Date: 17-08-2017

Summary Report

Date: 16th - 17th August 2017.
Chief Guest: Dr. S.D. Bhole, CEO, MGI, Nagpur.
Guest of Honor: Dr. U.P. Waghe, Principal, YCCE.
Organized by: Department of Information Technology.

Department of Information Technology, Yeshwantrao Chavan College of Engineering (YCCE), Nagpur has organized Two Days National Level Technical Fest "iTECHROOTS 8.0" during 16th - 17th August 2017. The programme was approved by Computer Society of India (CSI), New Delhi. The convener of the Technical Fest was Dr. Ujwalla Gawande, Head of Information Technology Department. The Chief Guest of the program was Dr. S. D. Bhole, CEO, Meghe Group of Institutions, Nagpur. Dr. U. P. Waghe, Prncipal, YCCE was the Guest of honor for the program. The Technical Fest was coordinated by Prof. Sachin Jain.

The programme was aimed to provide platform for the students to exhibit their talent in various technical and nontechnical events. Around 1000+ students from various institutions participated in various events conducted under iTechRoots8.0. The programme concluded with awarding prizes, mementos and certificates to the winners and participants of various events.

Report on events Organized in 2017-18

Event Name: Importance of Software Testing

Organizing Body: CTSC / ACM

Date: 4th July, 2017

Number of participants: 75

Resource Person and Affiliation: Mr. Sangharatna Godbole, NIT Rourkela

Summary:

The expert has briefed about the Software Testing. It is a method to check whether the actual software product matches expected requirements and to ensure that software product is Defect free. It involves execution of software/system components using manual or automated tools to evaluate one or more properties of interest. The purpose of software testing is to identify errors, gaps or missing requirements in contrast to actual requirements.

Mr. Anuj Jajoo Mentoring students

**Summary**

Object-oriented programming has four basic concepts: encapsulation, abstraction, inheritance, and polymorphism. Even if these concepts seem incredibly complex, understanding the general framework of how they work will help you understand the basics of an OOP computer program. The expert covers all the topics.

Summary

Mr. Shreyash Dubey Mentoring students

WordPress is a free, open-source website creation platform. On a more technical level, WordPress is a content management system (CMS) written in PHP that uses a MySQL database. In non-geek speak, WordPress is the easiest and most powerful blogging and website builder in existence today.

SOFEE

Report of ELECTRRICA 18.0

Department of Electrical Engineering of YCCE organized an event ELECTRRICA 18.0 under the title of Society Of Future Electrical Engineers (SOFEE) and in association with INSTITUTION OF ENGINEERS (INDIA) on 18th and 19th August 2018. A two days event was further divided into 11 technical subevents and two workshops.

ELECTRRICA is the departmental annual technical fest conducted by department of electrical engineering in YCCE every year. Since last few years it has been one of the best event among all other departmental fests.

ELECTRRICA 18.0 (18th August)

Total 11 purely technical events and two workshops were there in fest. All together brought about 1200+ entries. Being purely technical, it was quite a challenge to bring entries but getting this much amount of entries, work of publicity team must be admired. Following publicity, all the committees have done the great job in respective departments giving a great shape to ELECTRRICA 18.0.

AVSAR- The Installation and Inauguration Ceremony of ELECTRRICA 18.0 was held on 16th august 2018. Chief guest of the ceremony was Lt Cdr Prabhudatta Chand, Head Program Management, TAL Manufacturing Solution Ltd. Along with him Head of Department Dr. B. Y. Bagde, Dr. R. M. Moharil, Chairman of SOFEE Prof. V. R. Doifode and Co-Chairman of SOFEE Prof. A. A. Joshi were present as guests. Mr Pranjal Raut and Mr Shivray Deshpande were present in the ceremony as alumni. The ceremony took place in sight of some teaching and non-teaching faculties of the department. The core members were felicitated in the ceremony and given appointment letters.

Chief Guest and Other Guests of AVSAR

11 technical events were divided to be taken in two days. Techtrix, Circuit Hunt, Robosoccer, Roborace and PUBG are 5 events that took place on 18th august. Whereas

Department of Electronics Engineering

Report

Date: 20.08.2018
