About Meghe Group

Purpose: Success is a journey to be achieved collectively

The Meghe Group is having a domain presence in the areas of Education, Software Development, Textile Mill, Co-operative Ventures & Corporate Social Responsibilities. The Meghe Group's Education umbrella includes a Medical Science Deemed University, four Engineering Institutions, Polytechnics, a Management Institution and twenty four Schools established in last three decades. In order to deliver the commitment of Quality Education to more than 40,000+ Meghe Group students, it has been ensured that all the eligible programmes/Institutions are accredited by the respective accrediting authorities of the Government of India [NBA / NAAC / NABET].

Some of the quality initiatives of Meghe Group from the students and faculty perspective are:

- Formation of National & International Academic Advisory Boards.
- MoUs with the leading Foreign Universities : In US – Purdue University, University of Massachusetts Lowell, Lawrence Technological University, Northern Illinois University, Michigan State University, University of Hartford, in UK – Scotland's Colleges International, in Malaysia – SEGi University.
- Global exposure tours for Students & Faculty.
- Visiting Professor Scheme to invite renowned Professors from IITs, NITs & other premier Institutions to advice, teach & mentor Meghe Group students & faculty.
- Mentor Scheme to ensure Quality of projects at Under Graduate & Post Graduate level.
- Role model interaction initiative scheme in which role models from different walks of life interact with the students. On 19th December, 2013 Hon'ble Dr. APJ Abdul Kalam visited Meghe Group under this initiative.
- Internal Academic Audits to ensure Quality Assurance & Quality enhancement.
- Formation of Entrepreneurship Development Cell (EDC) & Industry Institute Partnership Cell (IIPC) at the Institute level.
- Formation of DTEL to ensure the e-content generation as well as utilization of e-resources.
- Organization of International conferences in collaboration with Foreign Universities.
- Training & Placement officer at each Technical Institution to ensure Quality placements.
- Appointment of Psychological counsellor at the Institute level.
- Formation of Research & Development cell at the group level.

About Nagar Yuwak Shikshan Sanstha (NYSS)

The President of the Nagar Yuwak Shikshan Sanstha, Hon'ble Shri. Dattaji R. Meghe had a burning desire to spread the fragrance of education amongst people belonging to all strata of community, particularly amongst the rural area. The cherished dream was realized when Nagar Yuwak Shikshan Sanstha, Nagpur, a public charitable trust, came into existence as a registered trust on 25.01.1971 under the Bombay Public Trust Act, 1950 bearing No. F-1288 (NAGPUR) with the Charity Commissioner. It is also registered under Society's act 1960 with registration number MAH 653/71/Nagpur dtd. 25/01/1971.

The colleges run by NYSS are :

- ▶ **Yeshwantrao Chavan College of Engineering, (YCCE), Nagpur**
- ▶ **Rajiv Gandhi College of Engineering & Research, (RGCER), Nagpur**
- ▶ **Shri. Datta Meghe Polytechnic, (SDMP), Nagpur**
- ▶ **Datta Meghe Institute of Management Studies, (DMIMS), Nagpur**
- ▶ **Shri. Datta Meghe College of Architecture, (SDMCA), Nagpur**

Our Inspiration ■■

Hon'ble Shri Dattaji Meghe

Ex. Member of Parliament (Lok Sabha & Rajya Sabha)
Chairman, Nagar Yuwak Shikshan Sanstha, Nagpur
Chairman, Shri Vidyarthi Sudhar Sangh, Nagpur
Chancellor, Datta Meghe Institute of Medical Sciences,
(Deemed University), Nagpur

The one man, whose vision changed millions of lives for the better, forever is Shri Dattaji Meghe. A man of humble origins, his even humbler demeanor, belies his gigantic achievements. He has toiled day and night for over 4 decades to bring health, education, prosperity and happiness to one of the most backward regions of the country.

He is in active public life for more than 36 years. He represented the people of Maharashtra in Lok Sabha for three consecutive terms and was also a Member of Parliament (Rajya Sabha) for one term. He strongly believes that quality Education & Health only can bring about true transformation of the huge human resources of our nation. Under his visionary leadership, the Institutions have grown qualitatively and all the eligible Institutions are quality assured by the respective accrediting agency. The result is the multifaceted Meghe group with interests in Health Care, Realty & Infrastructure, Information Technology, Banking & Textiles in the co-operative sector as well as major initiatives in the CSR sector. But it is education that has always been the sheet anchor of the Meghe Group, for it firmly believes that only education has the transformative potential to make India a developed nation. What was started with a single small institute is today a colossal enterprise, from pre-nursery to Ph.D; Meghe Group straddles the powerhouse of education.

Shri Datta Meghe's pre-occupation with superior quality transcends into education. He insists on getting the best faculties, well-equipped labs, etc. and providing best of amenities to the students. His efforts have brought the fruitful result as we see them today.

Our Dynamic Leaders

Shri Sagar Meghe

Secretary, Nagar Yuwak Shikshan Sanstha
Treasurer, Datta Meghe Institute of Medical Sciences
Ex MLC, Maharashtra State

Shri Sagar Meghe personifies the concept of inclusive leadership in totality. As a leader he creates an atmosphere to stimulate diverse thinking perspectives and to converge them towards the common goals.

He shoulders the responsibility of quantitative and qualitative expansion of different Educational Institutions under Meghe Group.

His devout commitment towards quality education has carved a niche for Meghe Group of Educational Institutions in Vidarbha region and has earned a sterling reputation in education circles.

For him education is the transformative tool for propelling inclusive social growth. His unflinching conviction for quality Education has been validated by different agencies like NABET, NBA & NAAC time and again.

He believes that continuous improvement with constant innovation in the Teaching Learning process will bring in reformative change in the Education in the long run. While he set his eyes constantly on the goals for future; simultaneously he is constantly aware of the responsibilities he has to shoulder to carry on the heritage of Meghe Group.

Shri Sameer Meghe

Secretary, Datta Meghe Institute of Medical Sciences
Treasurer, Nagar Yuwak Shikshan Sanstha
MLA, Maharashtra State

A Nation is built only by educated and qualified youth with determination, confidence and dedication.

Above quote aptly fits the young and dynamic Leader Shri Sameer Meghe.

His long term vision and belief in the use of innovative practices maintains the flavour of dynamism in Meghe Group of Educational Institutions.

He believes that Education stimulates young minds and makes them the change leader which is the priority for the nation today.

He is instrumental in creating the blueprint for the growth path of Meghe Group of Institutions and converting that into reality.

Initiatives at Group Level

National Academic Advisory Board ■■

In view of the current education scenario Nationally / Globally, and Govt. Policies, for Quantitative and Qualitative expansion of Higher Technical Education in the Country, the Meghe Group's Engineering Institutions are keen to play a significant role in providing excellence in education by adhering to the national/international benchmark and become a role model for other institutions, Hence, an Academic Advisory Board is constituted from 2008 to guide the institutions towards excellence in education.

About us

Yeshwantrao Chavan College of Engineering, Nagpur

An Autonomous Institution affiliated to Rashtrasant Tukadoji Maharaj Nagpur University

Yeshwantrao Chavan College of Engineering was established in the year 1984. It is named in the memory of Late Shri Yeshwantrao Chavan, the great patriot who was the first Chief Minister of Maharashtra and the former Deputy Prime Minister of India.

YCCE is one of the premier colleges of engineering in the Vidarbha region of Maharashtra. The goal of institution is to provide excellent educational environment to the students at both undergraduate and postgraduate levels. The institute extends its expertise in engineering and technological requirements to various public and private sector organizations.

We aim to transform our students into responsible and resourceful leaders in their profession.

Highlights

- ◆ YCCE is the renowned engineering Institution which has completed 32 successful years of nurturing young engineering professionals and has become a favorable destination for students for higher technical education
- ◆ All India 93rd rank amongst IITs, NITs, Govt. & Autonomous Engineering Institution by NIRF, MHRD, Govt. of India
- ◆ Received ISTE National Award 2014 for being the **Best Private Engineering College** in the country
- ◆ YCCE was amongst the selected few well performing institutions chosen under Technical Education Quality Improvement Programme (TEQIP – phase I) of Govt. of India, funded by the World Bank
- ◆ YCCE is the first private Engineering College to acquire autonomous status in Central India
- ◆ The autonomy was introduced in the academic year 2010 - 2011 & in 2014 our 1st batch has passed out
- ◆ Awarded 'A' Grade by Government of Maharashtra
- ◆ Quality assurance through Accreditation and Re-Accreditation of UG & PG programs by National Board of Accreditation (NBA), New Delhi
- ◆ The institute is a recognized research centre for PG & Doctoral Programs by Rashtrasant Tukadoji Maharaj, Nagpur University

From The Desk of Principal

My Dear Students,

Welcome to Yeshwantrao Chavan College of Engineering, Nagpur, an Autonomous Institution affiliated to RTM Nagpur University, Nagpur.

To become an autonomous institute was one of our prime goal, which we have achieved. But with this feather in cap, came a tremendous responsibility of maintaining the distinction of being the best. After six years, I am overjoyed to share that we have been successful in this endeavour as well.

At YCCE, we follow the Chinese proverb "Tell me and I'll forget; show me and I may remember; involve me and I'll understand."

Involving our students is the key trait of our education process and curriculum. We provide the right environment and the best of facilities to ensure that young minds flourish here.

YCCE's tremendous domain expertise, with great emphasis on state-of-the-art labs for all subjects, e-classrooms, massive multi-storied libraries and cutting-edge infrastructure will strengthen the roots of knowledge among our students.

Apart from imparting engineering education, we emphasize on overall development of the students through co-curricular and extra-curricular activities. Be it's sports competitions or cultural festivals, we focus on bringing about holistic development of the students.

As a result of our incessant enterprise, collectively we ensure that a student walking out with an engineering degree from YCCE is perfectly world-ready.

Wish you all the best.

Academic Quality Enhancement Initiatives

Departmental Level Audit (DLA)

Academic audit for all branches is carried out by senior faculty members from Meghe Group to assess parameters related to the teaching-learning process. The findings of the committee are evaluated under 4 points scale and presented before higher authorities and the management. It is ensured that corrective measures are taken by respective heads to overcome shortcomings, if any.

Mentors Scheme

The institute runs a Mentors Scheme in which faculty members from VNIT, Nagpur visit YCCE to evaluate the projects of M.Tech. and also deliver lectures on special topics.

Visiting Professor Scheme

In order to bring external perspective and enlightenment from professors working in IITs and Institutions of Excellence within the country, YCCE invites professors to deliver lectures, guide on projects and mentor the students. They also guide faculty about R & D and preparing report for funding proposals.

Project Quality Assurance Initiative (PQAI)

The objective of PQAI is to ensure quality of projects, to have uniform evaluation and to make aware all the students and respective guides about the quality of projects carried out by students of other engineering institutions under MGI. The institution also give prizes of Rs 2000, Rs 1500 and Rs 1000 to best three project so that students are encouraged.

Feedback Systems

Online feedback is taken at regular interval throughout the semester from students and corrective measures are taken to improve the teaching-learning process.

MISSION 10X

Under Mission 10X, the faculty empowerment programme is organized by YCCE. Mission 10X aims at enhancing academic environment & increasing the employability of the engineering graduates. As part of its corporate social responsibility initiative for engineering colleges for innovative methods of teaching-learning process, Wipro also organized a training programme at YCCE.

Grievance Redressal Mechanism for Faculty, Staff & Students

Grievance Redressal Committee is constituted to address complaints or grievances of the faculty, staff and student. It is ensured that all grievances are settled most amicably and in reasonable time. As per AICTE direction, a committee has been constituted to combat violence against women (faculty, staff, students and employees) and to redress complaints of sexual harassment at the work place.

Faculty Development Programmes

Newly Appointed Faculty

Induction programmes are organized by the institute in the month of July every year for newly joined faculty to make them aware about the systems, procedure and practices followed by the institute.

For Technical Faculty

Faculty development programme for technical faculty members is organized by respective departments to keep them updated on the recent technologies.

Laptop distribution

Role Model Interaction Initiative

Policies & Initiatives to make Students Globally Competent & Locally Relevant

- **Laptop Policy to reward Meritorious Students** : 24 Laptops every year; Number of Laptops as awards based on the results of - I Year - 10, II Year – 07 , III Year – 07
- **Financial Assistance for Paper Publications within India**: Registration Fee Rs.5000/Paper/ Year & Travel support for Second class train fare
- **Financial Assistance for Paper Publications outside India**: Registration Fee - Rs.5,000/ + Financial Assistance of Rs.5,000 (Asia), Rs.10,000 (Europe) & Rs.15,000 (USA)
- Full registration fee support & travel assistance for Paper presentation in Conferences & participation in Competitions/Workshops at IITs/IIMs/Premier Institutions
- **Incentive for Paper Publications**: International Journal-Rs.3000/Paper, National Journal-Rs.2500/Paper, International Conference-Rs.1500/Paper, National Conference - Rs.1000/Paper
- **Financial Assistance for UG/PG Projects**: Rs.5000/Project; Rs.15,000/Project in special cases
- **Financial Assistance for Industrial tours** : Local-Full logistics support; National-Rs.500/Student; Global Exposure Tour - Rs. 5000/Student
- **Financial Assistance for GATE-25% Exam Fee**; **Department Magazine** Rs.12500/Dept./Year; **Farewell of final year students** - Rs.15,000/Department; **Sports Budget** - Rs. 2 Lacs/Year
- **Campus Recruitment Training (CRT)** with special focus on Aptitude, Personality Development, GD & PI and Communication skills training
- **Teacher–Guardian** scheme to mentor students; **Psychological Counsellor** for counselling students
- **Industry Co-guides for UG/PG projects** : 10% of the projects at UG level; 20% of the projects at PG level
- **Project Quality Assurance Initiative (PQAI)** to enhance the quality of Students' projects
- Additional Classes for difficult subjects by Subject experts
- **Visiting Professor & Mentor Scheme** : Opportunity to interact with faculty from IITs/NITs & other premier Engineering Institutions
- **Technology Enhanced Learning** : In-house e-content creation for better preparedness of University Examinations
- **Role Model Interaction Initiative** for student interaction with eminent personalities like Hon'ble Dr. Abdul Kalam sir
- **Financial assistance** to economically weak Students

Industry Institute Partnership Cell (IIP Cell)

Objectives of IIP Cell :

- To evolve a role model of Industry Partnership Mechanism in the country
- To bring Industry & Institute together for sustainable growth and development
- To develop research, consultancy and testing services to solve industrial problems
- To initiate continuous Industry interaction for :
 - Sharing resources
 - Conducting collaboration projects
 - Finding low-cost local solutions
 - Improving training infrastructure
 - Exchanging of ideas, knowledge and skills
 - Building partnerships for mutual benefits

Following schemes are undertaken to promote Industry-Institute Interaction:

- Organizing seminars, conferences, workshops, STTP and training programs for teaching and non-teaching staff members
- Industry sponsored projects and dissertation work in industries under joint guidance of the faculty and experts from industry
- Paper presentation
- Professional consultancy and testing services by faculty to industries
- Industrial testing by faculty and technician at site or in laboratory
- Promoting internal revenue generation by providing consultancy and training services
- Arranging visits of staff members to various industries
- Encouraging engineers from industry and other institute to deliver lectures
- Visits of faculty to industry for study and discussions or delivering lectures on-subjects of mutual interest
- Memorandum of understanding between the institute and industries to bring the two sides emotionally and strategically closer
- Scholarships/fellowships instituted by industries at the institute for students
- Practical training for students in industries

Training and Placement

We aim at acting as a seamless conduit between the Institute and Industry, identifying the requirements of the industry, mapping them with industry readiness and core competencies of students, identifying and filling the gaps through enhanced training so as to make them relevant with the global industrial needs

Salient Features

Industry Institute Interaction

Working effectively and efficiently, it liaises with various industries and associations to facilitate training, getting live projects as well as providing best possible placement opportunity to the students. The department also takes care to ensure active interaction with the industry by organizing guest lecturers/seminars/interactive sessions with HR managers of reputed companies and Alumni.

Overall Development

It regularly conducts technical lectures, career development programmes, guest lectures on personality development, resume writing, group discussions, interview techniques and, mock interview from senior company professionals.

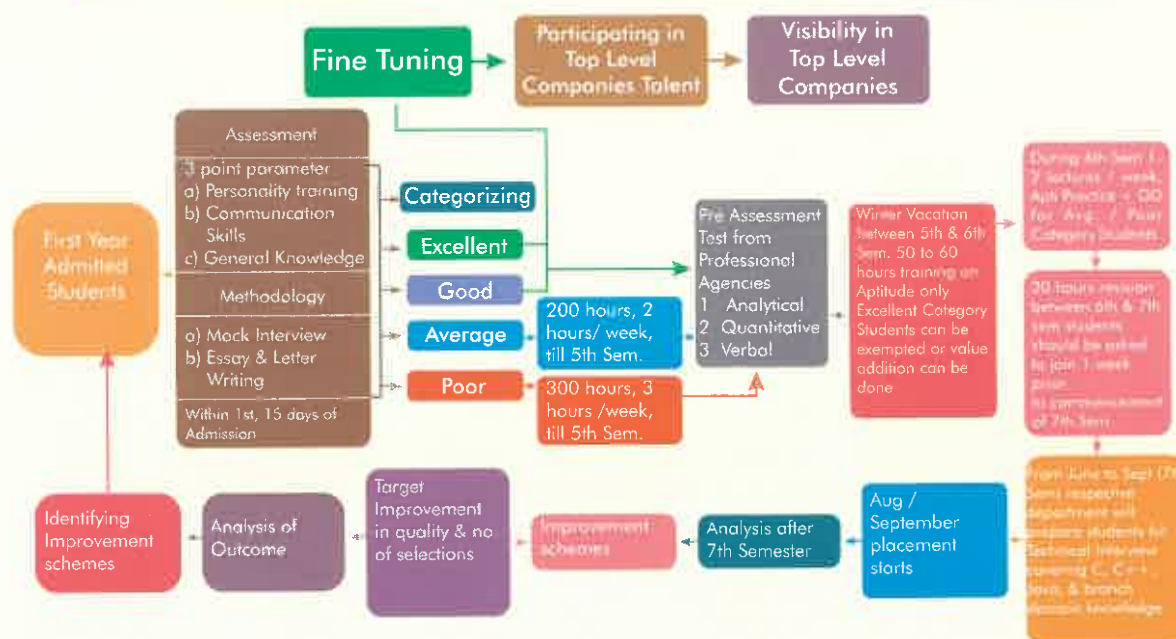

Technical paper presentation contests are also held in collaboration with industries to discuss new technological developments and trends. It encourages and plans visits to the industries by the college students.

Campus Recruitment Training (CRT)

Placement Orientation programs are held for the Pre-final students at the end of 5th Semester. An 80 hour Campus Recruitment Training (CRT) is provided to all the students interested in getting campus placement in the summer vacation between 6th and 7th semester. Pre-Assessment and Post-Assessment test which includes aptitude/ logical reasoning/ communication skill and domain knowledge are conducted by reputed professional assessing agencies before and after the CRT. The modules of the CRT are regularly validated by Senior HR professionals of Top MNC's.

From 2016 onwards a revised **Campus Recruitment Training (CRT)** of 400 hours spread over from 1st to 7th Semester in association with our training partners ADCC Academy will be implemented for the first and second year students.

FLOW CHART OF REVISED CAMPUS RECRUITMENT TRAINING (CRT)

Higher Studies

In addition to this the T&P Cell provides guidance to students desirous of pursuing higher education in India and Abroad.

Entrepreneurship Development

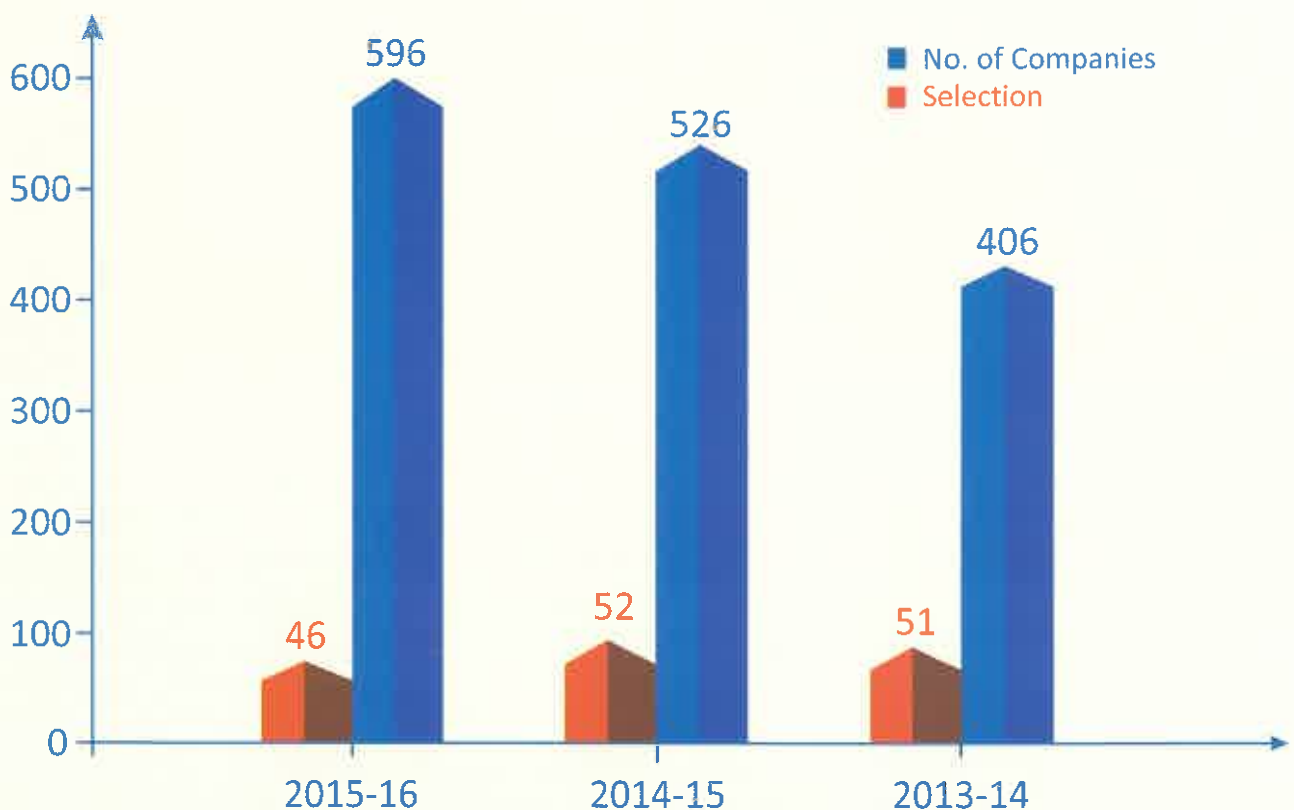

We have an active Entrepreneurship Development Cell where programmes are planned to provide necessary information, encouragement and guidance to the students to become successful entrepreneurs.

Memorandum of Understanding(MoU) : With the initiative from T&P Department college has signed MOUs with 22 industrial chambers/organization.

Placements

The department has an excellent track record in placing students in reputed organizations. All the reputed organizations including MNCs come to the College for campus recruitment. The students, in turn have made the college feel proud by excelling in their roles. It has been the department's endeavor to develop competent human resources with necessary technical skills and responsible citizens for the society. We take feedback from industries regarding designing/changing of curriculum so that high quality is achieved in technical education and professional guidance imparted at this institute.

PROFESSIONAL SOCIETY STUDENT’S CHAPTER

The college has ISTE, IE (I) and IEEE chapters.

The purpose of forming these chapters is to keep the students updated about the new challenges in the changing scenario of technical education. organizes programs like personality development, quiz, debate, talks by renowned personalities, short-term course, talk on cyber laws and crimes etc. on a regular basis.

Besides, a host of technical activities and a number of staff members and students who are members of ISTE are actively involved in all the activities undertaken by these chapters.

Student Societies of various Engineering Departments – SOFEE, CTSC, ACES, EESA, MATRIX, SPIRIT and student chapters of professional societies ACM, CSI, IEEE, IE(I), SAE-India

Mega events such as COMPUFEST, ICON, ANTAHEEN, ITECHROOTS, ELECTRICA etc. are organized by these societies

SPANDAN

•A **National Conference**, SPANDAN and poster exhibition, is organized every year by different departments. Students from various engineering colleges participate in this conference. This year, the conference was organized by the Department of Electronics & Telecommunication Engg. and about 300 papers were selected for oral as well as poster exhibition.

PRATIKRUTI

A National level project competition for final year UG students is organized every year by Mechanical Engineering department. About 550 entries were received and 350 were short listed for final presentation.

YCCEFEST Cultural & Technical Event

Various competitions such as Technical Quiz, Voyager, LAN Gaming, Tech Boss, T Tycon, Paper Presentation, Software Development, Quiz, Debate and Animation were held in the technical events. Truss-Ted-Lead India, Fashion Show, Band Competition, Euphoria and many other programmes were organized in the cultural event.

Cinephille

Films on Campus Club at YCCE - Besides regular screening of exceptional, non-commercial movies, the club organizes screening of short films and documentaries created by students

KALAA

The Music and Arts Society of YCCE -Through KALAA the students are encouraged towards various art forms.

Tree Plantation

The students of YCCE are encouraged to plant trees in each monsoon in and around the campus. The planted trees are cared for by the garden department of the YCCE.

Blood Donation

The students of YCCE have always responded to the calls of society to donate blood. During January 2005 to January 2015, the students have donated near about 5,200 units of blood. They also donate blood in response to special requests, like the one made during floods in Mumbai. YCCE students were the single largest group from the rest of Maharashtra to respond to this emergency.

Clean Environment Drive

The student community is made aware of the scarcity of water and protection of water bodies from contamination. The implementation of guidelines to maintain clean environment is followed up by YCCE students regularly. Every year, student bodies from YCCE picket the Telangkhedi lake, requesting people not to immerse non-biodegradable decoration material along with idols of Lord Ganesha. The programme is implemented with the assistance of Nagpur Municipal Corporation.

Counseling for Higher Studies

- A good number of the students are interested in pursuing higher studies like M.Tech, MBA, MS etc. It is strong desire of the college authorities that bright and studious students should go for higher education to highly reputed institutes in India like IIT, IIM and NIT etc. and top universities abroad
- Separate clubs are formed by the name GATE Club, CAT Club, and GRE Club for providing guidance and support to the students interested in pursuing higher education like M Tech, MBA, MS etc.
- The experts in the various areas of higher education and counselors are invited to guide the students. Mock tests are also conducted in the college. Books on related topics, such as Gate Question Bank, Barron's GRE etc, are available in the library

Infrastructure Facilities

Library: High Tech, Enriched, Multi-stored, Spacious

The library has a prominent role to play in assisting the overall learning process. Library is housed in a three storied building, spread over 1785 sq.m. The reading room of library has a central cooling system. The library runs a book bank scheme, where meritorious students, needy, intake wise toppers and SC/ST category students are given books. The library has availability of more than 40,000 titles having 1,10,000 no. of books.

Key Strengths

- Use of 'Lib Sys 7' software
- Bar code scanning facility
- In-house computerized identity RFID card preparation along with bar code and photograph
- Seating capacity of about 240 students
- Reading room facility on each floor
- Mandatory subscription of e-journal packages on ASCE, ASME, IEL and growth plan
- Exclusive collection of DVDs, VOD, VCD's, e-journal and e-books
- National Programme on Technology enhanced learning (NPTEL) course material available on LAN

Discipline & Conduct

Anti Ragging

Prevention and Prohibition of Ragging

In view of the directions of the Honorable Supreme Court in SLP No. 24295 of 2006 dated 16-05-2007 and in Civil Appeal number 887 of 2009, dated 08-05-2009 to prohibit, prevent and eliminate the scourge of ragging including any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness to a fresher or any other student, or indulging in rowdy or undisciplined activities by any student or students which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in any fresher or any other student or asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student, with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student, in all higher education institutions in the country, and thereby, to provide for the healthy development, physically and psychologically, of all students.

As per due provision of Maharashtra prohibition of Ragging Act 1999, ragging is a non-bailable cognizable offence. Whosoever indulges in ragging either directly or indirectly shall be liable for punishment amounting to imprisonment up to 2 years and fine of Rs. 10,000/- along with dismissal from our education institute. As per the directives from Hon'ble Supreme Court of India, ragging is non-bailable criminal and punishable offence.

What Constitutes Ragging

- Any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student
- Indulging in rowdy or undisciplined activities by any student or students which causes or likely to cause annoyance, hardship, physical or psychological harm or to raise fear or apprehension thereof in any fresher or any other student
- Asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student
- Any act by a senior student that prevents, disrupts or disturbs the regular academic activity of any student or a fresher
- Exploiting the services of a fresher or any other student for completing the academic tasks assigned to an individual or a group of students
- Any act of financial extortion or forceful expenditure burden put on a fresher or any other student by students

Any act of physical abuse including all variants of it : sexual abuse, homosexual assaults, stripping, forcing obscene and lewd act, gestures, causing bodily harm or any other danger to health or person

Any act or abuse by spoken words, emails, posts, public insults which would also include deriving perverted pleasure, vicarious or sadistic thrill from actively or passively participating in the discomfiture to fresher or any other student

Any act that affects the mental health and self-confidence of a fresher or any other student with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student.

Action to be taken against students for indulging and abetting ragging

1. The punishment to be meted out to the persons indulged in ragging has to be exemplary and justifiably harsh to act as a deterrent against recurrence of such incidents.
2. Every single incident of ragging a First Information Report (FIR) must be filed without exception by the institutional authorities with the local police authorities.
3. The Anti-Ragging Committee of the institution shall take an appropriate decision, with regard to punishment or otherwise, depending on the facts of each incident of ragging and nature and gravity of the incident of ragging.
4. Depending upon the nature and gravity of the offence as established the possible punishment for those found guilty of ragging at the institution level shall be any one or any combination of the following :
 - Cancellation of admission.
 - Suspension from attending classes.
 - Withholding / withdrawing scholarship / fellowship and other benefits.
 - Debarring from appearing in any test / examination or other evaluation process.
 - Debarring from representing the institution in any regional, national or international meet, tournament, youth festival, etc.
 - Suspension / expulsion from the hostel.
 - Rustication from the institution for period ranging from 1 to 4 semesters.
 - Expulsion from the institution and consequent debarring from admission to any other institution.
 - Collective punishment: When the person committing or abetting the crime of ragging are not identified, the institution shall resort to collective punishment as a deterrent to ensure community pressure on the potential ragers.
