Dear Ma'am,

**Greetings from EBSCO!**

As per your request for to get **"log entries and data for online access for the teachers and students using library resources between 4<sup>th</sup> Feb to 8<sup>th</sup> Feb."** We're not supporting such a feature currently on our reports platform and can only generate log entry result month wise. e.g. Jan'21 / Feb'21 etc.

We greatly value your suggestion and as per our discussion you're not the only one giving us with these requests. It has been already shared to our concerned team for necessary action which would take time. Hence you can present this email to the concerned auditing teams at your institution.

Please feel free to get in touch with self for any assistance / support.

Thanks and Regards,
