DEPARTMENT OF ELECTRICAL ENGINEERING
PRAYAAS – NAYE KAL KA
TEACHER'S DAY CELEBRATION

Date: 05/09/2023

Team PRAYAAS – NAYE KAL KA (Social club) of Electrical department of YCCE has successfully celebrated Teacher's day at department of electrical engineering YCCE in Nagpur on the occasion of teachers day under the guidance of student activity in-charge of department Prof. Vaibhaw Doifode. The drive was specially organized for the beloved teachers of our department who sincerely and passionately teaches the student the way to achieve their goals and fulfil their dreams in their life.

The festivities began with a sweet gesture - a delicious cake, its aroma filling the room with warmth. Each teacher was presented with a pen and chocolates. But the true highlight was the heartfelt expressions of gratitude from each student. As the celebration reached its peak, our teachers shared life lessons gleaned from their experiences, reminding us of the importance of perseverance, empathy, and the pursuit of knowledge. Their words resonated with a powerful echo, leaving an indelible mark on our hearts and minds. 20 volunteers were involved in the organization of the event.

PRAYAAS.... NAYE KAL KA
BLOOD DONATION CAMP

Date:12/09/2023

PRAYAAS, the esteemed social club of Yeshwantrao Chavan College of Engineering (YCCE), organized a commendable **Blood Donation Camp** within the premises of the Electrical Department. This initiative aimed to contribute to the noble cause of saving lives through voluntary blood donation.

The Blood Donation Camp in the Electrical Department turned out to be a resounding success. The collective efforts of PRAYAAS and the active participation of the YCCE community resulted in a significant number of blood donations. This not only contributed to the immediate needs of local hospitals but also fostered a sense of community responsibility among the participants.

In conclusion, the Blood Donation Camp organized by PRAYAAS in the Electrical Department of YCCE exemplifies the power of collective action for a noble cause. The event successfully educated and engaged the YCCE community in the spirit of altruism, leaving a lasting impact on the participants and the broader community. We are proud to announce that a remarkable total of 100 people, including students, faculty, and staff, contributed to the success of the camp by selflessly donating blood. Such a significant turnout not only reflects the generosity of the YCCE community but also highlights the potential for positive change when individuals come together for a common cause.

Department of Electrical Engineering

Notice

Date:- 10/09/2023

This is to inform all the students of the Department that PRAYAAS the Social Club of our department is organizing **Electrrica 23.0**, which is our departmental techfest from 12 Oct 2023 to 14 Oct 2023.

The list of various events that are going to take place are as listed below.

Sr. No.	Name of Event	Date of Event
1	MindFest	12-10-2023
2	Carrom	12-10-2023
3	Roborace	12-10-2023
4	Technicarts	12-10-2023
5	Arm wrestling	12-10-2023
6	Talent Hunt	12-10-2023
7	Robo Soccer	13-10-2023
8	Techcross	13-10-2023
9	Pen it down	13-10-2023
10	Techtrix	13-10-2023
11	Box Cricket	13-10-2023
12	Electrical Equipment Application and Installation	13-10-2023
13	Workshop on Aurdino	13-10-2023
14	BGMI	13-10-2023
15	Poster Making	14-10-2023

So the students are requested to be the part of the above event any various ways. This participation will help the student to enhance their personal skills.

Department of Electrical Engineering

Event Name : Mindfest

Date : 12th October 2023

Organizers : Ishika Shahane
Vijaya Moje

Introduction:

Description of Event:

MINDFEST is basically a quiz competition. This quiz consists of two rounds, Those who qualify first round and these people then proceed for second round.

In first round the quiz consists of 15 electrical questions, 5 aptitude questions and 5 logical reasoning question.

In second round there are 15 questions, 5 on logical reasoning, 5 aptitude and 5 electrical question.

We were pleased to see a great no. of registrations. Many of the 1st year students also participated since the event was held in both online and offline mode. The no. of participants were 64. They were from over the colleges of Nagpur including G.H.Raisoni, Ramdeobaba college of engineering etc.

The guidelines and criteria for the competition were:-

-To solve quiz in 25 minutes for first round with accuracy .

- Those who qualified first round were proceeded for second and time given for second round is 10 minutes.

Winners were decided based on merit list and who solved questions correctly in minimum time.

Winners :

Rank	Participant Name
1.	<u>Kunal Jiotode</u>
2.	<u>Arslan Sheikh</u>

Event Name : Carrom Hub

Date : 12th October 2023

Organizers : Sawari Dhok
Durgesh Dhanvijay

Introduction:

Carrom event was organized under the technical events of ELECTRRICA 23.0. The event started at about 11:00 am. Followed by the short introduction of the event discussing the rules and regulations. It is a tabletop game which resembles snooker or billiards. Carrom is played by propelling discs and potting them into the four corner pockets on a wooden playing board.

The objectives of the event were to:

- The carrom board game helps to mould the player into a better individual.
- Increased attention, sharpness, focus & foresight.

We were pleased to see a great no. of registrations. Many of the 1st year students and other branches students also participated since the event was held in offline mode. The no. of participants were around 25. They were from over the colleges of Nagpur.

The competition was a development competition to assess the participants' focus and attention.

The guidelines and criteria for the competition were:

- Only two participants can play on one board at a time.
- We had arranged two carrom boards.
- The participant who score high points will win that round and qualified for the next round.
- Second round were held between the winners of first round and the winner of second round will qualified for final round.
- The last round results into winner and runner up of the game.

Department of Electrical Engineering

Event Name : Robo Race

Date : 12th October 2023

Organizers : Himanshi choudhari
Digambar shahare
Jaikumar bhagat

Introduction:

Robo Race was organized under the technical events of ELECTRRICA 23.0.
The event started at about 11:00 pm.

Track was prepared by using aggregates, cardboard, sand due to which it got complicated for the participants to cross it. The time limit was of 2 minutes and 3 chances were allotted. Participants should cross the given track within the time. Each participant got 3 chances to cross the track.

Coupen prize was given to the winner of the event.

There were many participants from over the colleges of Nagpur including G.H.Raisoni, St.Vincent palloti etc.

The guidelines and criteria for the competition:

1. Robots will be provided by the organisers so you don't have to bring robots from home.
 2. You will have 3 attempts to clear the race track. (If you are not able clear the race track after 3 attempts you will be disqualified)
 3. For Duo: Those who are participating in duo they will get only 2 attempts to clear the race track.(In duo whoever will clear the race track earlier their time will be counted)
 4. The time limit to clear the race track is 2min
- Winners were selected based on the the rounds qualified by them.

Event Name : Technicarts

Date : 12th October 2023

Organizers : Avantika Kapse
Gaurav Bagde

Introduction:

Technicarts, a mini event was organized under the technical events of ELECTRRICA 23.0. The event started at about 11:00am.

Followed by the short introduction of the event discussing the rules and regulations. It was an poster making competition on the topic "Ocean Conservation". Time allotted to draw was 60 minutes.

The objectives of the event were to:

- To improve the creativity of students.
- To inspire and explore.
- Get into the general knowledge of the world, to learn more.

We were pleased to see a great no. of registrations, The no. of participants were 21. They were from our campus. The competition was a development competition to assess the participants' knowledge.

The guidelines and criteria for the competition were:

- To draw on any software.
- Art must be submitted in pdf form, with the attachment below :
- The article I have written completely express my thoughts and is not copied from any other sources.
- Submission should be done in given time limit (10 mins)

Winners were selected based on the creativity, visual impact and content.

Event Name : Arm wrestling

Date : 12th October 2023

Organizers : Chetan Meharkure
Sanket Bangade

Introduction:

Arm Wrestlemania 2023, a thrilling event, found its place under the vibrant umbrella of ELECTRRICA 23.0, spearheaded by the enthusiastic organizers, Chetan and sanket. Taking charge of the technical events, I curated a gripping arm wrestling competition that had participants eagerly flexing their muscles. The event kicked off with an electrifying atmosphere at 10:45 am.

We, who assumed the role of both the brain and brawn behind Arm Wrestlemania 2023, welcomed the participants with contagious energy. A quick briefing on the rules and regulations set the tone for the intense battles that were about to unfold. The participants, a diverse mix of students from various years and colleges in Nagpur, including the likes of Shri Ramdeobaba College of Engineering and G.H. Rasoni College, added a competitive spirit to the event.

The objectives of the event were clearly defined:

- To promote physical fitness and strength among students.
- To provide a platform for friendly competition and camaraderie.
- To encourage sportsmanship and fair play.

The response was overwhelming, with a remarkable number of participants registering for the event. Both novices and seasoned arm wrestlers showcased their prowess in a bid to emerge victorious. The competition, held in both online and offline modes, attracted a **total of 30 enthusiastic participants**.

The guidelines and criteria for the competition were as follows:

- All participants must adhere to fair play and sportsmanship.
- The matches were conducted in a knockout format.
- The winner was determined based on strength, technique, and overall performance.

The matches were a spectacle, with cheers and applause echoing through the venue as each participant displayed their might. The event not only served as a platform for showcasing physical strength but also fostered a sense of unity and sportsmanship among the participants.

In the end, I am, the architect of Arm Wrestlemania 2023, expressed satisfaction at the success of the event and the positive energy it brought to ELECTRRICA 23.0. The winners were lauded not only for their physical prowess but also for embodying the spirit of fair competition.

Event Name : Robo SOCCER

Date : 13th October 2023

Organizers : Nayan Chafale
Yash Nagoshe

Introduction:

Robo Soccer was organized under the technical events of ELECTRRICA 23.0.

The event started at about 12:30 pm.

Only one ball was placed at the center, robots are initially placed at their respective goal posts. Time limit was of 5 minutes. Participants should hit the ball into the opponent's goal to score points. Each participant can make as many as goals in the limited time.

1v1 matches were held the each match was given a time of 5 min.

Player with Max goal was the winner of the respective ground,

But if in the round if a players are unable to goal then

Penalty shoot was taken .

There were three rounds, round 1 was qualifying round for the

Players and round 2 and round 3 were seme final and finals respectively.

Cash prize was given to the winner of the event along with the coupon and

Runner up was also given the coupon.

There were many participants from over the colleges of Nagpur including G.H.Raisoni, St.Vincet palloti etc.

The guidelines and criteria for the competition were:

- To compete 1v1 against another player.
- Robots were provided by us..
- Meach round was of 5 minutes

Winners were selected based on the the rounds qualified by them.

Introduction:

Box Cricket was organized under the technical events of ELECTRRICA 23.0. The event started at about 11:00 pm. The entry fee for this event was RS 700. Location for this event was the basketball ground near VIVEKANANDA Boys Hostel. Winner of the event got the amazing prize money of RS 1500 and the runners up got the whopping prize money of RS 1000.

There were many participants from all the different departments, colleges in YCCE campus like pharmacy, ayurvedic etc.

The guidelines and criteria for the competition:

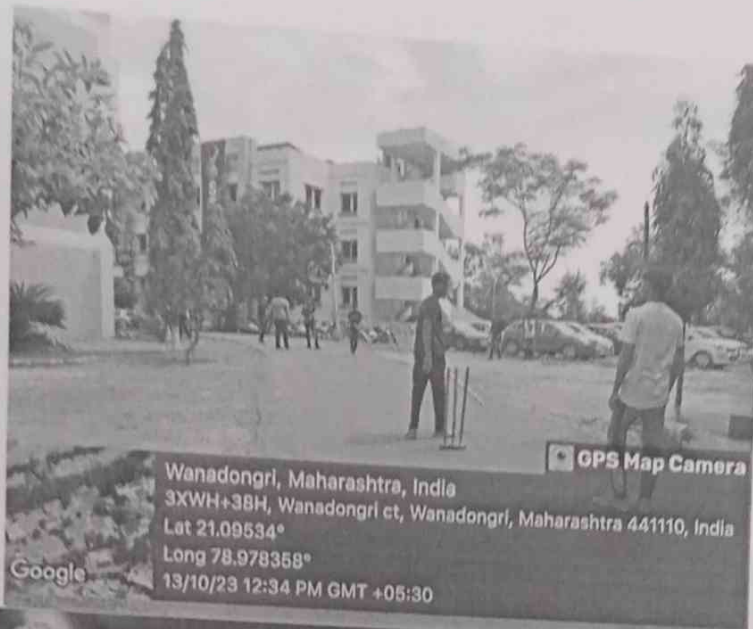

1. Each team must consist of 7 players.
2. Every player of each team must have a proper ID proof of the respective college if not the whole team would be disqualified.
3. The single inning of a match was played of 5 overs except semifinal and finals.
4. Every member of the team would obey the Umpires decision.

Event Name : Electrical Workshop (Electrical Equipment Application and Installation)

Date : 13th October 2023

Organizers : Nidhi N Joglekar
Ayush J Yadav

Introduction:

Electrical Workshop was organized under the technical events of ELECTRRICA 23.0.
The event started at about 11:00 pm.

The venue of this workshop is classroom 207.

The keynote speaker of this is Mr. K. B. Vyas Sir.

We told the sir about what was the motive of our workshop i.e. To gave the students proper knowledge of what is the electrical engineering.

And sir totally explained the Main topic as well as all the sub topics related to Electrical Engineering.

There were 18 participants in our workshop.

There is no price money of our workshop.

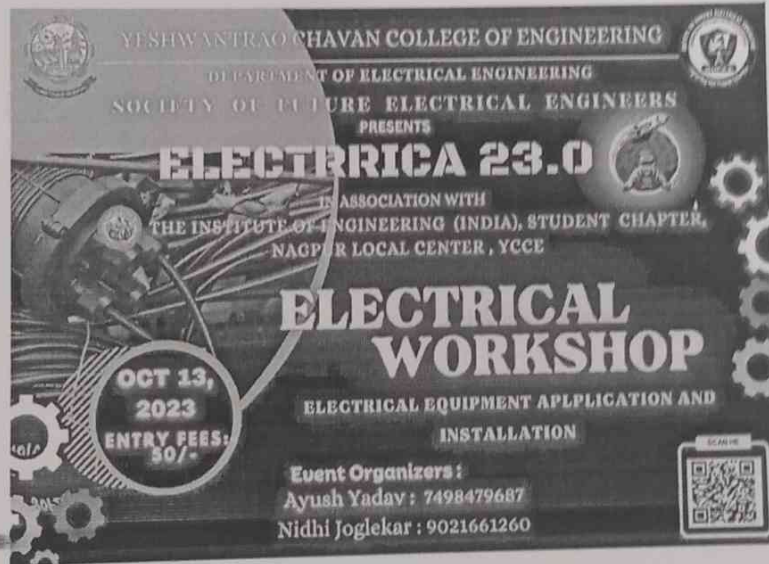

The objectives of the event were to:

- To make aware to students regarding placement .
- To inspire and explore.
- Get into the general knowledge of the world, to learn more.

Event Report

Event Name : Arduino Workshop

Date : 13th October 2023

Organizers : Shruti Sawarkar

Anjali Labhane

Introduction :

Arduino Workshop , a mini workshop was organized under the technical events of ELECTRRICA 23.0.

The event started at about 11:00 am.

Followed by the short introduction of the workshop . Mr. Akshay Kadu sir started the workshop . It was a type of workshop through which students got idea about Arduino and how to use the software.

The objectives of the event were to:

- To make aware to students regarding placement .
- To inspire and explore.
- Get into the general knowledge of the world, to learn more.

We were pleased to see a great no. of registrations. The no. of participants were 60. They were from our campus. In this workshop students learnt about uses uses of Arudino and the need of Arudino and where this software is used.

The Arduino Workshop is an open-source platform, making it accessible and customizable for users . It is also versatile and can be used in various applications, such as interactive hardware and software projects .

Event Name : BGMI

Date : 13th October 2023

Organizers : Sumedh Jadhao
Sangharsh Ilme

Introduction:

BGMI 2023, a thrilling event, found its place under the vibrant umbrella of ELECTRRICA 23.0, spearheaded by the enthusiastic organizers, Sumedh and Sangharsh. Taking charge of the technical events, I curated a Room Card in BGMI competition. The event kicked off with an electrifying atmosphere at 10:45 am.

The response was overwhelming, with a remarkable number of participants registering for the event. The competition, held in both online and offline modes, attracted a total of 30 enthusiastic Team.

The guidelines and criteria for the competition were as follows:

- All participants must adhere to fair play and sportsmanship.
- The matches were conducted in a knockout format.
- The winner was determined based on final Round.

The matches were a spectacle, with cheers and applause echoing through the venue as each participant displayed their might..

In the end, I am, the architect of BGMI2023, expressed satisfaction at the success of the event and the positive energy it brought to ELECTRRICA 23.0.

Vaibhavi Khade

Introduction:

Introduction:

The poster-making event of ELECTRRICA 23.0 held on 14 October 2023 was a vibrant display of creativity and talent, with participants showcasing their artistic process in two rounds of intense competition. The event took place from 2:00 pm to 3:00 pm, providing participants with a dedicated hour to channel their creativity and bring their poster designs to life. The judge for this event was Adarsh Madankar, our own alumni of the department. His experience as a former student added a special significance to the occasion, inspiring current students to strive for excellence.

The objectives of the event were to

Inspiring for students to unleash their creativity and imagination.

Integrating innovative design elements and impactful messages into posters.

We were pleased to see a great no. of registrations. Diverse Participation of students since in the event which was held in both online and offline mode.

Winners were selected based on their vision and creativity.

REPORT

Event Name: Next-Gen Technologies: An International Student Development Program

Organizing Body: ACM, IE(I)

Session: 2023-2024

Date: 16th June 2024

Category: Technical

Number of Participants: 115

Name of Coordinator: Prof. Supriya Thombre, Prof. Vaibhaw Doifode

Resource Person:

Mr. Nandan Hegde, *Microsoft's Most Valuable Professional, Data Architect Specialist Accenture India Pvt. Ltd.*

Ms. Sakshi Kokardekar, *Microsoft's Most Valuable Professional, Associate Engineer, KPIT Technologies Limited, Pune.*

Ms. Khushbu Bijawat, *Microsoft Learn Student Ambassador, AI/ML Developer Intern Techdice, Rajasthan.*

Summary:

On 16th June 2024, Department of Electrical Engineering, YCCE & Department of Computer Technology, YCCE, combinedly organized an International Level Student Development Program "Next-Gen Technologies", in collaboration with Microsoft's Most Valuable Professional (MVP) Program, ACM Students Chapter, YCCE and Institute of Engineers (India). The speakers shared their valuable knowledge on latest technologies like Azure Machine Learning Platform, Machine Learning Applications and Microsoft Fabric Fundamentals, along with hands-on sessions. A total of 115 participants attended the session, out of which 98 were from pan India and 17 of them were from

Impact Analysis of Next-Gen Technologies: An International Student Development Program Workshop (Pre-Feedback Form)

What motivated you to register for this workshop?

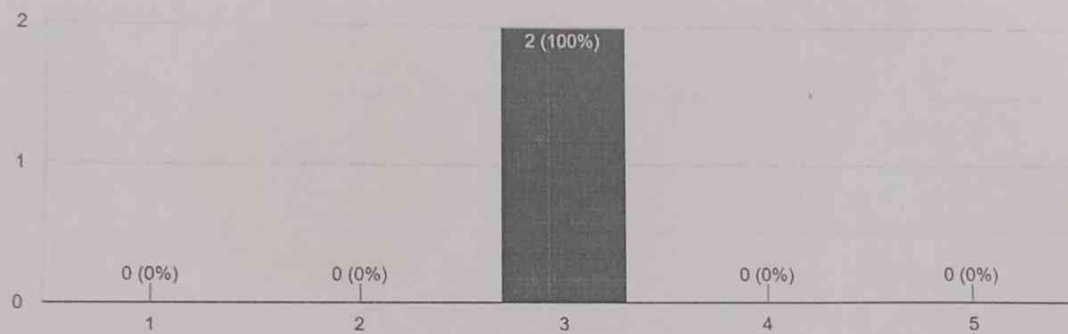

2 responses

- Interest in Next-Gen Technologies
- Skills Development
- Networking Opportunities
- Career Advancement

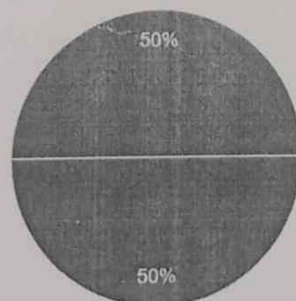

On a scale of 1-5, how knowledgeable are you about Next-Gen Technologies?

2 responses

Would you be interested in similar workshops in the future?

2 responses

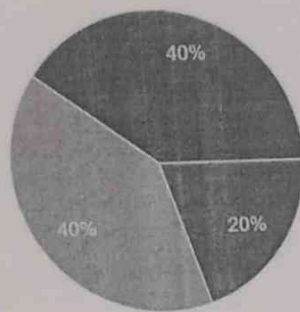

- Yes
- No
- Maybe

Impact Analysis of Next-Gen Technologies: An International Student Development Program Workshop

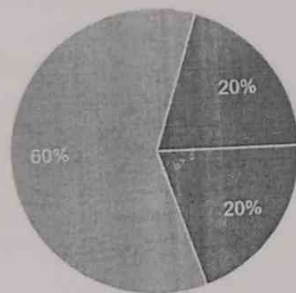

(Post-Feedback Form)

How satisfied were you with the workshop overall?
5 responses

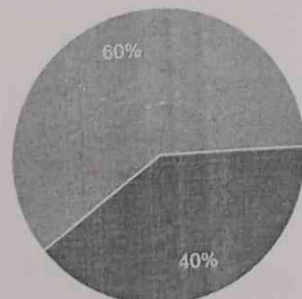

- Very Satisfied
- Satisfied
- Neutral
- Dissatisfied
- Very Dissatisfied

Which topics or sessions did you find most valuable?
5 responses

- Blockchain
- AI/ML
- Internet of Things (IoT)
- Cyber-Security

Would you be interested in attending similar workshops in the future?

- No
- Maybe

Department of Electrical Engineering

REPORT

Event Name: Global Tech Connect – 2024: An International Student Development Program

Organizing Body: ACM, IE(I)

Session: 2023-2024

Date: 22nd June 2024

Category: Technical

Number of Participants: 103

Name of Coordinator: Prof. Supriya Thombre, Prof. Vaibhaw Doifode

Resource Person:

Mr. Amit Chandak, *Microsoft's Most Valuable Professional, Chief Analytics Officer, Kanerika Inc, Hyderabad.*

Mr. Gowtham K, *Microsoft's Most Valuable Professional, Senior Technical Lead, Nous Infosystem, US.*

Ms. Sakshi Kokardekar, *Microsoft's Most Valuable Professional, Associate Engineer, KPIT Technologies Limited, Pune.*

Summary:

On 22nd June 2024, Department of Electrical Engineering, YCCE & Department of Computer Technology, YCCE, combinedly organized an International Level Student Development Program "Global Tech Connect – 2024", in collaboration with Microsoft's Most Valuable Professional (MVP) Program, ACM Students Chapter, YCCE and Institute of Engineers (India). The speakers shared their valuable knowledge on latest technologies like Microsoft Fabric, Microsoft Azure App Services and Power BI, along with hands-on sessions. A total of 103 participants attended the session, out of which 98 were from pan India and 5 of them were from other countries including regions of West Central Africa and Egypt. The session proved to be a great benefit under the valuable guidance of Prof.

Feedback:

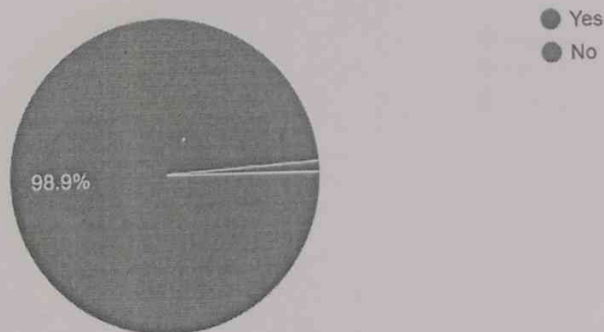

Did you enjoyed the session

91 responses

Were the speakers able to clear your queries regarding the taught technologies?

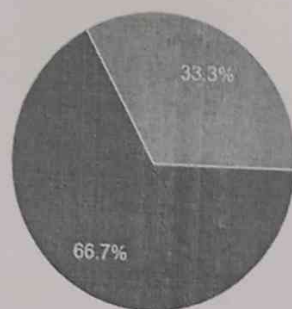

91 responses

Impact Analysis of Global Tech Connect Workshop (Pre-Feedback Form)

How familiar are you with international technology trends and Innovation

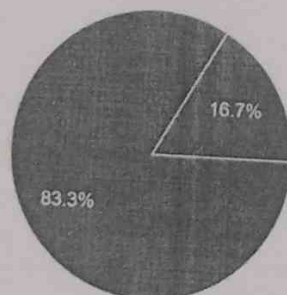

18 responses

- Very familiar
- Somewhat familiar
- Not familiar at all

What is your current level expertise in tech field?

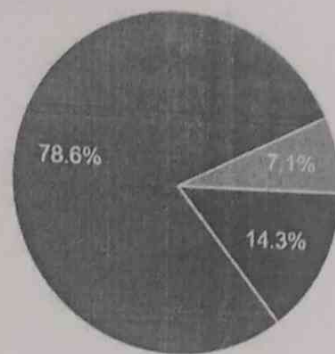

18 responses

- Beginner
- Intermediate
- Advanced

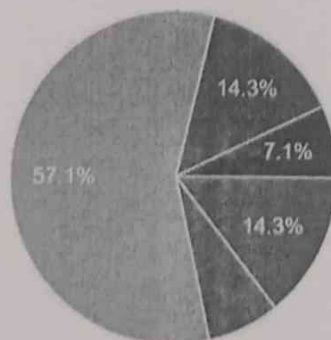

Impact Analysis of Global Tech Connect Workshop (Post-Feedback Form)

How satisfied are you with overall experience of Global Tech Connect Program ?
14 responses

● Satisfied
● Neutral
● Dissatisfied

How would you rate the program out 5 ?
14 responses

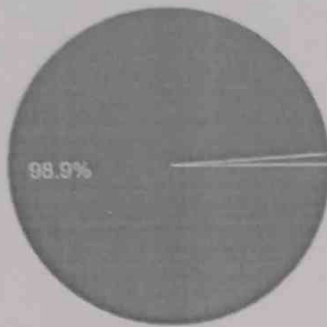

● 1
● 2
● 3
● 4
● 5
