

DEPARTMENT OF CIVIL ENGINEERING

DR. ABHAY VINAYAKRAO PATIL

Date of Joining - 1986-07-21

Email - professoravpatil@gmail.com

DOB - 1965-06-03

Designation - Professor

Qualification - Ph.D; ME (Structures Engineering); BE (Civil Engineering)

Industrial Experience - NIL

Teaching Experience - 33 years

Research - Critical study of utilization of Silico Manganese slag - A non biodegradable waste material as coarse and fine aggregates in plain reinforced cement concrete, PRESENTED IN International Conference on Technologies for Development organized by EPEL- UNESCO

Course Taught - AY 2018-19 CV2907, CV2917, CV 2919, CV 1341

Publication - [RESEARCH_TRAINING.pdf](#) |

Notes -

Additional Information - LABORATORY IN CHARGE FOR CONCRETE TECHNOLOGY LABORATORY
