Sub: Approval of the Project proposal entitled "Modeling, Solution & Simulation for Predicting Thermal Deformation & Stresses of Thermo-Elasto-Plastic Problem in Cartesian and Polar Coordinate System" submitted by **Dr. Malabika Adak (Principal Investigator)** & Dr. M. P. Gandhi (Co Investigator), under In-house Minor Project Scheme of MGI, Nagpur.

Sir,

With respect to the subject mentioned above, it is my pleasure to inform that based on the recommendation of Project Evaluation Committee and the subsequent approval of the Competent Authority, the In-house Minor Project proposal submitted by **Dr. Malabika Adak (Principal Investigator)**, Assistant Professor & **Dr. M. P. Gandhi (Co Investigator)**, Assistant Professor, YCCE, has been **approved** as per the following terms & conditions:

1. Duration of the project: 2 Years from the start date
2. Date of Start: April 2017 from the date of release of the amount / first installment.
3. Total Approved Financial Assistance: Rs. 25,000/- (Rs. Twenty Five Thousand Only)
4. First Installment: **Rs. 25,000/- (Rs. Twenty Five Thousand Only)**
5. Second Installment: Nil
6. List of Equipments/Other Items covered under Financial Assistance: As mentioned in the proposal and /or as per the Project Evaluation Committee's Review report.
7. Progress report to be submitted:
 - a) Six monthly submission of progress report along with the utilization certificate through Principal, and.
 - b) Progress presentation before the duly constituted Evaluation Committee.

[Handwritten signature]

You are requested to take consent of the faculty member for carrying out project as per above mentioned terms and conditions, before the release of First Installment. You may please also ensure that the first installment should be disbursed on or before the start date of the project.

Following were the Remarks of the Evaluation Committee:

- Mathematical modeling and its analytical solutions may be applicable in solving other parallel problems in engineering
- The facility should also be made available to Dr. M. P. Gandhi.
- Up gradation of hardware is proposed under this proposal by the committee.

Sir/Madam,

The R&D Cell of MGI is thankful to you for submitting the proposal under Innovative UG/PG Scheme. The constituted committee recommended your proposal for approval and the Management has approved your proposal of project as per attached sheet.

You are requested to procure accessories as approved, you are further requested to go through the specific remarks in the attached sheet and adhere to following terms and conditions:

1. Purchase of Project Components and other costs

The project components should be purchased from approved list only. Any variation in the list of components or consumables should be pre-approved from the Chairman R&D Cell.

2. Responsibility

The complete responsibility for the meaningful implementation of the project lies with the concerned Project Supervisor.

3. Fund Utilisation

Project Supervisor shall utilize the fund as per sanction letter. Any deviation without formal approval of IPSC shall not be permitted; any expenses other than approved one shall be borne by the Supervisor.

4. Review of Progress of Selected Project

Reviews shall normally be taken in the months of December, February and April every year. Supervisors shall be intimated about schedule well in advance.

5. Depositing Project and Completion Report

After completion of final project examinations the Supervisor shall deposit the project in working condition to the Head of The Department. He shall procure utilization certificate from accounts section and shall submit utilization certificate along with brief report on the project to Chairman R&D Cell.

The R&D Cell of MGI is thankful to you for submitting the proposal under Innovative UG/PG Scheme. The constituted committee recommended your proposal for approval and the Management has approved your proposal of project as per attached sheet.

You are requested to procure accessories as approved, you are further requested to go through the specific remarks in the attached sheet and adhere to following terms and conditions:

1. Purchase of Project Components and other costs

The project components should be purchased from approved list only. Any variation in the list of components or consumables should be pre-approved from the Chairman R&D Cell.

2. Responsibility

The complete responsibility for the meaningful implementation of the project lies with the concerned Project Supervisor.

3. Fund Utilisation

Project Supervisor shall utilize the fund as per sanction letter. Any deviation without formal approval of IPSC shall not be permitted; any expenses other than approved one shall be borne by the Supervisor.

4. Review of Progress of Selected Project

Reviews shall normally be taken in the months of December, February and April every year. Supervisors shall be intimated about schedule well in advance.

5. Depositing Project and Completion Report

After completion of final project examinations the Supervisor shall deposit the project in working condition to the Head of The Department. He shall procure utilization certificate from accounts section and shall submit utilization certificate along with brief report on the project to Chairman R&D Cell.

6. Ethics to be followed and further actions

The Supervisor shall not reveal details of the Project through any technical paper in conference or journal. He shall initiate submission of the project for acquiring patent.
