DMIHER ACCREDITED AS A++ BY NAAC

Once again, the **Datta Meghe Institute of Higher Education and Research (DMIHER)** has reaffirmed its commitment to excellence across all aspects of its operations. The National Assessment and Accreditation Council (NAAC) has awarded DMIHER the highest grade of 'A++' in its 4th cycle of re-accreditation, underscoring the institution's dedication to quality. DMIHER achieved an impressive CGPA score of 3.78 on a 4-point rating scale, the highest among all Health Sciences Education Universities in the country. Notably, this score also ranks as the highest in the state of Maharashtra across all categories of Higher Educational Institutions (HEI), including autonomous colleges, general universities, and health sciences universities.

This achievement follows the university's record-breaking NIRF rankings in 2023, where DMIHER secured the 39th position among all universities in the country.

The 4th cycle of re-accreditation took place in July 2023, from the 11th to the 13th. Dr. OP Karla, Dr. Rhymend Uthariaraj Vaidyanathan, Dr. Forhad Akhtar Zaman, Dr. Brijesh Kumar, Dr. Vinay Chauhan, Dr. Ajit Vikram Parihar, and Dr. Lata Mullur served as assessors during this process. The prestigious A++ grade and score are valid for seven years, up to July 19, 2030. DMIHER has consistently earned the highest grade in all of its NAAC accreditation cycles and was the first Health Sciences university to apply for the 4th cycle. With its recent score of 3.78, DMIHER has outperformed many leading universities by a significant margin. In the assessment, the institution achieved the following scores across various criteria:

- 1) Curricula aspects: 3.9
- 2) Teaching-learning & Evaluation: 3.74
- 3) Research, Innovation & Extension: 3.68
- 4) Infrastructure & Learning Resources: 3.83
- 5) Student Support & Progression: 3.91
- 6) Governance Leadership & Management: 3.77
- 7) Institutional Values & Best Practices: 3.8

Datta Meghe's humble beginnings in 1990, with the humane objective of serving the underprivileged rural population of Wardha district, have now evolved into a multidisciplinary university.

9TH GRADUATION CEREMONY OF YCCE, NAGPUR DATED 27.05.2023.

The Ninth Graduation Ceremony of YCCE after gaining autonomous status was held at Shri Datta Meghe Auditorium, YCCE Campus, Nagpur on 27th May 2023.

Hon. Shri. Shekhar Mande- Ex. Director General CSIR, Ex. Secretary DSIR, Ministry of Science and Technology, Govt. of India was the Chief Guest for the function. Hon'ble Shri Dattaji Meghe, Chairman, Board of Management, YCCE presided over the function. Shri S. R. Wate, Ex-Director, NEERI, Nagpur, Shri. Sameerji Meghe, Treasurer and BoM Member and other dignitaries were eminently present on the dais. The Graduation Ceremony covered passed out graduands of 7 UG programmes and 7 PG programmes of batch 2021-22.

YCCE conferred 16 Gold Medals, 7 Silver Medals & 7 Bronze Medals and 4 Citations to the graduate and post-graduate toppers of 2021-22 batch in the 9th Graduation ceremony .

Potturi Ritika Subbarao, B.E. ETC was CGPA-9.53, awarded with Gold Medal & Citation for being Branch Topper and Overall Topper, Overall female topper for BE program Batch 2021-22. Gangthade Anuja Ravindra M.Tech. Environmental Engineering, CGPA-9.68, was awarded with Branch Topper Batch 2021-22 & Overall Topper for M.Tech. program Batch 2021-22. Hinge Vallari Tushar, B.E. Electrical Engineering was awarded with Outstanding Student of the Batch 2021-22.

RAMMML-2023

RAMMML-2023 – the International Conference on Recent Advances in Materials, Manufacturing, and Machine learning was organized by the Department of Mechanical Engineering, YCCE, Nagpur, technically sponsored by NPTC group of colleges, UK and in association with ASME Chapter YCCE, the Institution of Engineers (IEI), Maharashtra State Centre and Nagpur Local Centre. Guest editor for the conference was Dr. Bjoern Schuller from Imperial college London, Dr. Rajeev Gupta from North Carolina State University, USA, Dr. Rakesh Mote, IIT Bombay, Dr. Abhishek Sharma, Osaka University Japan.

The inaugural function was graced by Chief Guest Hon'ble Er. Rahul Kulkarni, Chief operating officer of Orange City Water (OCW), Mr. Makarand Alur, Chief Administrative Officer (CAO) at Indian Institute of Management, Nagpur & Er. Ajinkya Prabhune, Professor of Computer Science and Business Analytics, Heidelberg, Baden-Württemberg, Germany, was Guest of Honor, and Dr. U.P.Waghe, Principal, YCCE was the president of the function. Dr. Mrs. Manali Kshirsagar, Advisor YCCE was on the dais.

In his welcome address, Dr. J.P. Giri, Conference Chair and Head of Mechanical Engineering mentioned that total 533 manuscripts from 12 countries like USA, Canada, Germany, Korea, Morocco, Saudi Arabia, South Korea, Vietnam and all parts of India including IITs, NITs, Central Universities and other colleges have been received, 127 were accepted by the technical team of RAMMML-2023 after peer review. All the selected manuscripts will be published by Taylor & Francis, and Springer. Overall, 200 papers were selected for the poster presentation also.

IETE ISF INAUGURATION CEREMONY MINI PROJECT EXHIBITION

The inauguration Ceremony of Mini Project Exhibition was held on 31st May'23. Dr. Salim Chavan (Chairman, IETE Nagpur Centre) was present as the Chief Guest and Dr. R. D. Thakare (HOD Electronics Department) was present as the convener on stage.

'YASH 2K23'

YCCE's Annual Festival 'YASH 2K23' was conducted in which major events under YASH 2K23 were Symphonica - Singing competition, Raaz Mataaz - Dance Competition, Fashionista - Fashion Show, Traditional Day, Freshers' Party and 'Bhairavi'. The Chief Guest of the inauguration ceremony was Head of Atomic Institute, Dr. P. K. Gupta. The inauguration was held in the presence of Principal of the institute Dr. U. P. Waghe and registrar Dr. S. V. Prayagi.

The biggest talent show of YASH 2K23, 'Bhairavi' was conducted in the graceful presence of Founder of Nagar Yuwak Shikshan Shanstha, Hon'ble Shri Dattaji Meghe and the guest celebrity, Mr. Ankush Bharadwaj. The winner students in various competitions were felicitated in Bhairavi.

SHIV JAYANTI CELEBRATION

Yeshwantrao Chavan College of Engineering (YCCE) students celebrated the birth anniversary of Chhatrapati Shivaji Maharaj, with great zeal and enthusiasm on 24th February 2023. The event was a testimony to the college's commitment in promoting culture, tradition, and values among its students.

TAARANSH – THE ASTRONOMY CLUB INSIGHT

TARAANSH: The Astronomy Club of YCCE was found to satiate the seemingly ubiquitous inquisitiveness of the campus folk towards the astronomical sciences. The club conducted its fourth event in the form of an online presentation-making competition.

Three ranks were awarded to students as follows:
Rank 1: **Arin Saynere** Rank 2: **Laxmikant Dhawade**
Rank 3: **Shreeya Deshmukh**

A REASONING AND BRAINSTORMING COMPETITION.

Taraansh: The Astronomy Club of YCCE conducted its sixth event and its second offline event, was named **ENIGMA: A Reasoning and Brainstorming Competition.**

Winner Rank 1 – Atharv Gharde **Winner Rank 2** – Sanchit Khandare **1st Runner Up** - Shivam Dharamthok **2nd Runner Up** - Arin Saynere

NATIONAL LEVEL CODING OLYMPIAD 1.0

On 24th January 2023, the Department of CT, YCCE, and the Department of CSE, YCCE jointly organized a National Level Coding Contest – Coding Olympiad 1.0, under ACM Student Chapter, YCCE in collaboration with Codeware, YCCE, . More than 250 participants across various states pan India took part in the coding contest. The winners were awarded with cash prizes.

SAMPARK ALUMNI CONCLAVE

On 4th February 2023, the Department of Computer Technology organized the "SAMPARK Alumni Conclave" by inviting five distinguished alumni namely Mr. Madhao Wagh, Senior MLE/Data Scientist at QuantumBlack, Portland, United States, Mr. Atharav Puranik, Quintar, Inc, San Francisco, Ms. Hashmita Raut, Senior Manager Analytics at FirstCry.com, Pune, India, Ms. Shivani Allewar, Software Developer at Deloitte, Hyderabad, India, and Mr. Mayuresh Patle, M-Tech student at IISc, Bangalore, India.

"BREAK THE QUERY" SQL-BASED CONTEST

An event named 'Break the Query' SQL-based contest, was organized by the Department of Computer Technology, YCCE on 27th May 2023, in collaboration with Coding Ninjas, ACM Student Chapter, YCCE, and Codeware, YCCE, It was an International level competition with participation of 1329 students across the world. Students from Engineering, Medical, MBA, BBA, etc. also participated in this contest. 49 International participants were from Abidjan, Algeria, Attock(Pakistan), Avignon Popes(France), Bangkok, Thailand, Europe, West Central Africa, Canada, South America, Italy, Nigeria, Myanmar, South Asia, etc.

DEPARTMENT OF TRAINING & PLACEMENT

- Department of Training, Placement & Career Guidance Cell in co-ordination with Mahindra Pride classroom –NAANDI foundation organized 6 days Employability Enhancement Program for all 8th Semester engineering branches during 2-7 January 2023. Four best performers and one best team were selected and felicitated with trophies.

- In association with LTIMindtree, conducted a Guest Lecture on “Hybrid/Multi Cloud” on 25th April 2023 by Mr. Vishwas Samant, Principal Enterprises Architecture (Cloud & Infra Services). Around 1000 students attended the Program.
- Guest Lecture on Topic “Digital Marketing” on 27th March 2023 by Mr. Mrutunjay Dass. The connect session was crafted to share insight into the latest technology trends and experience in Customer Service. It also helped to identify the emerging technology and throw light on the significance of Digital Marketing as an upcoming field to the students. More than 1000 students attended the Program.
- Department of Training, Placement & Career Guidance Cell conducted the Department-wise Conclave of Core and IT industries from MIDC Hingna Area, Butibori Industrial Area, and MIHAN Nagpur during the period 5th November to 26th November 2022. Around 120 top Management & HR personnel attended the event.
- Department of Training, Placement & Career Guidance Cell in collaboration and as a special effort of Intel Unnati Data Centric Lab, 11 students of 2nd & 3rd year together are selected for Intel Unnati Training - Summer 2023. The programme is held under YCCE-NVIDIA Centre of Excellence.

WORKSHOP AND TRAINING

SDP ON PYTHON FOR DATA SCIENCE

The Department of Computer Technology, YCCE, organized a 2-Day Student Development Program (SDP) “Python for Data Science” on the 21st & 22nd January 2023. The Expert Speaker, Er. Sagar Lachure of VNIT, Nagpur, provided insight into basic concepts of Python and its implementation of it in Data Science.

BOOTCAMP ON PYTHON PROGRAMMING

The Department of CT, YCCE organized an outreach activity as “3 Days Bootcamp on Python Programming” from 17 to 19 April 2023 at Somalwar School, Maa Umiya Branch, Pardi, Nagpur. The Bootcamp was conducted by Prof. Supriya Thombre, along with Ms. Sakshi Kokardekar, Mast. Aditya Balki and Mast. Badal Wanjari, CT, YCCE, for the students of 8, 9 & 1.

“REACT REDEFINED” - PROGRESSING TOWARDS RECTIFYING INTERACTIVE WEB APPLICATIONS

An International Level Technical Bootcamp of 2 Days - “React Redefined – Progressing Towards Rectifying Interactive Web Applications” was organized on 5th & 6th May 2023 by the Department of Computer Technology, YCCE, in collaboration with Microsoft, Microsoft Learn Student Ambassador Program, ACM Student Chapter, YCCE and Codeware – Coding Club, YCCE. Mrs. Venkata Sirisha Bollapalli, Senior Software Engineer from Microsoft, was invited as the esteemed guest speaker for the boot camp.

There were a total of 317 participants for the boot camp, from 13 Countries like Algeria, Bamenda Cameroon, Buea Cameroon, Cario, Damietta – Egypt, Faisalabad, Attock – Pakistan, Tunisia, Abidjan, Lagos – Nigeria, Colombo – Sri Lanka, Mannar, and 37 Indian cities from 14 States like Karnataka, Madhya Pradesh, Odisha, Maharashtra, Telangana, Bihar, Tamil Nadu, Andhra Pradesh, West Bengal, Haryana, Rajasthan, Kerala, Tripura, Gujrat, etc.

AI-ML USING MATLAB

Department of Electronics and Telecommunication Engineering organized two days training Programs on “AI-ML using MATLAB” under Centre of excellence on 18-19 April 2023 which was imparted by Mr. Kunal Khandelwal, Mathwork and Design Tech Company Ltd, Pune

ENTREPRENEURSHIP AND INNOVATION AS CAREER OPPORTUNITY

Department of Electronics and Telecommunication Engineering organized one day workshop on “Entrepreneurship and Innovation as Career Opportunity” on 27.02.2023, IIC under the aegis of IQAC which was coordinated by Prof. Yogesh Kale, Dr. Y.U. Chitriv.

FDP ON REMOTE SENSING

Department of Electronics and Telecommunication Engineering organized an AICTE Training and Learning (ATAL) Academy sponsored two weeks Faculty Development Program on “Remote Sensing Applications with Machine Learning” on 30th Jan, to 04th Feb, 2023 and 06th - 10th Feb, 2023.

EFFECTIVE FUNDING PROPOSAL WRITING

Funding proposal Division of R&D Cell, YCCE Nagpur organized one day workshop on “Effective Funding Proposal Writing” on Saturday 21st January 2023. Expert session was presented by Dr. Krishna Kanth Pulicherla, Scientist E, Technology Development Transfer Division, Department of Science & Technology, Govt. of India, New Delhi. Expert has explained how to identify various funding opportunities.

FUNDING RESEARCH METHODOLOGIES AND PROPOSAL WRITING

R&D Cell, YCCE Nagpur has organized workshop on “Funding Research Methodologies and Proposal writing” on Saturday 31st May 2023. Expert session was conducted by Dr. Rajpal Singh Kashyap, Research Director at Central India Institute of Medical Science, Nagpur, Maharashtra. Speaker has explained the concept of Collaborative Research and Networking.

VALUE ADDED COURSE ON PENETRATION TESTING

Department of Information Technology organized Value added Course on Penetration Testing and Security Issues in March, April & May, 2023.

THE DEPARTMENT OF CSE CONDUCTED FOLLOWING WORKSHOPS

- Student Development Program (SDP) for the 4 Sem students on "JavaScript and NodeJS" on 25th May 2023.
- Value-Added Course (VAC) for the 6th Sem students on "Salesforce Development" from 25th April to 29th May 2023.
- Value-Added Course (VAC) for the 4th Sem students CSE & CSE (AIML) on "Adobe Flash Animation" from 25th April to 29th May 2023.
- Workshop for the 4th Sem students on "Business Model Canvas" on 31st May 2023.
- Student Development Program (SDP) for the 4 Sem students CSE (AIML), YCCE on "Machine Learning" on 3rd June 2023.

ONE WEEK FDP ON "DATA SCIENCE USING MACHINE LEARNING"

Department of Information Technology organized a One Week FDP on "Data Science using Machine Learning" from 24-31 May 2023. The Guest Speaker Vishal Sathawne working as an Assistant Professor in NIT Raipur gave an insight view of Data Science using Machine Learning.

STUDENT ACHIEVEMENT

- Ku. Shraddha Raut, III Year, Electronics & Telecommunication Engineering selected & participated in RTMNU (Women) Judo Team and participated in All India Inter University Judo Championship held at Phagwara organized by Lovely Professional University Phagwara on 08 to 12.01.2023.
- Mr. Himansu Kemekar, student of III Electronics Engineering, secured Fifth Position in Mesmerize Robotics Competition at IIT Bombay
- Ms. Khushi Bhujade, a student of Civil Engineering department secured 3rd Rank in Poster making competition conducted by NSS, YCCE, Nagpur held on 26th January 2023. She also bagged 2nd Rank in Poster making competition conducted by Youth ink YCCE, Nagpur held on 12th January 2023.
- Soham Banshpal, Rudraksh Khandare, Prasad Bhogekar, Samyak Pusate, Yogesh Kasare, Viplav Ghurde, students of Civil Engineering department, secured First Position in National conference on Advances in Engineering, Technology and Applied sciences SPANDAN 2023 organized by Electrical Dept, YCCE, Nagpur.
- Saurabh Chaane, Sejal Dhanvij, Arnav Kumar, students of Civil Engineering department secured Second Position in National conference on Advances in Engineering, Technology and Applied sciences SPANDAN 2023 organized by Electrical Dept, YCCE, Nagpur.
- Ms. Valhari Meshram, Mr. Viranchi Dakhare, Mr. Aman Raut, and Mr. Atharva Nerkar, 4th Sem students of Computer Technology, Artificial Intelligence and Data Science Department won a cash prize of Rs. 30,000/- in the National event Innovation "R" Us (StartupYatra) conducted at Yeshwantrao Chavan College of Engineering, Nagpur on 15th March 2023.
- Ms. Valhari Meshram, Mr. Viranchi Dakhare, Mr. Aman Raut, and Mr. Atharva Nerkar, 4th Sem students of Computer Technology, Artificial Intelligence and Data Science Department bagged 1st position with a cash prize of Rs. 70,000/- in the National event "Productathon" conducted at IIT Roorkee, Uttarakhand on 19th February 2023.
- Ms. Sakshi Kokardekar, a student of 8th Sem, Computer Technology bagged 1st Rank in European Cohort in the 22nd MLSA (Microsoft Learn Student Ambassador) European Cohort conducted by the MLSA community.
- Mr. Muhammad Shahnawaz Khan student of 4th Sem, Computer Technology Department bagged 1st Rank in Poetry Competition during Yuva Utsav 2022-23 conducted by Ministry of Youth Affairs and Sports, Government of India.
- Mr. Levish Bhojar, Mr. Makarand Tighare, and Mr. Paras Pethe students of the 4th Sem, Computer Technology bagged a Cash Prize of Rs. 8,000/- in the Coding Competition Enthusia 2.0 conducted by Symbiosis Institute of Technology, Nagpur on 1st April 2023.

- Mr. Levish Bhojar, Mr. Makarand Tighare, and Ms. Dipasha Rahangdale 4th Sem, students of Computer Technology Department bagged 94th Rank in ICPC coding competition Asia -Kanpur -Mathura Regionals conducted by ACM on 9th April 2023.
- Mr. Nikhil Tamrakar, student of Computer Technology won the Best Secretary Award as Technical Head in YASH 23.0, Cultural Fest of YCCE College, Nagpur.
- The second-year student Mr. Gagan Loya of Electronics and Telecommunication Engineering Department received first prize in the Team event Productathon E-summit organized by IIT Roorkee from 17-20 February 2023.
- Tejaswini Padole, student of Computer Science & Engineering, achieved First Prize in "National Level XPRESSIONS 2023 Elocution" competition organized by 'Bhartiya Vidyapeeth (IHM)' Mumbai in Feb 2023.
- Naincy Pande, student of Computer Science & Engineering (AIML) achieved First Prize at a "Debate Competition" organized in Adhyaaya'23 National Level Technical Symposium of Government College of Engineering, Nagpur on 10th March 2023 and also in "State Level Speech Competition" at Nehru Yuva Kendra Nagpur on 15th March 2023.
- Faizan Habib and Jayant Arsode, students of Computer Science & Engineering, secured Best Paper award in "National level Conference on Applied Sciences & Information Technology 2023" on 29th April 2023.
- Vishakha Fulare, student of Computer Science & Engineering (AIML), secured Fifth Prize in "E-Yantra Competition" at IIT Bombay on 31 March to 1 April 2023.
- Imroz Pathan, student of Computer Science & Engineering secured First Prize in "State level Arm-wrestling Championship 2023" on 22nd to 23rd April 2023.
- Adwait Tikekar and team students of Computer Science & Engineering were shortlisted for Kavach Hackathon 2023 Government of India on 19th June 2023.

INDUSTRIAL VISITS

- Total 60 students of III Sem (Industrial IOT) department of Electronics Engineering visited Plasto Company, Nagpur. on 7th January 2023. The main objective was to make the students aware of various automation done in industry.
- The Civil Engineering Department has scheduled site visits to the Fly Ash Brick Factory named, "Naman Industries" at MIDC, Butibori, Nagpur, Maharashtra. This factory is supervised by Naman Industries. This site was visited by third-year B. Tech students.
- The Civil Engineering Department has scheduled site visits to the Ready-Mix Concrete Plant, Kapsi, Nagpur. This site was visited by third-year, B.Tech. students of the department for Section A, B & C on dated 22-23 & 25Feb.-2023

- On 14th to 17th March 2023, a total of 170 students of 6 Sem. Civil Engineering department of Sections-A, B & C visited the Wanadongri Nagpur field site for a Standard Penetration Test (SPT) demonstration.

PAPER PUBLICATION

- Dr. J.P. Giri, HoD & Associate Professor, Department of Mechanical Engineering published a paper titled "A Comparative Study on Predication of Appropriate Mechanical Ventilation Mode through Machine Learning Approach" Journal Bioengineering SCI with Impact factor = 5.04.
- Prof. N.R. Sunheriya, Assistant Professor, Department of Mechanical Engineering published a paper in March 2023 titled "Experimental and computational analysis of riser tubes of modified simple solar water heater with different twisted inserts" which is a ESCI paper.
- Prof. C.A. Mahatme, Assistant Professor, Department of Mechanical Engineering published a paper titled, "Error Minimization in Pre-surgical Model of Brain Tumor for 3-D Printing" in Journal of The Institution of Engineers (India): Series C (Springer) SCOPUS INDEXED <https://doi.org/10.1007/s40032-022-00894-w2>. Brain Tumor Segmentation and Model Optimization for 3-D Printing, Publisher: IEEE Xplore, SCOPUS INDEXED, doi:10.1109/ICETEMS56252.2022.10093365 in April 2023
- Dr. S.P.Ambade, Assistant Professor, Department of Mechanical Engineering published a paper titled, "Dissimilar welding of austenitic SS and ferritic SS in the last Decades" in Materials Today: Proceedings journal homepage: www.elsevier.com/locate/matpr in March 2023.
- Prof. A.P. Edlabadkar, Assistant Professor & Dr. S.S. Chaudhari, Dean (OBE) & Associate Professor, Department of Mechanical Engineering received Best Paper Award for "Experimental Investigation for Minimization of Casting defects using Taguchi Method" in Technologia 2023 International Conference on Recent Advances in Mechanical Engineering and Nanomaterials (ICRAMEN 2023) (Hybrid Mode) 12-13 May 2023 organised by Christian College of Engineering & Technology (CCET), Bhilai in Association with Research Association of Masters of Engineering (RAME), Pune.
- Prof. R.G. Bodkhe published paper titled, A review of renewable hydrogen generation and proton exchange membrane fuel cell technology for sustainable energy development. It is a Q3 Journal with Impact Factor 1.57.
- Prof. D.G. Agrawal, Dr. U.P. Waghe, Prof. K.S. Ansari, Dr. R.R. Dighade of Civil Engineering Department published paper entitled "Experimental effect of pre-treatment of rubber fibers on mechanical properties of rubberized concrete "at Journal of Materials Research and Technology (SCIE) , January, 2023, ISSN 2238-7854 .

- Prof. H.M. Warade, Prof. K.S. Ansari, Asst. Professor, Department of Civil Engineering published paper entitled "Optimizing the Grass Bio Methanation in Lab Scale Reactor Utilizing Response Surface Methodology" at Biofuels -UK (SCIE), January, 2023 ISSN 1759-7269
- Prof. S.S. Meshram, Dr. S.P. Raut, Prof. K.S. Ansari, of Civil Engineering Department published paper entitled "Waste slags as sustainable construction materials a compressive review on physico mechanical properties " at Journal of Materials Research and Technology (SCIE) , January, 2023, ISSN 2238-7854 .
- Prof. H.R. Nikhade, Prof. K.S. Ansari, Asst. Professor, Department of Civil Engineering published paper entitled "Behavior of geomaterial composite using sugar cane bagasse ash under compressive and flexural loading at Frontiers in Materials (SCIE), March 2023, ISSN -2296-8016
- Dr. J.M. Raut, Dr. S.R. Khandeshwar, Dr. P.B. Pande published paper entitled "Physical Modeling and Analysis of Cast -In-Situ Reinforced Cement Concrete Piled Raft in Clayey Soil" at KSCE Journal of Civil Engineering (SCIE), ISSN -1226-7988 .
- Mr. R.M. Bhagat, Dr. S.R. Khandeshwar, of Civil Engineering department presented paper titled "Removal of Cu and Ni from Synthetic Solution by Developed Adsorbents from Wheat and Pigeon Pea Husk" in 3rd International Conference on Advancing Knowledge from Multidisciplinary Perspectives in Engineering & Technology (ICAKMPET-23) organised by Institute for Engineering Research and Publication (IFERP), 26th -27th January 2023
- Ms. S.S. Meshram, Ms. M.R. Wagh, of Civil Engineering department presented paper titled " Critical Study on Development of Forced due to earthquake and wind on various classes of Structures in 4th International Conference on Multidisciplinary Innovation in Academic Research (ICMIAR-2023) organised by IFERP, Tamilnadu section, Chennai India , 17-18 March, 2023
- Mr. Ganesh Yenukar, Asst. Professor, Department of Computer Technology published a research paper in SCI Q1 Journal named Multimedia Tools and Applications (H-index=80) titled "Future forecasting prediction of Covid-19 using hybrid deep learning algorithm"
- Ms. R. S. Khedgaonkar, Dr. K. R. Singh, of Department Computer Technology, published a research paper in SCI Q1 International Journal of Multimedia Tools and Applications titled "Designing face resemblance techniques using Near Set Theory under varying facial features".
- Ganesh Kesharao Yenukar & Sandip Mal of Computer Technology department published a research paper titled "Effective Detection of COVID-19 Outbreak in Chest X-Rays Using Fusionnet Model" in SCI Q2 The Imaging Science Journal.
- Dr. Vipin Bondre, Asst. Professor, Department of Electronics & Telecommunication Engineering published a Book Chapter titled "Design and Development of Smart Waste Management Automatic Bin in Smart Innovation, Systems and Technologies" book series on 02nd March 2023

- Dr. Yogita Dubey Asst. Professor, Department of Electronics & Telecommunication Engineering presented a paper titled "Prediction of Stable Angina for Coronary Artery Diseases using Boosting Algorithm at IEEE International Conference on Advanced Computing and Communication System, Coimbatore, India during 17th-18th March 2023.
- Dr. Nita Nimbarte presented a paper titled "New Born Baby Cry Analysis and Classification" in 4th International Conference of Emerging Technology (INCET 2023) during 26-28 May 2023.

SUPERANNUATION OF STAFF

Dr. Arti S. Ghoghare, Associate Professor, Department of Mathematics & Humanities superannuated on 30.04.2023 & Mr. Sunil Gupta, Clerk, Establishment Section superannuated on 31.05.2023.

A farewell programme for the above staff members was organized at concerned department. Family members of the above staff were present on superannuation dates of the respective employees. A cheque of Rs.20,000/- along with Gift, Shawl, Shrifal was given as a token of gesture for rendering services to the institution in presence of respective Heads.

SOCIAL ACTIVITY

CLOTHS DONATION DRIVE

A Clothes Donation Drive was organized by the Department of Computer Technology on March 27, 2023. The initiative attempted to gather extras from donors interested in donating the clothes. The Computer Technology Student Council (CTSC) crew went to Hazari Pahad, Swami Colony, Katol Road, Nagpur, where they distributed the clothes they had gathered to those in need.

FOOD GRAINS DONATION DRIVE

A Food Grains Donation Drive was organized by the Department of Computer Technology on April 12th, 2023. The initiative attempted to gather extras from donors interested in donating the Food Grains. These things were gathered till one week before the journey. The Computer Technology Student Council (CTSC) crew went to Jeevan Ashray Ashram, Hudco Colony, Nagpur, where they distributed the food grains they had gathered.

BLOOD DONATION CAMP

Department of Electronics & Telecommunication Engineering has organized a 'BLOOD DONATION CAMP' on 14.03.2023. A DAY WELL SPENT WITH THE LITTLE BUDS ON CHILDREN'S DAY

Every year in India, November 14 is celebrated as Children's Day in remembrance of Pandit Jawaharlal Nehru first Prime Minister of independent India. He was very popular amongst children as Chacha Nehru. According to Chacha Nehru 'children are like buds in a garden and should be carefully and lovingly nurtured as they are the future of the nation and the citizens of tomorrow'.

A day marking childhood, and to make this occasion memorable, Rotaract Club of Datta Meghe Institute of Management Studies went to 'Shri Shradhanand Anathalaya' (Orphanage) to spend some time to spread immense joy, enthusiasm amongst the children of orphanage with well-planned fun-filled activities like dance, games, story-telling etc. Further the students made the day more special by distributing some goodies amongst the children which brought beautiful smiles on their face. The

children of orphanage felt very appreciated, loved and excited throughout the celebration.

ROAD SAFETY AND YOUTH DAY

On the occasion of Swami Vivekanand's birth anniversary and to celebrate 34th Road Safety Week, Lions Club of Datta Meghe Institute of Management and Research organized a workshop on awareness about the importance of road safety which is needed to educate today's youth. The workshop was headed by Shri Atul Agarkar, Nagpur Shahr Traffic Awareness Event Head alongwith police head constable Shri Rajkumar Kodape and Shri Shantaram Thombare.

Shri Atul Agarkar guided students about various traffic rules and also the legal aspect related to it. Participants asked many questions and doubts based on road safety. Skit based on road accidents and the impact on young generations were performed by the students on this instance. The motive of workshop to provide valuable learning on 'Youth Day' was a grand success.

The program was inaugurated in the presence of Dr. Chandrashekhar Mahakalkar, Chief Medical Superintendent (AVBRH), Dr. Ajay Keoliya, Deputy Medical Superintendent (AVBRH), and Dr. Sandeep Srivastava, Program Director of the Global Cell (DMIHER) who facilitated the guests.

Basic Concepts of Organ Donation and Transplantation:

Ms. Jaya Jairam conducted the opening session, reiterating the basic concepts and definitions of organ donation, transplantation, its history, and the increasing demand for donors.

Understanding Brain Death:

Dr. Sourya Acharya, HOD of the Medicine department (AVBRH), described the concept of brain death, the methods of diagnosing brain death through reflex testing, and the differences between brain death and its common differential diagnoses.

Organ Donation and Transplant Law:

Dr. Hemal Kanvinde enlisted and explained the laws governing brain death, THOA 1994 and its Amendments, the governing bodies of organ transplantation, and the various forms that are required to be filled out prior to organ donation. Lastly, an interactive quiz on the topic was the perfect tool to keep the students excited and interested.

Grief Counselling & Making the Ask:

After a short break, they conducted an activity to understand the grief a bereaved family is

going through before detailing the stages of grief and the appropriate time to make the ask amidst the family's grief. The role of a transplant coordinator as a grief counsellor was elaborated on and the concept of empathy was impressed upon the students.

Approaching Families for Organ Donation:

A video was shown, demonstrating the ideal and non-ideal ways to go about making the ask. The mistakes were explained and an appropriate method was depicted, giving the students a good idea about the importance of even the smallest of actions while making the ask.

Liver Transplantation:

Dr. Rahul Saxena, prolific liver transplant surgeon at New Era Hospital in Nagpur, explained the concept of liver transplantation. From the grading of liver damage for transplantation to depicting the actual surgical techniques used, he taught the students the intricacies of the topic expertly.

Kidney Transplantation:

Dr. Abhijit Dhale, Urologist at SMSC, explained the concept of kidney transplantation from the commonest causes to the techniques used, the post-transplant risks and lifestyle modifications, and the statistics involved.

Tissue Donation Quiz:

Lastly, to end the day, Dr. Hemal Kanvinde held a quiz on tissue donation via the online platform 'Kahoot'. The students thoroughly enjoyed the questions and friendly competition of the event.

Day 2 - 6th July '23

YOUR FRIEND IN ORGAN DONATION & TRANSPLANTATION:

Ms. Jaya Jairam elaborated on the role of a transplant coordinator, from the logistics that they handle during the actual donation to their role as a grief counselor while making the ask. Further she explained the multitude of tasks that they juggle in order to ensure that the families suffer the least amount of inconvenience while the recipient

suffers no further delay.

The Role of ZTCC:

Next, Mrs. Veena Wathore, Chief Transplant Coordinator at the Zonal Transplant Coordination Centre (ZTCC), Nagpur arrived to explain the role played by the ZTCC. From the history of the ZTCC to its collaboration with central bodies like NOTTO, ROTTO and SOTTO, to the transplant lists, and case studies of organ recipients, the students were able to appreciate the immense work done by the ZTCC.

Protocols in Hospitals - Deceased Organ Donation:

Dr. Hemal Kanvinde conducted an interesting activity that assigned each student to a role involved in the protocol for organ donation. The activity ensured that the students could appreciate not only the number of people involved, but also the role each person played at various steps of the process.

Life of a Kidney Transplant Recipient:

Ms. Jaya Jairam, a kidney recipient herself, explained the circumstances behind her transplant and invited questions from the audience to understand the challenges and changes involved. It was an inspirational talk and gave a very clear idea of the concepts that had only been discussed theoretically prior.

Ethical Aspects of Organ Donation & Transplantation:

Ms. Jaya Jairam explained the ethical hurdles behind organ transplantation and presented a variety of case studies that she posed to the audience. There was a healthy debate and ideas brought up by students regarding organ transplantation in criminals, addicts, and children, and advertisements and medical tourism for the purpose of organ transplantation.

Saving Lives through Whole Body Donation:

Dr. Hemal Kanvinde described the concept of whole-body donation, its procedure, use and hurdles. Further she elaborated on the Visible Human Project and showed a video of Susan Potter, one of the whole-body donors to this project.

Presentation by ODA Society Members:

The student members formed groups of 5 and gave a presentation on pre-decided topics:

1. Pros and Cons of Opt-out System of Organ Donation in India
2. Instruments for Pledging Organs- Their Applications in Promoting Organ Donation Effectively

3. End of Life Care Conversations by Doctors Irrespective of Organ Donation - A Need of the Hour

4. Neonatal and Pediatric Organ Donation: Ethical Perspectives and Implications

5. Genetically modified animal organs - Legal and Ethical Issues

Their work was judged by a distinguished panel of judges including Dr. Sandeep Iratwar, HOD of Neurosurgery (SMSC), Dr. Manish Balwani, HOD of Nephrology (SMSC) and Dr. Kapil Sejpal, Department of Nephrology (SMSC).

Panel Discussion:

A panel discussion on the topic 'Building Organ Donation Champions amongst Healthcare Professionals' was moderated by Dr. Hemal Kanvinde and Ms. Jaya Jairam. The panelists included Dr. Sandeep Iratwar, HOD of Neurosurgery (SMSC), Dr. Manish Balwani, HOD of Nephrology (SMSC), Dr. Kapil Sejpal, Department of Nephrology (SMSC), Dr. Sanjot Ninave, Department of Anesthesiology (SMSC), Dr. Ajay Keoliya, Deputy Medical Superintendent (AVBRH) and Dr. Vitthal Shinde, Transplant Coordinator (AVBRH). They showcased their expertise by answering questions regarding empowering health workers, donor families and doctors to become organ donation champions.

Valedictory:

The students were certified in the presence of Honourable Pro- Vice Chancellor (DMIHER); Dr. Gaurav Mishra, and the guest speakers. Ms. Jaya Jairam and Dr. Hemal Kanvinde were also felicitated and a vote of thanks was rendered.

एसओएस में अंतरराष्ट्रीय योग दिवस मनाया गया

हिंगणघाट: स्कूल ऑफ स्कॉलर्स ने उत्साहपूर्वक विद्यालय परिसर में अंतरराष्ट्रीय योग दिवस का आयोजन किया। अंतरराष्ट्रीय योग दिवस हर साल 21 जून को मनाया जाता है ताकि इस प्राचीन प्रथा के बारे में जागरूकता बढ़ाई जा सके और उस भौतिक और आध्यात्मिक शक्ति का जश्न मनाया जा सके जो योग ने दुनिया को दी है। योग एक अभ्यास है जो मन और शरीर को आराम देने और लोगों की प्रतिरक्षा प्रणाली को बढ़ाने में महत्वपूर्ण भूमिका निभाता है।

आज, 21 जून 2023 को, स्कूल ऑफ स्कॉलर्स, हिंगणघाट ने 9वां अंतरराष्ट्रीय योग दिवस मनाया, जिसकी थीम 'वसुधैव कुटुम्बकम्' थी, जिसकी शुरुआत मां सरस्वती पूजन से हुई। इसमें योग गुरु श्री नखले सर और डॉ विनीत शीवास हिंगणघाट के मार्गदर्शन में सभी छात्रों, शिक्षण और गैर शिक्षण कर्मचारियों और प्रशासन विभाग ने भी भाग लिया। कार्यक्रम की शुरुआत योग दिवस पर दिनेश तेलरांधे के परिचय के साथ हुई। अतिथियों का सम्मान प्राचार्या सुशी शिल्पा चव्हाण, प्रशासकीय अधिकारी श्री. प्रदीप जोशी एवं शैक्षणिक समन्वयक श्रीमती संतोषी बैस ने पौधा वितरित कर किया। योग सप्ताह के प्रथम दिन वार्म अप अभ्यास किया गया जहां सभी छात्रों ने बैठने और खड़े होने के आसनों का अभ्यास और प्रदर्शन किया, साथ ही साथ इनका महत्व समझाया गया। अतिथियों ने छात्रों को फिट रहने और एकाग्रता में सुधार करने के लिए नियमित योग का अभ्यास करने के लिए प्रोत्साहित किया। दूसरे दिन को मूल योग और आत्म-देखभाल तकनीकों के साथ, तीसरे दिन को ए से जेड योग तक और चौथे दिन को सचेत ध्यान और विश्राम तकनीकों के साथ पूर्ण किया श्र पांचवे दिन सूर्य नमस्कार के महत्व के साथ और परामर्श विभाग द्वारा जीवन कौशल सत्र के साथ सम्पन्न किया गया। प्राचार्या शिल्पा चव्हाण ने हमारे जीवन में योग अभ्यास के महत्व पर प्रतिभागियों को संबोधित किया।

सभी संकायों, कर्मचारियों और बच्चों को उनके जीवन में योग के महत्व और शरीर और मन के बीच सामंजस्य बनाए रखने के बारे में सिखाया गया। छात्रों ने योग के महत्व पर चर्चा की और योग मुद्राओं का प्रदर्शन भी किया और इस गतिविधि को अपने दैनिक जीवन में शामिल करने का वादा किया। अंतरराष्ट्रीय योग दिवस समारोह सांस्कृतिक और अनुशासन समिति की देखरेख में एक बड़ी सफलता के साथ समाप्त हुआ श्र समारोह का समापन श्री दिनेश तेलरांधे द्वारा धन्यवाद प्रस्ताव के साथ हुआ। शिक्षण एवं शिक्षकेत्तर कर्मचारियों के प्रयासों से कार्यक्रम का आयोजन सफलतापूर्वक किया गया।

स्कूल ऑफ स्कॉलर्स, हिंगणघाट इथे जागतिक पर्यावरण दिन साजरा केला

स्कूल ऑफ स्कॉलर्स, हिंगणघाट यांनी 'जागतिक पर्यावरण दिन' साजरा करून नवीन शैक्षणिक सत्र 2023-24 सुरू केले. शाळेची सुरुवात प्रमुख पाहुणे आशिष भोयर, पर्यावरण सुरक्षेचे सामाजिक कार्यकर्ते आणि संगणक शिक्षक यांच्या आगमनाने झाली. शाळेच्या मुख्याध्यापिका कुमारी शिल्पा चव्हाण मॅडम यांनी सन्मानचिन्ह व रोपटे देऊन पाहुण्यांचा सत्कार केला, तर इतर मान्यवर, प्रशासकीय अधिकारी प्रदीप जोशी शैक्षणिक समन्वयक संतोषी बैस, यांनीही पाहुण्यांचे स्वागत केले. सर्वत्र प्रदूषण रोखण्यासाठी आणि वृक्ष लागवडीचे महत्त्व, पाणी वाचवा, प्लास्टिक पिशवी सोडा, कापड पिशवी वापरा या विषयावर पाहुण्यांनी वर्तमान उदाहरणे आणि अनुभवांसह पर्यावरण दिनाचे महत्त्व सांगितले. प्रास्ताविक व सूत्रसंचालन दिनेश तेलरांधे यांनी केले, संदीप साटोणे यांनी याच विषयावर छोटेसे माहितीपूर्ण भाषण केले. संगीत विभागाने आपल्या यमक आणि तालाद्वारे दिवसाला महत्त्व आणले. शाळेच्या मुख्याध्यापिका, कु. शिल्पा चव्हाण यांनी पर्यावरण आणि ते टिकून राहण्यासाठी प्रत्येक व्यक्तीची कर्तव्ये आणि जबाबदाऱ्या यावर प्रकाश टाकला.

आभार प्रदर्शन प्रदीप जोशी सर यांनी केले. शाळेच्या आवारात रोपटे लावून व सर्व शालेय शिक्षक व कर्मचारायानां कापड पिशवी वाटप करून जागतिक पर्यावरण दिवस या उत्सवाची सांगता झाली, ज्याने आपल्या आठवणी कायमस्वरूपी सोडल्या. या कार्यक्रमाच्या यशस्वीते करीता सर्व शालेय शिक्षक, शिक्षिका आणि कर्मचारीवर्ग यांनी अथक परिश्रम घेतले!

SOS CUBS, HINGANGHAT conducting Summer Gala with Elation

The Summer Camp 2022-23, is organized by SOS CUBS, HINGANGHAT, which began from 1st April and culminated on 13th April. Fun filled activities for the children is a delightful treat. It gave them an opportunity to learn new skills. Students enthusiastically participated in different activities like Crawling and cone, Fire prevention activity, Value of Money exchange activity, Bottle hanging activity, Zumba session, Music and Rhythm, Decorating the cup cake etc.

This Summer Camp aimed at keeping the students engaged & provided them an even platform to explore and express their creativity, in any form. They not only made memories while having fun but they were able to face their fears, try new things, pushed their boundaries and realized self-sufficiency. School Principal Ms. Shilpa Chavan explained students that "Every activity worth doing has a learning curve ", students should learn with Fun. The essence of this camp was to develop a sound character of each student & ultimately the motto was achieved. New enquiries and new admission students made new friends amidst a lot of laughs & learnt team spirit. Parents appreciated the efforts taken by the School and its teachers. The overwhelming acknowledgement through their reviews and feedback was a motivating factor for the entire SOS family.
