### Department of Information Technology

To,

Mr. Kunal Gajbhiye,

Director at Career Launcher Academy,

Nagpur.

Respected Sir,

Yeshwantrao Chavan College of Engineering, an Autonomous Institution affiliated to Rashtrasant Tukadoji Maharaj Nagpur University is a flagship institution of the Meghe Group and was founded in 1984. It is an established name in Engineering & Technical Education and is a favorable destination for students & parents for higher technical education and for placements.

The Institute celebrated the academic year 2008-09 as its Silver Jubilee Year. It is a premier Institute for higher & technical education in this part of the country, offering seven undergraduate (BE) programs with 1020 intake capacity.

We also offer as many as 10 full times M.Tech. Programme. All eligible programmes are being accredited by the National Board of Accreditation (NBA) and are affiliated with RTM Nagpur University. Besides, the Institute is a recognized centre by RTM Nagpur University for Higher Learning and Research.

Looking at your achievements, stature, your deep knowledge of the field we intend to invite for Online Guest Lecture at the Department of Information Technology of Yeshwantrao Chavan College of Engineering, on Topic "Career Guidance And Higher Studies, dated 09<sup>th</sup> March 2021 at 1 pm.

I request you to kindly make it convenient to be for the Online Guest Lecture

**Summary:**

Department of Information Technology organized Workshop on Job Preparation and Competative Exams on Friday 1st OCTOBER, 2021. The event was inaugurated by HoD, IT Department, Dr. R. C. Dharmik, by online mode. The event was coordinated by Prof. Amol D Gaikwad, Asst. Prof. IT Department. Mr. Akash Bhojar, Lead Consultant Virtusa, Hyderabad, mentioned importance about preparing for Corporate Placement and motivated students for their career building. He shared his industrial experience and trained students. The topics covered were core competency, teamwork, leadership, mastering, business ethics, interpersonal behaviors, personality development, resume writing & interviewing with real example. The Speaker highlighted that in the corporate world, students need to have the skills and knowledge that help to position them for a successful career. The Workshop helped the students to bridge the gap between the Industry standard and current standard of students for recruitment purposes. The Speaker also focused on the various competitive examination that a student can undergo for government jobs and private jobs. As part of the workshop a mock Session was taken for the Participants and then the committee collates the required information from industry experts, and provided timely feedback to help participation to assess themselves and bridge any gap that may exist before the actual placement process begins.

## Department of Information Technology

### Webinar Report

Name: **Webinar Series “MS opportunities and Scope”**

Date: 27 March 2021

Speaker(host): Ms, Shruti Patil, IT2016

Venue: Google Meet (<https://meet.google.com/rvn-fhwq-kra?authuser=0> )

Organized for: 5<sup>rd</sup> Semester and 7<sup>th</sup> Semester Students of IT

No of Student Participation - 25

The Department of Information Technology had organized webinar on “MS opportunities and Scope” in association with IRO and Alumni Cell, YCCE Nagpur. In this series alumnus of all department of YCCE college were sharing their experience with their juniors. In the same manner, one of the alumni is **Shruti Patil** from the Department of Information Technology, who conducted the webinar on 23rd January and share her experience about YCCE, Current Experience and Job Opportunities in Abroad as some students are interested for higher studies.. **Shruti Patil** is currently Graduate Student at Northeastern University and Analyst Intern at Boehringer Ingelheim.

In the start of the session, she explained her journey as an Engineering student at YCCE also told about the various milestones in her college life. Next in the session, she talked about her experience of 16 months at AMDOCS. After which she explained about importance of Master in from good universities. Also, she explained how to get through top MS universities, GMAT Scores and the Documents required for the application. Later she told about her admission process and schemes for the study of management student in France. And also about various documents required for Visa and permit. She also explained about the various scholarship, part-time job offer for the students and job opportunities in various sectors and functions with a doubt session in which students ask their doubts.

## Department of Information Technology

To,

Mr. Chetan Unadkat,

Alumnus, Department of Information Technology, YCCE

Dear ,

Yeshwantrao Chavan College of Engineering (YCCE) is renowned for Engineering Education and Research. For over 36 years, it has successfully nurtured young engineering professionals, becoming a sought-after destination for students aspiring to higher technical education and placement in the competitive software and core industries.

The Department of Information Technology is established in 2001, conduct one UG program in Information Technology with an intake of 60. Department is an approved research centre of Rashtrahant Tukadoji Maharaj Nagpur University for the Ph.D. in Information Technology & Computer Science program. The UG Programme B.E. in Information Technology is accredited by National Board of Accreditation (NBA) in second cycle and also got extension for three year upto 2023. The department regularly organizes industrial visits, induction programs, student development programs, guest lectures, seminars, workshops, in-house training, webinar, etc.

Looking at your achievements, stature, your deep knowledge of the field we intend to invite for Online Seminar at the Department of Information Technology of Yeshwantrao Chavan College of Engineering, on Topic "Latest Trends in Project Working Environment",

Dated 14<sup>th</sup> May, 2021 at 10 am.

I request you to kindly make it convenient to be for the Online Seminar  
Thanking you,

### Alumni Interaction Report

**Date:** 14/05/2021

**Topic:** **Latest Trends in Project Working Environment**

**Alumni Name/s:** Mr. Chetan Unadkat, Cluster manager, Seamless Distribution Systems.

**Organized by:** Mr. Sushil Chavhan, (Asst. Prof. IT)

#### **Summary of Interaction:**

This Interaction was given by Mr. Chetan Unadkat, our 2012 passed out alumina who is Cluster manager, Seamless Distribution Systems., on 14<sup>th</sup> May 2021 to the students of IT. Around 60 students were present for interaction. He gave his introduction and told us about his interview experience. The Students feom III adn IV year (**Total 60 Students**) have attended the Program

The purpose of this interaction was to provide knowledge about various Technology and roles in IT industries. Mr. Chetan Unadkat started the lecture with various emerging technology in IT industries. He made the students to understand about Transformation of Analog world to digital world. Students were encouraged to identify their area of interest like Big Data, Cloud Computing, Network Security etc. and focus on those technologies to get the job in various sectors.

Throughout this lecture, students gained a better understanding of trends in technologies and opportunities for future career growth. They also gained the knowledge of different techniques and models applied for developing new application or products.

He answered various questions of students, all answers having his real time experiences so all students more and more interactive. It was a Wonderful experience for all students. Students were acquainted of advanced techniques in IT. Interaction was ended with vote of thanks by me for dedicating his valuable time and efforts for student's interaction session.

### Alumni Interaction Report

**Date:** 15/05/2021

**Topic:** Seminar on "Salesforce"

**Alumni Name/s** Mrs. Leena Nehpade, Technical lead at IBM Pune.

**Organized by:** Mr. Sushil Chavhan and Bhushan Bawankar (Asst. Prof. IT)

#### **Summary of Interaction:**

This Interaction was given by Mr. Mrs. Leena Nehpade, our 2014 passed out alumina who is Technical lead at IBM Pune on 15<sup>th</sup> May 2020 to the students of IT. Around 25 students were present for interaction. The interaction is arranged through goggle meet (<https://meet.google.com/hsk-kqoq-mvy?authuser=0>). The talk started with a welcoming speech given by me.

Elucidated about the basic concept of Cloud Computing and Cloud CRM. The tool which is commonly used now days is "SALESFORCE". She told that Salesforce typically works for metadata. She provided a complete demonstration of how to create an account on Salesforce and how to use its various features. Effective utilization of this technology helps a business grow into a more streamlined, effective and efficient organization across sales, service, marketing and more.

She advised students to keep upgrading their selves with new technology on present generation. She discussed with students regarding the usage of "Sales force" and how to utilize that application. She suggests students to register on Sales force to get grip on that application by doing number of assignments and getting the badges, which are more helpful for their placements at the time of recruitment..

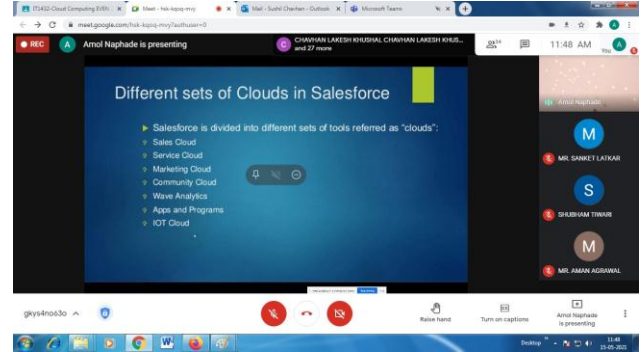

After that a small query session was discussed between the students and Speaker. The Interaction has come to an end with the vote of thanks by Mr. Bhushan Bawankar Sir for dedicating his valuable time and efforts for student's interaction session. Students are departed with a high sense of satisfy action. Total 25 Students have attended the seminar on Slaesforce.

**Subject:** Re: Invitation: Yeshwantrao Chavan College of Engineering, Nagpur

Dear Belsare Mam,

Thank you for reaching out to me to be a part of this program. This is a great opportunity to give back to my Alma Mater.

I would be interested to be a part of this. However, I am only available during weekends (16-17 Jan or 23-24 Jan). Let me know the next steps.

I will positively send the bio and photo to Sushil Chavhan sir.

Regards,

Akanksha TYAGI

**Dear distinguished Alumni,**

Greetings from YCCE Nagpur!!!

Hope you are doing well in this pandemic Situation & following all necessary precautions.

We are very happy to reconnect to you. We at YCCE, Nagpur are planning to bring all our distinguished alumni under one umbrella for betterment of current graduates. Hope you will also volunteer the good cause towards your juniors & young aspirants from YCCE.

To formally reconnect with the students of YCCE, we are planning to organize **a webinar series during 15th - 30th Jan 2021** tentatively which elaborates the Study Abroad process & Top universities wherein they can apply for perusing higher

studies. Some major points are identified through students' inputs & are given for your reference. Following points will be deliberated on this webinar :

- Ranking of universities
- Score requirements
- Documents required
- Funding agencies
- Facilities available
- Earn and learn scheme
- Job Opportunities

We seek your help & response for delivering the one-hour webinar including Q&A to make students aware about the study abroad process.

We would also like if you inform us your willingness & availability during the period **15th - 30th Jan 2021**.

**If you accept the invitation, please also share your short bio and photo to your department coordinator and cc to IRO, YCCE at [iro@ycce.edu](mailto:iro@ycce.edu)**

**You should have any query on this, please feel free to contact us.**

## **Stay Safe Stay Healthy**

### Student Development Workshop, Report

Name: Webinar Series “**Study Abroad Webinar Series by Alumnus**”

Date: 23 January 2021

Speaker(host): **Akanksha Tyagi**, IT2016

Venue: Google Meet ( <https://meet.google.com/lookup/eklyhgbdt3> )

Organized for: 5<sup>th</sup> Semester and 7<sup>th</sup> Semester Students of IT/EE/ETC/EL/CT/ME/CE

#### **Students Participation -50**

The Department of Information Technology had organized webinar on “Study Abroad Webinar Series by Alumnus” in association with IRO and Alumni Cell, YCCE Nagpur. In this series alumnus of all department of YCCE college were sharing their experience with their juniors. In the same series, one of the alumni is **Akanksha Tyagi** from the Department of Information Technology, who conducted the webinar on 23rd January and share her experience about YCCE, Current Experience and Job Opportunities for Management students in Abroad. Akanksha Tyagi is currently working as Marketing and Sales discipline in ESCP Berlin campus, Germany.

She has a bright academic career at YCCE, she is the first student from YCCE to score 10 pointer in YCCE. After which she started studying as a management student at ESCP Europe Business School (#6 Global Ranking in Financial Times 2020). She is now a Master in Management Candidate with 15.64/20 GPA. She is also a Merit Scholarship Holder.

She also worked at L’Oreal HQ France as a Digital Business Management Intern, at Procter & Gamble SAS France as an IT Project Management Intern, at MasterMentor as a Content Creator and Client Manager, at Evestent Yodlee as Software Engineer

In the start of the session, she explained her journey as an Engineering student at YCCE also told about the various milestones in her college life. She is the Academic Gold Medalist of 2016 also the TCS Best Student 2016. Next in the session, she talked about her experience of 16 months at Yodlee. After which she also explain about Master in Management institutions and their

## Department of Information Technology

---

To,

Mr. Akash Binwal, Software Engineer,  
Media Agility, Pune.

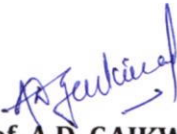

Respected Sir,

Yeshwantrao Chavan College of Engineering (YCCE) is renowned for Engineering Education and Research. For over 36 years, it has successfully nurtured young engineering professionals, becoming a sought-after destination for students aspiring to higher technical education and placement in the competitive software and core industries.

The Department of Information Technology is established in 2001, conduct one UG program in Information Technology with an intake of 60. Department is an approved research centre of Rashtrshant Tukadoji Maharaj Nagpur University for the Ph.D. in Information Technology & Computer Science program. The UG Programme B.E. in Information Technology is accredited by National Board of Accreditation (NBA) in second cycle and also got extension for three year upto 2023. The department regularly organizes industrial visits, induction programs, student development programs, guest lectures, seminars, workshops, in-house training, webinar, etc.

Looking at your achievements, stature, your deep knowledge of the field we intend to invite Workshop at the Department of Information Technology of Yeshwantrao Chavan College of Engineering, on Topic "Job Placement Preparation", Dated 01<sup>st</sup> October 2021 at 11 am.

I request you to kindly make it convenient to be for the Online Seminar  
Thanking you,

## Workshop Report - on Job Placement Preparations

Date: 01-10-21

Speaker - Mr.Akash Binwal, Software Engineer, Media Agility ,Pune.

Coordinator: A.D.Gaikwad,Assistant Professor IT,YCCE

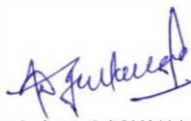

Organized by: Department of Information Technology

**No of Student Participation -38**

### Summary:

Department of Information Technology organized Workshop on Job Placement Preparations on Friday 1st OCTOBER, 2021. The event was inaugurated by HoD, IT Department,Dr. R. C.Dharmik, by online mode. The event was coordinated by Prof.Amol D Gaikwad, Asst. Prof. IT Department.The Workshop Speaker Mr.Akash Binwal, Software Engineer, Media Agility ,Pune. gave a brief overview of problems faced by students during Interview was discussed and also recent technology required for cracking the interviews for better campus placement were discussed by the expert in the session.

The Speaker highlighted that in the corporate world, students need to have the skills and knowledge that help to position them for a successful career. The Workshop helped the students to bridge the gap between the Industry standard and current standard of students for recruitment purposes.As part of the workshop a mock Session was taken for the Participants and then the committee collates the required information from seniors, alumni, and industry experts, and provided timely feedback to help participation to assess themselves and bridge any gap that may exist before the actual placement process begins.

### Department of Information Technology

To,

**Mr. Anil Tatode,**

Training Officer,

Department of Robotics and Cloud Technology,

RTMNU Nagpur University.

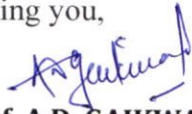

Respected Sir,

Yeshwantrao Chavan College of Engineering (YCCE) is renowned for Engineering Education and Research. For over 36 years, it has successfully nurtured young engineering professionals, becoming a sought-after destination for students aspiring to higher technical education and placement in the competitive software and core industries.

The Department of Information Technology is established in 2001, conduct one UG program in Information Technology with an intake of 60. Department is an approved research centre of Rashtrashant Tukadoji Maharaj Nagpur University for the Ph.D. in Information Technology & Computer Science program. The UG Programme B.E. in Information Technology is accredited by National Board of Accreditation (NBA) in second cycle and also got extension for three year upto 2023. The department regularly organizes industrial visits, induction programs, student development programs, guest lectures, seminars, workshops, in-house training, webinar, etc.

Looking at your achievements, stature, your deep knowledge of the field we intend to invite Webinar at the Department of Information Technology of Yeshwantrao Chavan College of Engineering, on Topic **"Trends and Opportunities in Cloud Technology & Information Security"**, Dated **02<sup>nd</sup> April 2021 at 10 am.**

I request you to kindly make it convenient to be for the Online Webinar  
Thanking you,

  
Prof. A.D. GAIKWAD  
IT Dept, YCCE

### Report on Webinar

Name: **Trends and Opportunities in Cloud Technology & Information Security**

Event - Webinar

Date: 02 April 2021

Venue: Google Classroom

No of Studnets - 30

Organized for: 5<sup>rd</sup> Semester and 7<sup>th</sup> Semester Students of IT

The Department of Information Technology had organized Webinar on , “**Trends and Opportunities in Cloud Technology & Information Security**” on 02 April 2021 in association with RTMNU Nagpur. The Webinar was attended by 5<sup>th</sup> semester and 7<sup>th</sup> semester students of IT. There were 20 Students participants.

The objective of the workshop was to

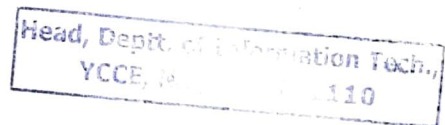

- Understand the Cloud Technology
- Understand the security model
- Understand the Opportunities in Cloud Technology
- Understand the Cloud and Security Service

### One Week Student Development Program on "PROGRAMMING AND PROBLEM SOLVING" (2<sup>nd</sup> August 2021 to 7<sup>th</sup> August 2021)

#### About The Program

The new era in the field of Computer Science and Information Technology, every Fresher students need to write complex problem solutions in various programming language. To solve these Students needs to be aware of problem solving techniques. Problem solving and Computational thinking is the process of approaching a problem in a systematic manner and creating and expressing a solution such that it can be carried out by a computer.

In this course, you will learn about the pillars of Problem Solving, how to develop and analyze algorithms, and how solutions can be realized on a computer using the various programming language. So that students can solved the complex program in TCS codevita type Events.

#### Aim and Objectives

- Understand the importance of Problem Solving
- Write a program in various Programming language

## Department of Information Technology

### Student Development Workshop, Report

Name: **One week Certificate Program on “Program Solving and Programming”**

Date: **02/08/2021 to 07/08/2021**

Venue: **Online through Microsoft Team**

Organized for: **7<sup>th</sup> Semester Students of IT/EE/ETC/EL/CT/ME/CE**

The Department of Information Technology had organized one Week Student Development Programme on , “Sales force CRM” from **02<sup>th</sup> August 2021 to 07<sup>th</sup> August 2021** in association with Tata Consultancy Services Nagpur. The Workshop was coordinated by Mr. Sushil Chavhan ,Mr. Amol Gaikwad and Mr. R. C. Dharmik. The resource persons were Mr. Amol Kokate (Functional Consulant) and Chetan Malawade (Program Manager) TCS.

The Workshop was attended by and 7<sup>th</sup> semester students of IT/EE/ETC/EL/CT/ME/CE. There were **168 Students participants**. The objective of the workshop was to

- To Understand the Importance of Problem Solving.
- Write a program in various Programming language.

Workshop started importance of Programming and how to good programming helps in placement and its requirement in current scenario also covered. Details schedule is as follows.

Date	Content	Time	
		Theory	Practical
02-Aug-21	Introduction to Problem solving and Programming (Chetan Malavade)	10.00 AM to 11.00 PM	Programming Based on Basic Problems 4.00 PM to 6.00 PM
03-Aug-21	Object Oriented Programming (Amol Kokate)	10.00 AM to 11.00 PM	Program based on OOPs concepts 4.00 PM to 6.00 PM

Nagar Yuwak Shikshan Sanstha's  
**Yeshwantrao Chavan College of Engineering**  
*(An Autonomous Institution affiliated to Rashtrasant Tukadoji Maharaj Nagpur University)*  
**(Accredited 'A' Grade by NAAC)**

## Department of Information Technology

Feedback Analysis:

Feedback is taken on the scale of 1(low) to 4(High), this is as per the requirements of TCS

### Impact Analysis

#### Before Workshop

Points	Knowledge of Program Solving Techniques	Knowledge of Programming paradigm	Knowledge of Different Programing Languages	Knowledge of TCS Test Process
Average Rating	3.3	3.4	3.5	3.5

#### After Workshop

Points	Knowledge of Program Solving Techniques	Knowledge of Programming paradigm	Knowledge of Different Programing Languages	Knowledge of TCS Test Process
Average Rating	4.5	4.6	4.8	4.8
