

## SESSION 23-24

1. The Blood Donation Camp organized by the **Association of Civil Technocrats (ACT)**, Civil Engineering Department, **IEI Students Chapters**, and **ASCE Students Chapters under the aegis of IQAC**, and **YCCE** on **September 20<sup>th</sup>, 2023** received an outstanding response from donors. In collaboration with The Ayush Blood Center, Dhantoli, Nagpur, this event played a significant role in addressing the constant need for blood in healthcare facilities.

**Blood Donation camp in lab**

2. On the auspicious occasion of Ganesh Visarjan, the students of YCCE College came together with NSS|YCCE Club embarked on a noble mission to collect Nirmalya, the ritual offerings, near two iconic water bodies in Nagpur—Ambazari Lake and Futala Lake. This event took place on 28- 09-2023, marking a significant moment in our commitment to environmental responsibility and cultural preservation.

3. The Association of Civil Technocrats (ACT) Committee of the Civil Engineering Department at Yeshwantrao Chavan College of Engineering, Nagpur, orchestrated a grand event titled "Antaheen" on October 11-13, 2023. "Antaheen," meaning endless or boundless, truly lived up to its name by offering a diverse spectrum of cultural, technical, and sports events.

Many events such as:

**Cultural events like:** Taal- Tarang, Echo European, Verse Voice, Choreo clash.

**Technical events like:** Aakriti, Bridge Blitz, BuildXstream, Web kala, SnapSence, Cluematic, Sustainova, Prastav, Sansad Yatra, Nirmiti, Tender Filling workshop.

**Sports events like:** Box Cricket, Arm wrestling, Treasure Hunt, Ludo, Chess, valorant, Fustal, BGMI.
