March 26, 2017
 Organizing Chairman, GATE 2017 on behalf of NCB-GATE, for MHRD

 Prof. Govind Joseph Chakrapani

The GATE 2017 score is calculated using the formula

$$GATE\ Score = S_q + (S_c - S_q) \frac{(M - M_q)}{(\bar{M}_c - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this score card in GATE 2017

M_q is the qualifying marks for general category candidate in the paper

\bar{M}_c is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_c = 900$, is the score assigned to \bar{M}_c

In the GATE 2017 score formula, M_q is usually 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2017 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Letter of Offer

13 January 2020

Mr Shreeyash NICHKAWADE

Krishna Consultants - Nagpur
Plot No. 10/2, I.T.Park, Behind Infotech Tower, Opp. V.N.I.T. Engineering College, Parsodi,
Nagpur Maharashtra 440022
INDIA

Dear Mr Shreeyash NICHKAWADE,

Congratulations on your **successful** application to Macquarie University. We are delighted to offer you admission as an international student with this offer, which consists of the following course(s), subject to the following conditions(if any):

Master of Engineering Management (099168B)

Course duration:	2 years
Study periods:	4 Compulsory Study Periods of 0.50 years duration each
Total credit points required:	160.00
Campus:	North Ryde
Mode of Study:	Full-time
Orientation:	20 July 2020
Course start date:	27 July 2020
Course end date:	30 June 2022
Estimated fee per compulsory study period:	AUD\$ 18,750
Estimated total tuition fee of this course:	AUD\$ 77,500

PAYMENT REQUIRED TO ACCEPT OFFER

Degree Commencement Fee	+ AUD\$ 18,750
Overseas Student Health Cover	+ AUD\$ 1,365 (26 months, Single cover)
Student Service Amenities Fee	+ AUD\$ 154
Total Amount Payable to Accept Offer:	= AUD\$ 20,269 Due: 19-Jun-20

The university recommends that you accept your offer six (6) weeks prior to the course start date, to allow sufficient time for processing of your visa application.

Your offer of admission and the information contained in this letter of offer remains valid only for the academic intake stated. We look forward to welcoming you to Macquarie University. We wish you success in your future studies.

Yours sincerely,

Nicole Brigg | Pro Vice-Chancellor, International
Macquarie International

CRICOS Provider No. 00002J

For further information please contact mi.indiaadmissions@mq.edu.au

TERMS AND CONDITIONS OF OFFER

Mr NICHKAWADE, Shreyash | Student ID: 46233822 | Date of Birth: 06-Jun-1996

MACQUARIE
University
SYDNEY • AUSTRALIA

By accepting this offer, I acknowledge and agree to the following terms and conditions:

Enrolment

- The information provided by me to support my application for admission is accurate and true. The provision of false information or lack of disclosure may lead to the cancellation of my enrolment and the university will report any such activity to the relevant authority.
- All documents I submitted with my application and acceptance of offer became the property of the University and will not be returned.
- I will attend the relevant orientations and access all University information and read my University-assigned email address at least once a week to inform myself and to enable me to comply with the requirements for my program of study. If I cannot attend the orientation, I must notify the International Admissions team.
- I will provide Macquarie University with details of my current residential address, mobile number, email address and next-of-kin details within 7 days of arriving within Australia and will notify the University of any change to those details within 7 days of the change for the duration of my study.
- I will obtain my Campus Card within 5 business days of commencing the studies at Macquarie University.
- I will notify Student Advocacy and Support at Macquarie University in writing immediately if I am unable to continue with my enrolment in this program, or to remain enrolled as a full-time student, studying on campus.
- I will read the course [Handbook](#) and inform myself of the course details, program specifications and inherent requirements. The program may contain compulsory and elective units which are offered Online or by External study mode or require work-based training or placement. I will not enrol in more than one-third of the units (or equivalent credits) of the program by online/external study. Nor will I enroll exclusively by online/external study in any compulsory study period.
- If I enrol in units which are contrary to academic advice, I am responsible for the consequences from enrolment in those units, including any fees and penalties that I am liable for, should I incur them for late enrolment and/or changing units.
- Some programs and/or units of study (subjects) require specific Maths prerequisites, as stated in NSW Higher School Certificate Math Syllabus terms. Students who have not completed High School in NSW will be required to demonstrate their Mathematics knowledge either through achievement of a certain result in their Foundation or Intensive Program Mathematics units or through additional testing. If I am not able to demonstrate the required prerequisite knowledge for entry into a Diploma program, or an Undergraduate degree or unit, I will need to undertake additional Math subject(s) and this may delay and/or extend the duration of my studies.
- If I defer my offer, a new offer of admission will be required. Higher fees than those quoted in this letter may apply and I may not be eligible for future intakes where entry requirements change, where entry is competitive, or where a program quota has been met.
- Macquarie University has a number of appeals policies which set out how to appeal a decision or make a complaint. I will read and follow relevant policy and procedures at students.mq.edu.au/study/my-study-program/appeals
- I will inform myself and act in accordance with the Macquarie University Student Code of Conduct and understand that misconduct may give rise to disciplinary proceedings: students.mq.edu.au/study/getting-started/student-conduct
- I will conduct myself in an honest, ethical and professional manner consistent with the values of Macquarie University Ethics Framework: mq.edu.au/ethics.
- I am aware that acceptances received after the due date will be processed by the University. However, if I am unable to obtain my student visa in time to start your course, we will issue you with a new offer for the next available intake.
- I am aware that I will be placed in a course level according to my individual language needs and intended progression to Macquarie University. Any amendment to my study plans at the ELC will always be done in consultation with me, in line with the [ELC Monitoring Student Progress Policy](#). If I need to extend my English language program further than specified on this offer letter, please refer to the [ELC website](#): for information about courses and fees.

Fees and Charges

- Tuition Fees are charged on a per credit point basis.
- English Language Tuition Fees are charged on a per Study Block basis which consists 5 weeks of English Language Study
- Macquarie University reviews per credit point fee and weekly English Language Tuition Fee each year and reserves the right to increase tuition fees in future years. Estimated tuition fees in the letter of offer are based on published per credit fee for the current year and, or estimated per credit fee for future year(s) and standard study load in each compulsory study period to complete the program within the specified course duration.
- Information on the applicable per credit point fee and weekly fees for English Language course are available before enrolment.
- The costs and course information printed in this offer are accurate as at the date of this letter and apply only for the duration of any enrolment in the program offered to me.
- My financial liability for a program scheduled to commence in the offered intake may be subject to an increase and I will pay fees according to the fees rules and applicable policies.
- Students are not required to pay more than half of their course fees at the time they accept their offer, if the course is longer than 25 weeks. I can contact my Admissions Officer with any questions or concerns regarding the tuition fees or tuition fee deposits or due date listed on my Letter of Offer.
- I will access information regarding the costs related to studying at Macquarie University at: mq.edu.au/cost-of-living

- I will access information regarding the costs associated with living in Australia for me and any dependents accompanying me at: studynaustralia.gov.au/english/live-in-australia/living-costs
- The [Student Services and Amenities Fee \(SSAF\)](#) listed in this offer is indicative of the year stated, and based on a full-time student enrolment load per study period. I am liable to pay the SSAF applicable for each study period in which I enroll, however, I will only be charged the SSAF after the census date. The SSAF is subject to annual review by the University, and will increase each year of the period of study (subject to a Government specified cap on indexation), effective at the start of each calendar year.
- Students are subject to other fees, charges and conditions for each study period in which they enrol and are advised to check the current fees, charges and conditions with Macquarie University before enrolling at any time. In subsequent study periods, an AUD\$200 late payment fee will be incurred if payment is made after the payment due date. Should I enrol in year-long units, I will be required to pay the fees for these units in full and upfront by the fee deadline in my first session of study. The OSHC premium quoted in the letter of offer is accurate as at the time of offer and is subject to an annual increase.

Refunds and Transfers

- I have read the Macquarie University International Fee Refund Policy which forms part of this agreement, and accept its terms and conditions, which the University may alter without prior notice. Please check the refund policy before enrolment in each study period at <https://students.mq.edu.au/admin/fees-and-costs/refunds>
- In the unlikely event that Macquarie University is unable to offer my course, the University is obliged to provide a refund of unspent, prepaid tuition fees under the Tuition Protection Service (TPS). TPS is a placement and refund service for international students provided by the Australian Government.
- The University retains the right to grant or refuse my release request to transfer to another education provider within the first six months of study in my principal course.

Privacy

- Information is collected on this form and during my enrolment in order to meet the University's obligations under the Education Services for Overseas Students (ESOS) Act 2000 (ESOS Act) and the National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students 2018 (National Code); to ensure your compliance with the conditions of your visas and your obligations under Australian immigration laws generally. The authority to collect this information is contained in the ESOS Act, the ESOS Regulations 2019 and the National Code. Information collected about me on this form and during my enrolment can be provided, in certain circumstances, to the Australian Government including the TPS, or state or territory agencies, in accordance with the Privacy Act 1988 and designated authorities and, if relevant, the Tuition Assurance Scheme and the ESOS Assurance Fund Manager. In other instances information collected on this form or during my enrolment can be disclosed without my consent where authorised or required by law.
- Macquarie University may disclose information about my progress in the course to other educational institutions, which I am, or have been, a student at, where disclosure is necessary for the purpose of complying with the University's obligations under a collaboration agreement with the relevant educational institution.
- Macquarie University may also collect, use and disclose my personal information in accordance with the applicable privacy collection notices within the policy framework: <https://mq.edu.au/privacy>
- I consent to the sending and receiving of electronic messages for the purposes of the University sending me information relevant to my studies, personal safety, and university life in accordance with the Spam Act 2003 (Cth) and any corresponding regulations for electronic communication methods.
- Macquarie University can publish information on any awards and prizes I have been awarded and, where appropriate, the results for my honours program of study.

Students Under 18 Years Old Only

- If my welfare arrangements are approved by Macquarie University I must stay in an approved homestay until I turn 18, or my course finishes, whichever comes first.
- If I am not living with a parent or nominated relative I must meet regularly with a student advisor.

Legal Requirements

- Information about the ESOS framework and the National Code is at: internationaleducation.gov.au/Regulatory-Information/Education-Services-for-Overseas-Students-ESOS-Legislative-Framework/National-Code
- Any school aged dependents accompanying me to Australia will be required to attend school and this will incur additional charges.
- Macquarie University may at any time vary these Terms and Conditions by publishing the varied Terms and Conditions on the University's website and is under no other obligation to notify me of any variation to these Terms and Conditions.
- Macquarie University, its agents, contractors and employees will not be liable for me for any loss or damage arising directly or indirectly from my failure to check the available information or from Macquarie University's amendments to any fee, charge or terms.
- Macquarie University will use its reasonable efforts to provide the course as advertised but may, at its sole discretion, postpone or cancel the course, alter any part of the course, including but not limited to their content, structure, entry requirements (including score conversions), practical training requirements and graduation requirements.

ACCEPTANCE OF OFFER

Mr Shreeyash NICHKAWADE | Student ID: 46233822 | Date of Birth: 06-Jun-1996

MACQUARIE
University
SYDNEY · AUSTRALIA

PERSONAL DETAILS

Title: **Mr** Gender: **Male**

CAT Registration Number	20140623	PWD Status	No
Gender	Female	Category	NC-OBC
Date of Birth	26/Dec/1995	Date of Test	29th Nov 2020

Section		Section		Section		Total	
Verbal Ability & Reading Comprehension		Data Interpretation & Logical Reasoning		Quantitative Ability			
Scaled Score	Percentile	Scaled Score	Percentile	Scaled Score	Percentile	Overall Scaled Score	Overall Percentile
34.99	96.56	10.03	63.99	19.98	87.28	65	90.88

Instructions:

- Only those candidates who have taken the Common Admission Test (CAT 2020) are entitled to receive the score card. Keep a print-out of this score card for your information pertaining to CAT 2020. You will not receive the score card by email or by post.
- The Overall Scaled Score is the sum of the scaled scores of the candidate in the three sections.
- Percentile refers to the percentage of candidates who receive a scaled score less than or equal to the scaled score obtained by the candidate.
- IIMs and Non-IIM member institutions independently decide how to use CAT 2020 scores in line with their own selection process. The scores are to be used only for selecting the candidates to their respective Post Graduate/Fellow Programme(s) in Management.
- Detection of instances of incorrect information and process violation by a candidate at any stage will lead to disqualification of the candidate. CAT scores of such candidates who are disqualified will become null and void. Such disqualified candidates will not be allowed to appear for CAT in future. If such instances go undetected during the current selection process but are detected in subsequent years, such disqualification and the associated penalties will take place with retrospective effect.
- All queries regarding post-CAT 2020 selection process must be directed to the respective IIMs. CAT Centre will not answer post-CAT queries.
- CAT 2020 score is valid only until 31st December 2021 and is subject to the candidate meeting the minimum eligibility marks in the qualifying examination. The score card will be available on www.iimcat.ac.in till 31st December 2021 to download.
- Webmail support cat2020@iimdr.ac.in & cathelpdesk@iimcat.co.in will be available till 31st March 2021.

About Your GRE® Score Report

Score Reporting Policies

With the *ScoreSelect*® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see “Not Available” in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.
- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Retaking a GRE Test

You can take the *GRE*® General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE*® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at www.ets.org/gre/understand.

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at gre-info@ets.org or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

Valid up to 31st March 2024

* Normalized marks for Civil Engineering (CE), Computer Science and Information Technology (CS) and Mechanical Engineering (ME) Papers.

** A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this scorecard.

Deepankar Choudhury
19th March 2021

Prof. Deepankar Choudhury
Organising Chairperson, GATE 2021
(on behalf of NCB - GATE, for MoE)

a18ed010f8996d11c5fddf1a7fe08cd3

The GATE 2021 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2021 scorecard

M_q is the qualifying marks for general category candidate in the paper

\bar{M}_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to \bar{M}_t

In the GATE 2021 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2021 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Codes for XE and XL Paper Sections (compulsory section and any other two sections)

XE: Engineering Sciences

- A – Engineering Mathematics (compulsory)
- B – Fluid Mechanics
- C – Materials Science
- D – Solid Mechanics
- E – Thermodynamics
- F – Polymer Science and Engineering
- G – Food Technology
- H – Atmospheric and Oceanic Sciences

XL: Life Sciences

- P – Chemistry (compulsory)
- Q – Biochemistry
- R – Botany
- S – Microbiology
- T – Zoology
- U – Food Technology

Graduate Aptitude Test in Engineering (GATE) 2021 was organized by Indian Institute of Technology Bombay on behalf of the National Coordination Board (NCB) - GATE for the Department of Higher Education, Ministry of Education (MoE), Government of India.

Test Report Form

ACADEMIC

NOTE Admission to undergraduate and post graduate courses should be based on the ACADEMIC Reading and Writing Modules.
GENERAL TRAINING Reading and Writing Modules are **not** designed to test the full range of language skills required for academic purposes.
It is recommended that the candidate's language ability as indicated in this Test Report Form be re-assessed **after two years** from the date of the test.

Prof. B. R. Chahar
Organizing Chairman, GATE 2020
(on behalf of NCB – GATE, for MHRD)

17a39307d68613971f34b7d41578524a

Qualifying in GATE 2020 does not guarantee either an admission to a post-graduate programme or a scholarship/assistantship. Admitting institutes may conduct further tests or interviews for final selection.

In the GATE 2020, the qualifying marks for a general category candidate in each paper is $\mu + \sigma$ or 25 marks (out of 100), whichever is greater, where μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper. The qualifying marks for OBC(NCL) and SC/ST/PwD candidates are 90% and two-third of a general category candidate in the paper respectively.

The GATE 2020 score was calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where

M is marks (out of 100) obtained by the candidate in the paper

M_q is the qualifying marks for general category candidate in the paper

\bar{M}_t is the mean of marks of top 0.1% or top 10 (whichever is greater) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to \bar{M}_t

In multi-session (Civil Engineering and Mechanical Engineering) papers, the normalized mark of j^{th} candidate in the i^{th} session \hat{M}_{ij} was computed using the formula

$$\hat{M}_{ij} = \frac{\bar{M}_t^g - M_q^g}{\bar{M}_{ti} - M_{iq}} (M_{ij} - M_{iq}) + M_q^g$$

where

M_{ij} is the actual marks obtained by the j^{th} candidate in i^{th} session

\bar{M}_t^g is the average marks of the top 0.1% of the candidates considering all sessions

M_q^g is the sum of mean and standard deviation marks of the candidates in the paper considering all sessions

\bar{M}_{ti} is the average marks of the top 0.1% of the candidates in the i^{th} session

M_{iq} is the sum of the mean marks and standard deviation of the i^{th} session

Graduate Aptitude Test in Engineering (GATE) 2020 was organised by Indian Institute of Technology Delhi on behalf of the National Coordination Board (NCB) – GATE for the Department of Higher Education, Ministry of Human Resources Development (MHRD), Government of India.
