To,
The Principal,
YCCE, Nagpur.

Subject : Donation of Equipment for academic purpose.

Respected Sir,

I, **Er. Aniruddha Kalbande** an alumnus of 2017 batch of **Electronics & Telecommunication Engineering** of your prestigious and esteemed institution Yeshwantrao Chavan College of Engineering, Nagpur and I am writing this letter to express my heartfelt gratitude.

It was an absolute honor for me to be a part of YCCE. I am thankful for all that you and your colleagues have done for us and for the institutional as well. The YCCE had not only molded our lives into a perfect shape but also made us a good human being.

All teaching and guidance given by faculty have been of great value. Though our teachers were very strict with disciplines but they were framed for us as well and i.e. is the reason we got to learn so many valuable things from them.

Whatever the position I am in today it is because of YCCE and I wish to make a small gesture expressing my gratitude by donating equipment to the department of Electronics & Telecommunication Engineering as per attached list.

I hope these equipment can be used for academic purposes for UG / PG students.

Hope to meet you soon.

Regards,

Yours sincerely,

FOR FIREBLAZE TECHNOLOGIES PVT. LTD.
