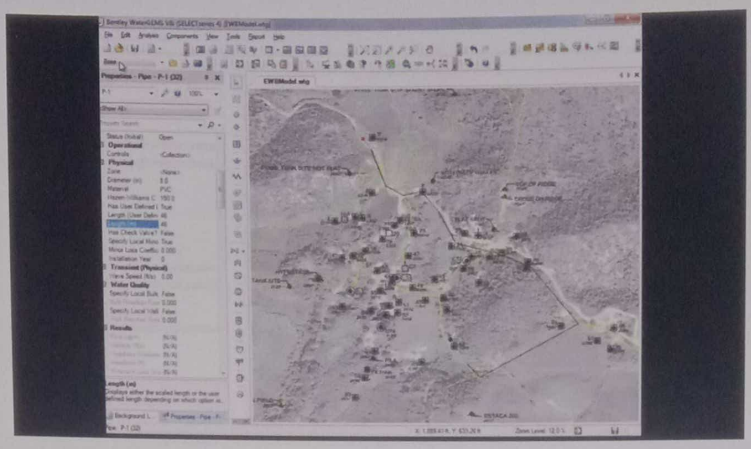

Sensing the importance for analysis and design in structures using various types of software programs in today's globalizing knowledge based economy, **Department of Civil Engineering, YCCE** organized FDP on **WaterGEMS Software for Faculties of Civil Engineering Department BE Student**s. The programme is chaired and inaugurated by **Dr. S. R. Khandeshwar Head, Civil Engineering Department**, **YCCE**, in Presence chief guest of program **Mr. Abhay Chandekar** on **Monday 05th** February **2018.**

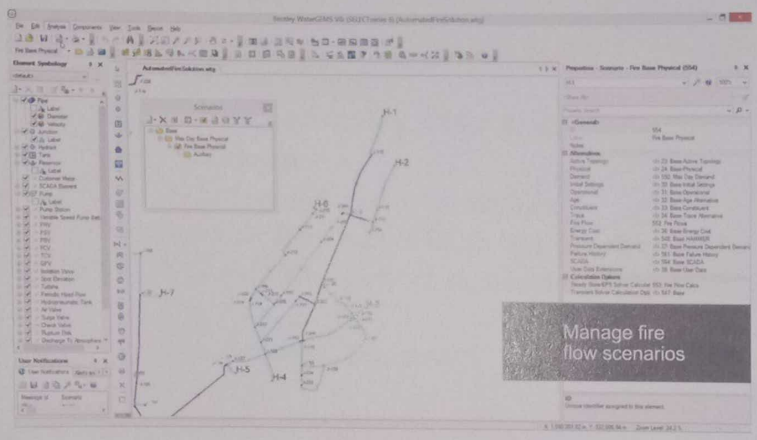

The objective of this Programme is to sensitize faculties about need of learning such software which are useful in the Industry, R&D Organization, Scientific Department and Educational Institutions and encourage students about the software used in the current era.

The faculties present at the programme reached about 26. The delegates were very enthusiastic and eager to know about the software and also had given their best for the success of the programme.

Department of Civil Engineering

Department of Civil Engineering YCCE, Nagpur organizing One Week STTP on "Recent Trends and Advancements in Civil Engineering & Technology" from 5th to 10th March 2018. In this rapidly modernizing world, civil engineering field is also changing very fast. Use of modern techniques in analysis, design, management and execution of civil engineering projects has become the need of the hour. Use of modern technologies saves time and the cost of the projects and increases life of the structures.

This STTP aims at providing insight about the recent developments and modern technologies used in the field of civil engineering. Developments in the fields of Geotechnical Engineering, Structural Engineering, Integrated Water Resources and Environmental Management and Transportation Engineering etc. will be covered in the STTP. Various experts including from academic and industries will cover various aspects of modern technologies used in the field these days. The STTP will be very useful for teaching fraternity, professionals, practicing civil engineers, and project managers.

Experts from reputed and premier institutes, industries and in-house experts will be involved in comprehensive coverage of various topics and discussions with the participants. Some of the Experts for the STTP are Dr. Ashok Keshari, IIT Delhi, Dr. Dasaka Murty, IIT Mumbai. Also some of the experts from the filed Dr. D.P.Mase , P.S. Patankar, Nitin Joge,K.C.Tayade, Rohit Naik, Vinu Paul etc. The Principal Convener for the STTP & Principal, Ycce Dr. U.P. Waghe taking all the care to make training program informative & benefitting for the participants.

ETAB Software Awareness in Civil Engineering

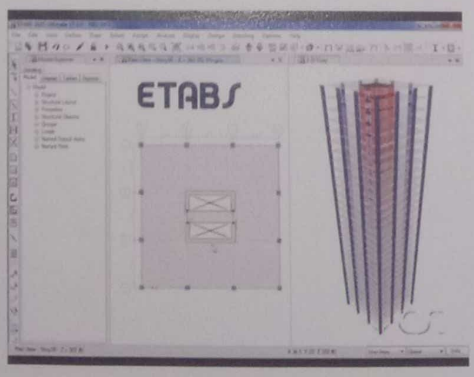

03 May 2018 to 04 May 2018

Sensing the importance for analysis and design of structures using various types of software programs in today's globalizing knowledge based economy, **Department of Civil Engineering, YCCE in association with CESA Pune**, organized **ETAB Software Awareness for VII Semester BE Students**. The programme is chaired and inaugurated by **Dr. S. R. Khandeshwar Head, Civil Engineering Department, YCCE**, and **Dr. S.R.Khandeswar, M.Tech In -charge, Prof. S. G. Kalamkar**, in Presence chief guest of program **Mr. Hitesh Lahoti, Director CESA Pune** on **Thursday 03rd May 2018.**

The objective of this Awareness Programme is to sensitize students about need of learning such software which are useful in the Industry, R&D Organization, Scientific Department and Educational Institutions. The following contents were covered during this program by **Speaker Mr. Hitesh Lahoti**:

- Modeling of a building structure: an overview, Objectives and strategies
- Analysis Flavors: Linear, Non-linear
- Introduction to ETABS: Its history and current capabilities.
- ETABS GUI, Modeling overview from start to finish by a simple example
- Object based modeling: Major differences from element based modeling. Good work methods
- Modeling Objects of ETABS viz, point, line, area.
- Setting up load cases for analysis.
- Overview of analysis available in ETABS.

The number of students present at the programme reached about 11 which were more than expected. The delegates were very enthusiastic and eager to know about the ETAB and also had given their best for the success of the programme.

Notice

All the students of Electronics Engineering department are hereby informed that department is organizing a workshop under IEEE Student Branch, YCCE, Nagpur on the topic "MATLAB: Concepts & Programming" on 23rd & 24th September 2017 at YCCE Nagpur. Workshop will be conducted by IEEE Student branch member under the Guidance of Faculty Coordinators Dr. Yogita U. Chitriv (Dubey) from department of Electronics and Telecommunication, Dr. Prachi Palsodkar from department of Electronics and Dr. Prasanna Palsodkar, Branch Counselor, IEEE Student Branch. Contact Dr. Prachi Palsodkar for more details and registration.

Workshop on
MATLAB: Concepts & Programming

Venue: Digital Signal Processing Lab, Department of Electronics and Telecommunication Engineering, YCCE, Nagpur

Date:- 23rd & 24th September 2017
Time:- 10 am to 5 pm (on both days)

Yeshwantrao Chavan College of Engineering successfully organized a workshop under IEEE Student Branch, YCCE, Nagpur on the topic "**MATLAB: Concepts & Programming**" on 23rd & 24th September 2017 at YCCE Nagpur.

Workshop was conducted by IEEE Student branch member under the Guidance of Faculty Coordinators Dr. Yogita U. Chitriv (Dubey) from department of Electronics and Telecommunication, Dr. Prachi Palsodkar from department of Electronics and Dr. Prasanna Palsodkar, Branch Counselor, IEEE Student branch

Program session 1 was started by giving brief overview of MATLAB software information by Dr. Prachi Palsodkar. Later on workshop session was started by Tushar Devendra Gathe. He has started session by giving information on Basic Syntax of MATLAB operator along with predefined function and vector representation available in software. All participants actively involved in learning. Shivani Katolkar took the next session 2 on Plotting and Graphs. She gave example of day to day life application which helps participants to understand features of plotting and graphics. She gave number of problem on various functions which made easy learning. Dr. Yogita Chitriv concluded the day1 by briefing about available toolboxes and features of MATLAB.

Session 3 started by Ankit Charde on 24th sept, 2017. He gave brief information on Matrix and Array. As matrix manipulation is the base of image processing, he taught various syntax related to matrix and array by giving problem.

Last session taken by Sanjyot Kawale. He focused on programming part of MATLAB. He took Iteration, conditional statement along with example.
He tried to give importance on logic development so that participants do programming by their own.

There were **30 participants** in workshop from GHRCE, RMCOEM, PCOE & YCCE. Programmed ended with feedback session.

WIE Leadership Summit

Date: 29/08/17

"Women Empowerment and Entrepreneurship as career option"

Yeshwantrao Chavan College of Engineering congregated a WIE leadership Summit under IEEE Nagpur Subsection on theme "**Women Empowerment and Entrepreneurship as career option"** on 29th August 2017 at Department of Electronics Engineering, YCCE Nagpur.

It was the conglomeration of professionals and entrepreneurs coordinated by Dr. Prachi Palsodkar. Eminent Personalities like **Dr. Priti Bajaj**, Secretary IEEE India council and Director GHRCE, Nagpur, **Dr. Manali Kshirsagar**, Principal RGCER, Nagpur, **Jyoti Kapoor** - Counselor and a Psychotherapist,Cofounder and partner in infinite space (sector –Games), **Lulua Kapadia/Katawala** - co-founder of TriCous from Food Industries, **Bhawana Janbandhu** -BJ'S Color N Pattern, from Sector Products & Garments, **Ashita Reuben**- Creative Head & Managing Partner Coffee Beans Studio Takshaa Academy for the Artist Nagpur, Sector: Promotion & entertaining, **Bhavana Chittawar** - Chief Counsellor and Mentor at Skill EE Trainings Pvt Ltd SkillEE Trainings Pvt Ltd, (Sector: Education) was participated in the event.

Program was started with inaugural function in presence of Principal YCCE, Dr. U.P.Waghe, Dr. Preeti Bajaj as chief guest, Dr. S.D. Bhole, CEO, MGI, Dr. A. V. Bapat, Dean academics matters, YCCE.

Dr. Preeti Bajaj conducted her first session **on "IEEE: Technology Advancement and Benefits".** Her Inspirational speech made aware participants about IEEE.

Later on Panel Discussion was started by Dr. Manali Khirsagar as panel moderator. Skillfully she has moderated the panel by involving participants to greater extent. During Discussion following discussion was continued.

1) Why you chosen your career as entrepreneur?

Jyoti told about great opportunities and joy in educational game making. Luluva was excitedly recited her journey as EDC cell in-charge in her college life diverted her vision to leave good salaried job and to start chocolate making industry. Ashita told her challenging journey in Nagpur, in entertainment sector with some bomb blast animation creation experience in her firm. She told she was scholar in her college day's still she preferred to create job rather than doing. Bhavana Janbandhu told her struggling journey started from Chandrapur district from a middleclass, job oriented family. Bhawana told how she

*Note: Do not print unless it is required. Save Trees, Save Environment.

has left her job and joined business. Experience shared by panelist encouraged students a lot.

Dr. Manali interacted with participants and asked them questions

2) Who want to become entrepreneur and why?
Participants were very enthusiastic and answered very interesting reasons.

3) Do you think Mentor is required?
This answer was started with no from students side was modulated by panelists experienced advice that mentor is required for successful growth. Lulua told her personal experience how after getting mentor her business enhanced.

Few more questions discuss were, what are the **problems faced during business startup? Which are the challenges as women entrepreneur?**
How to manage Finance? Jyoti Kapoor has suggested TIE Nagpur is ready to help.

Program was concluded with felicitation of students participated voluntarily.

Few leadership development activities were conducted by students. All participants enjoyed the event a lot.

Total 110 girls students and lady faculty participated for the program from different engineering colleges like YCCE, GHRCE, PCE Nagpur. Students showed their interest in entrepreneurship as career by asking more details to speakers.

Report on

Three Days Expert Lecture by Dr.R.B.Pachori, IIT,Indore on "Digital signal Processing"at YCCE,Nagpur

Dignitaries on the Dais Dr.U.S.Ghodeswar, Dr.R.B.Pachori, IIT Indore, Dr.A.S.Khobragade HoD,EE

Department of Electronics Engineering of Yeshwantrao Chavan College of Engineering, Nagpur has organized three days expert lecture on **"Digital Signal Processing ".** This expert lecture was organized under visiting professor scheme on 1st- 3rd february 2018, The expert was Dr. R.B.Pachori, Professor from IIT,Indore. The session was inaugurated by the hands of Dr.A.S.Khobragade,HoD,EE,YCCE, in the presence of faculty members of the department. The session delivered by expert gave great opportunity for UG student to get exposure regarding Digital Signal Processing. The session was attended by 151 students from 6th sem(Electronics). Dr.U.S.Ghodeswar, Dr.R.D.Thakare, Prof.M.S.Pawar, Prof.P.A.Jadhav and Prof.S.S.Gugulothu worked hard for the success of this event.

Name of Expert: Er. Ayush Sharma, Deloitte, Mumbai

Department of Electronics and Telecommunication under IEEE Student Branch of Yeshwantrao Chavan College of Engineering, Wanadongri, Nagpur Organized Two Days Workshop on "Engineer amidst Machine Learning and Data Science" for the UG/PG students on 24-25 March 2018. The expert for this seminar is Er. Ayush Sharma, Risk Advisory Consultant, Deloitte, Mumbai. He is working on Machine Learning and Data Science application development from last four years.

On day1, he introduced the concept of Machine Learning & Data Science and highlighted application areas like Titanic Disaster Survival prediction, Character Recognition, Prediction/classification problem solving using python. On second day of workshop, he focused on analyzing large data and finding problem related to it. In addition, he taught how to find its solution through Neural Network or machine learning techniques. He guided students in regards of flow of application development and implementation using machine learning and graphics visualization. At the end he interacted and motivated students for learning new programming languages so as to update their technical skill set.

Date of Event: 18-19 Aug 2018

No. of Participants: 102

Name of Speaker: Mr. Ali Mustafa, POC of Google Crowdsource

Workshop on Machine Learning using Tensorflow™ held during ICON - Technical Fest on 18-19 August 2018. IEEE YCCE SB invited Mr. Ali Mustafa, POC of Google Crowdsource to train the students with Machine Learning. He currently works in the field of Machine Learning. Therefore, he also introduced the ML in a simple way.

The workshop was designed with constant efforts made by Ali and YCCE SB in such a way that it gave the perfect hands-on training to the students. Students were from different colleges. Total 15 volunteers constantly helped to make this workshop possible throughout both days. All the participants were provided with Breakfast and tea for twice in a day for both days. Hence the participants were enjoying the workshop and energetically participated in all the Q and A sessions and all the tasks given by instructor.

Guest Lecture Report

Date: 31/01/2018

Topic: "Cyber Security and its scope"

Speaker: Mr. Akshay Bharganwar, CEO at TechEra Security Solutions Hyderabad.

Organized by: Mr. P. R.Tambekar, Mr. Sushil Chavhan, (Asst. Prof. IT)

Summary of the Guest Lecture:

This lecture was given by Mr. Akshay Bharganwar, CEO at TechEra Security Solutions Hyderabad, to 6th semester students of IT. Around 70 students attended the guest lecture. The objectives of session were to

- To create awareness to students about cyber security because In the Technology Era, Cyber Security has become inevitable.

The Guest Lecture embarked by Mr. Pratik Tambekar giving a brief introduction of Mr. Akshay Bharganwar to the audience.

Mr. Akshay Bharganwar Sir initiated the talk by emphasis on the significance of Data. He voice that the next World War will be only for Cyber Data. His talk geared on various facets of Cyber Stalking, Extortion, Spoofing, Cyber Crimes and Cyber Forensics. He discussed about crime investigation case studies. His talk pursued about Privacy Policy for various applications that are freely available. He catered usage of Disposable Email Accounts and explained the importance of it.

Mr. Akshay Bharganwar discussed the NETIQUETTES – the network etiquette, the do's and don'ts of online communication. He discussed both common courtesy online and the informal "rules of the road" of cyberspace.

The students of Digital World must be equipped with proper knowledge about the job opportunities in this field. Prospective Employment Careers in this Cyber Security are still in disguise. He gave a deep insight on various technical jobs for professionals in Cyber Security to our students. He gave information about various Universities and Courses in India that give Certification required in this field. His talk concluded with usage of security countermeasures from AdBlock Plus, Dumpster, ChatSecure.org, VirusTotal.com, donottrackme and others.

NOTICE

Date:- 27/03/2018

This is to inform all the students of 5th semester that department is organizing a GUEST LECTURE ON " ROBOTICS AND CLOUD CENTRE" ON 28/03/2018 at 12.30 pm. The purpose of the guest lecture is to give the students in brief idea about the various various techniques used in robotics.

Speaker:- Mr. ANIL TATODE
ROBOTICS AND CLOUD CENTRE in-charge

Report on GUEST LECTURE ON
"ROBOTICS AND CLOUD CENTRE"
ON DATED 28/03/2018

The guest lecture for the students 6th semester of Electrical Department was held on 28/03/2018 WEDNESDAY at 12.30 pm . The topic of the guest lecture was ROBOTICS AND CLOUD CENTRE. The speaker was Mr. ANIL TATODE, ROBOTICS AND CLOUD CENTRE in-charge , RTM NAGPUR UNIVERSITY . Here the speaker gave the students in brief idea about various techniques used in robotics.

Total 62 students from 6th semester were benefited.

Delivering Guest lecture on Robotics & Cloud Centre

NOTICE

Date:05-09-2017

All the students of mechanical engineering are hereby informed that Department of Mechanical Engineering is organizing workshop on Machine Learning for Manufacturing during 19-09-2017 to 24-09-2017 (36Hours). There is no fee for Workshop. Interested candidates can enroll on or before 15-09-2017. Interested students can contact Dr. J. P. Giri for further information.

Department of Mechanical Engineering

Report of the STTP (2017-18)

Title:	"Machine Learning for Manufacturing"
Type:	Short Term Training Program (6 days)
Day / Date &Timing:	**19th Sept- 24rd Sept , 2017, from: 11.00 am to 05.00 pm**
Resource Person	Dr. Jayant Giri YCCE
Coordinator	**Dr. Jayant P. Giri,** Associate Professor, Department of Mechanical Engineering, YCCE.
Convener	**Dr. S.S. Chaudhari,** HoD & Associate Professor, Department of Mechanical Engineering, YCCE.
Registration Fees:	Free, No Fees.
Target Participants	Students
Number of Participants	100
Objective & Outcomes:	**Objectives of the workshop:** 1) To introduce the Machine Learning techniques to the participant 2) To introduce the procedure of machine learning techniques and their programming 3) To introduce participant to MATLAB and simulation tools **Outcome of the Workshop:** At the end of the STTP participant should be able 1) To have the knowledge about Machine Learning techniques 2) To have the basic knowledge about MATLAB PROGRAMMING 3) To have knowledge about optimization techniques and algorithms
Photographs:	 Participants attending the session

ONE WEEK SHORT TERM TRAINING PROGRAMME ON

"Machine Learning for Manufacturing"

September 19th-September 24th, 2017

ORGANIZED BY :

Siemens Centre of Excellence
Department of Mechanical Engineering
Yeshwantrao Chavan College of Engineering, Nagpur-441110

OBJECTIVE

Customized training program intended to foster a platform for students from All Engineering domain to understand emerging trends of machine learning in manufacturing sector.

ABOUT INSTITUTE

Yeshwantrao Chavan College of Engineering (YCCE) is established in 1984 by Nagar Yuwak Shikshan Sanstha, Nagpur. It is affiliated to Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur. YCCE is renowned for engineering education and research. For over 28 years, it has successfully nurtured young engineering professionals, becoming a sought after destination for students aspiring to higher technical education and placement in the competitive software and core industry.

The college is guided by Academic Advisory Board consisting of eminent academicians from prestigious technical institutes in India and USA. The college is having well qualified and experienced senior faculty members.

YCCE has become the first private engineering college to acquire "Autonomous Status" in Central India. The institute is implementing autonomy in progressive manner from academic session 2010-11. The students admitted to B.E. and M.Tech. Courses from academic session 2010-11 are under autonomy.

About Mechanical Engineering Department

The Mechanical Engineering Department was established in the year 1984**, W**ith an aim to develop highly competent human resources in Mechanical Engineering profession, department is equipped with up-to-date infrastructure. The emphasis is on making aspirant familiar with theoretical and practical aspects of various fields of Mechanical Engineering.

Our promising thrust areas include CAD/CAM, Quality and Productivity Improvement, Industrial Fluidics, Automobile Engineering, Refrigeration and Air Conditioning & Heat Transfer applications.

To develop skills in manufacturing and fabrication, we have a well equipped Central Workshop. Students are trained on specialized facilities like NC/CNC Machines, Robot, Flexible Manufacturing Systems and advanced software like ORACLE, AUTODESK, Pro-E, ANSYS and CATIA.

About Siemens Centre of Excellence

Department of Mechanical Engineering, YCCE has established Siemens centre of excellence under the proficient guidance and support from Siemens and AICTE .Education fraternity and Industries are drawn from the resources of Centre of Excellence and its industry and academic partners, and bring unique and relevant domain expertise that can provide ongoing linkage to the needs and trends of the Digital Manufacturing. Under the guidance and direction of the Siemens and AICTE, concepts and innovative ideas can be nurtured to exchange industry knowledge and developments and to provide practical and immediate prevalence to the various activities.

The vision of the Siemens Centre of Excellence, YCCE is to provide a responsive and innovative nucleus for growth and expansion of common platform between academia and industries. The training facilities, focusing the efforts of a highly skilled and experienced cadre of thought leaders who have the mission to energize the application of innovation as a competitive edge.

COURSE OUTLINE

- Basics of machine learning
- Data plotting
- Fundamentals of MATLAB Programming
- Fundamentals of Curve fitting
- Response Surface Methodology using MATLAB
- Artificial Neural Network
- Optimization using ANN
- Mathematical Modeling using ANN
- Modeling and Simulation using Simulink
- Case Studies on Modeling and Simulation

COURSE INSTRUCTORS

- Dr.J.P.Giri

Patron

- Hon'ble Shri Dattaji Meghe

Title:	Guest Lecture on **"TPM"**
Date & Timing:	10/08/2017 at 12.00 PM
Resource Person	**Er D. P. Sarma,** President NSSL, Nagpur
Coordinator	**R. G. Bodkhe,** Asst. Professor, Department of Mechanical Engineering, YCCE.
Registration Fees:	Free, No Fees.
Target Participants	Students
Number of Participants	150
Summary of Event	This program specially focused on guiding students **TPM.** Er D. P. Sarma, President NSSL, Nagpur. brief about How to apply Total Productive Maintenance? TPM bases on the foundations of Lean 5S, a systematic effort to improve production through the following five actions, ensuring optimal working conditions for both the teams and the machinery: • Sort: remove unnecessary equipment from work stations, • Straighten: organize the remaining equipment, • Shine: clean the workspaces to ensure safety and efficiency, • Standardize: make the above efforts staple policies for the team,

Title:	Guest Lecture on **"Entrepreneurship Development"**
Date & Timing:	22/09/2017 at 2.00 PM
Resource Person	**Mr. Aashish Taywade**, Member of MAIDC
Coordinator	**A. P. Edlabadkar,** Asst. Professor, Department of Mechanical Engineering, YCCE.
Registration Fees:	Free, No Fees.
Target Participants	Students
Number of Participants	190
Summary of Event	This program specially focused on guiding students Entrepreneurship Development. Mr. Aashish Taywade, Member of MAIDC brief about Entrepreneurship, by contrast, is applying the innovation to bring the ideas to life. It is social invention, which lets people do what they could not previously do.
