MGI delegation took a strategic decision to establish **International relations Office** in 2008 to provide global exposure to students and faculty and to bring international perspective to the academic activities

MGI delegates visited US Universities including the University of Southern California, University of California LA, Northern Illinois University, industries including Intel and laboratories including Jet Propulsion Lab of NASA, USA to discuss an action plan for collaborative plans.

A Delegation of MGI faculty members visited member Colleges of Scotland Colleges International [SCI] like Dundee College, Central College, Clydebank College, Langside College, Edinburgh's Telford College, Glasgow Metropolitan College, City University, Teesside University and Derby University in June 2010.

Students of YCCE visited National University of Singapore (NUS), Nanyang Technological University (NTU), Management Development Institute of Singapore (MDIS), Mac green IT Company and Harley Davidson service centre and showroom. Purpose of students' exposure tour was to gain international perspective, network with students & faculty of foreign universities and to learn about projects undertaken by the students

**Wayne State University**  
Detroit, MI, USA

Information session for Yeshwantrao Chavan College of Engineering (YCCE), Nagpur

**Description:** Founded in 1880, Wayne State University is a nationally recognized metropolitan research institution offering more than 200 academic programs through 13 schools and colleges to nearly 25,000 students. Wayne State's main campus in Midtown Detroit comprises 500 buildings over 200 acres. It is a research university offering higher education to students throughout Southeast Michigan.

Wayne State is dedicated to preparing students to meet by combining the academic excellence of a major research university with the practical experience of an institution that by its history, location and diversity represents a microcosm of the world we live in. Reflecting its location and the excellent international reputation of its graduate schools, particularly in the sciences, Wayne State boasts the most diverse student body among Michigan public universities.

As a nationally recognized urban, public research university, Wayne State's mission is to create knowledge and prepare a diverse body of students to excel in an increasingly complex and global society.

University offers programs in various disciplines such as Engineering, Business, Management, Liberal Arts, Medicine, Nursing, Fine Arts, Pharmacy, Sports Management, Social Sciences among others.

Wayne State University is an Equal Opportunity Institution.

**BE A PART OF THE WEBINAR SERIES**  
by alumnus under IRO and Alumni Cell, YCCE, Nagpur

**UTTKARSH TIKKU**  
Machine Learning Engineer, Melbourne, Australia

**THEME** "Select, Study and Success Abroad"  
**DATE** 15<sup>th</sup> Jan 2021 at 3pm-4pm  
To attend this webinar series

What we will cover

- Why study in Australia
- Area of Research
- Ranking of universities
- Score requirements
- Documents required
- Funding agencies
- Facilities available
- Gen and learn software
- Job Opportunity
- Real Factors to Consider
