Report

Events Conducted Under Compufest 2k23:

1. Computing Technologies 2.0

The Computing Technologies event was organized as part of Compufest 2k23, an international-level tech fest hosted by the Department of Computer Technology on October 13, 2023. This event took place online. The event was conducted through the MS-Teams platform, and the distinguished host speaker for the occasion was MLSA Miss Sakshi Kokardekar. Notably, Samuel Okello from Kenya, affiliated with Kibabbi University, and Oumayma Mhamdi from Tunisia, both of whom are Microsoft Student Ambassadors, served as resource persons during the event. In total, 619 participants took part, with 577 participants from 27 states across India, including Delhi, Karnataka, Kerala, Maharashtra, Punjab, and more. Additionally, there were 42 international participants from eight countries, including Europe, Egypt, Kenya, Indonesia, Sri Lanka, Thailand, and others.
