**ENTREPRENEURSHIP DEVELOPMENT PROGRAM (EDP)**

Date :- 07/08/2018

Venue :- Room No. 301, Computer Technology Department, YCCE

Seminar Guests Speaker:- Dr. Yogita Kasture, CEO, CIVN, VNIT

Mr. Amar Naise, Trainer and Facilitator

Department of Computer Technology, YCCE has organized Seminar for the students of 3<sup>rd</sup>, 5<sup>th</sup> and 7<sup>th</sup> Semester who are interested in entrepreneurship under the guidance of Er. Gauri Dhopavkar, HOD, CT Dept and co-ordination of Mrs. Shweta Gode, EDP Co-ordinator, CT Dept, YCCE. The seminar focused on eliminating the misconceptions that people have in their mind regarding entrepreneurship. It aimed at clearing the doubts of the students who have brilliant ideas to work upon but are not aware about the methods to implement their ideas in real life.

Dr. Yogita Kasture interacted with the students and introduced to them a new way of approaching entrepreneurship. She defined entrepreneurship as "A person who utilizes resource from a low profile place and harness the resource for the benefit of the society". She talked about the way people think of Jobs and Entrepreneurship. She focused on a point that entrepreneurship is not something that we should do in our life, instead it should be our lifestyle. People think that a person doing job cannot do entrepreneurship, to which she totally disagreed. Also emphasized on the point that there is no age to enter into entrepreneurship, for which she gave some examples which were fascinating.
