Tips related to exam form submission:

1. If any theory or practical course is missing from the exam form then the number of credits applied becomes short, contact departmental coordinator immediately. Otherwise, you will not be entitled to appear on that missing course.

3. Save "Exam form PDF after successful payment" (It is a must for 'admit card').
4. In case of any issue in the online exam form, contact COE immediately on day 1 of the opening of the exam form.
5. *If your net signals are weak, payment may be "not successful" & your exam form cancels automatically. (Check your bank account for debited / credited amount & if required, contact immediately to account section / CoE as per the issue.)*
6. Odd - Resit & Even - Resit is an **extended exam** of Main ESE.
7. Do everything in time to help yourself/ your parents / your college & avoid late fee also.
8. Detained students should register for SMS Scheme, complete the course through assignment, collect the course completion certificate & then take relevant "Makeup Exam" wisely.
9. Ensure that all the required courses are available in the exam form, otherwise your result will be withheld.
10. Pdf of the concerned notice must be open in your mobile, while coming to CoE with query.
