### PRAYAAS.... NAYE KAL KA

## RAKSHABANDHAN CELEBRATION

Date:16/08/2022

Rakhi is not merely a silken thread but a tradition that binds brother and sister beautifully in a relationship forever. RakshaBandhan, a much awaited Indian traditional festival of sisterly and brotherly respect was celebrated by the students of Prayaas.....Naye kal ka. (social club of electrical department ,YCCE) on 16 August 2022 at Nehru Bal Sadan, Wanadongri..Members of the club,brought various type of rakhis which attracted the small kids .The programme started with tying of Rakhis on the wrist of the children,followed by distribution of biscuits.

Children were told about the sacred bond between brother and sister. It was a delightful celebration for students which made the environment full of joy and love. The main objective behind celebrating 'Raksha Bandhan' was making the children aware about the virtuous bond of love between a brother and a sister which is one of the deepest and noblest of all human emotions. The event was successfully managed under the guidance of Prof. Vaibhaw Doifode, student activity incharge of the department. The club was appreciated by the head of Sadan for such a great initiative.

## BLOOD DONATION CAMP

Date: 23/08/2022

A great initiative of organizing a blood donation camp was taken by PRAYAAS – Naye kal ka (Social club of the Electrical department YCCE) on 23 August 2022 under the guidance of student activity In-charge Prof. Vaibhaw Doifode. The blood donation program was held from 10:30 am morning. All the students along with the professors were seen to take greater initiatives.

A group of nurses who were from Ayush blood bank and were present on the campus for conducting the camp. The donors were asked to fill a medical form to give details about their health-related information. Before the donation, checking weight, pressure, and body temperature were measured so that the one donating blood does not have to face further. The program was held in the electrical department premise. Around 60 students donated the blood. More than 30 volunteers were present to make this drive a successful one. Volunteers were appreciated by all the faculties for their wonderful job.

## ELECTRRICA 22.0

Team SOFF of Electrical Department, YCCE has successfully organized its annual techno-cultural and sports fest, ELECTRRICA 22.0 from 1 Sept to 4 Sept 2022. The fest consisted of 18 mind-boggling events of technical, cultural and sports terrain respectively. The fest started with various staggering events like Robo race, Techtrix, Circuit design, Debate, carrom, minute to win it, Poster making and futsal which were driven on 2 september, followed by Robo soccer, Box cricket, PCB design, Techcross, Smart people smart suggestions on the next day. On 4 september various events like Shutter Arena, Mind fest, Technicarts, BGMI, and Pen it down were conducted in online mode.

Students from various other colleges participated in many events and enjoyed the fest. All the 18 events were successfully managed by the whole SOFEE committee. All the winners were given the worth prizes and certificates were provided to all the participants. The fest became a grand success with the hardwork and dedication of all committee members and constant support of SOFEE in-charge Prof. Vaibhaw Doifode.

## **Report on Visit to RENEWABLE ENERGY INDIA EXPO 2022**

**28 SEPTEMBER 2022 – 30 SEPTEMBER 2022  
GREATER NOIDA, NEW DELHI**

The Electrical Department of Yeshwantrao Chavan College Of Engineering College Nagpur organized an enlightening industrial tour to the Renewable Energy India (REI) Expo held in Delhi. The tour aimed to provide students with firsthand exposure to the latest advancements in renewable energy and empower them with valuable knowledge and insights. Led by the esteemed faculty members and supported by the college administration, the tour proved to be an exceptional opportunity for students to expand their horizons and contribute to a sustainable future.

The students had the privilege of witnessing firsthand the remarkable strides being made in solar energy, wind energy, bio-energy, energy storage, and electric vehicles (EVs) and charging infrastructure. They got the opportunity to engage with renowned industry professionals, exchange ideas, and gain insights into the future of renewable energy.

## Department of Electrical Engineering

Under the guidance of, Student activity In charge of Electrical Department Prof. Vaibhaw Doifode, the students of YCCE College embarked on an extraordinary journey of exploration and learning at REI Expo 2022. The department provided a unique opportunity for students to immerse themselves in the cutting-edge advancements and innovations of the industry. The expo's vibrant marketplace allowed students to connect with manufacturers, traders, and buyers, fostering invaluable networking experiences that may shape their future careers.

The Electrical Department, YCCE expressed sincere gratitude to the college administration for their unwavering support in organizing the industrial tour. REI Expo 2022 served as an inspiration for the students, showcasing the immense potential and countless opportunities within the renewable energy sector.

#### REPORT GURU PURNIMA

Date:13/07/2022

Team PRAYAAS – NAYE KAL KA (Social club) of Electrical department of YCCE has successfully organized a felicitation ceremony of Teachers on the occasion of Guru Purnima. The program was initiated with the felicitation of the head of the department Dr. Sumant Kadwane sir. This was followed by an inspirational speech by Student activity in charge of the department Prof. Vaibhaw Doifode highlighting the importance of teachers in a student's life.

All the teachers and non-teaching staff were given roses as a token of love. The celebration commenced on a cheerful note with students touching the feet of the teachers highlighting their importance in the whole life. The club conducted a special assembly to mark the occasion and to acknowledge the contribution of Gurus in shaping the personality of their disciples. The main motive behind the event was to show gratitude towards the selflessly working teachers. At the end, volunteers were appreciated by all the teachers for arranging such a beautiful programme. Total 14 students contributed for the event.

### PRAYAAS.... NAYE KAL KA CLEANLINESS DRIVE

Date: 09/03/2023

Team PRAYAAS – NAYE KAL KA (Social club) of Electrical department of YCCE has successfully executed a cleanliness drive on 9<sup>th</sup> MARCH 2023 Thursday in Nagpur under the guidance of student activity incharge of department Prof. Vaibhaw Doifode. The motive of the drive was to give message to the society to make our public places clean and green to reduce the garbage on the public spot and to save our environment

The advertisement went out on 6<sup>th</sup> MARCH 2023 prior to the event continuous efforts have been put by the team to promote, share and publicize the event. The event took place on 9<sup>th</sup> of MARCH 2023 at Chhota Taj Bagh Sakardara, Nagpur. The cleanliness drive was hosted and discussed by the members of PRAYAAS with the motto of creating clean and tidy surrounding for the public. we've collected the 4 bags of disposal waste and handovered it to the NMC. The drive come to an end by cleaning all the area of Chhota Taj Bagh Dargah by spreading the message of "MAKE EARTH CLEANER" successfully and we decided to conduct more such Cleanliness Drive in future with more enthusiasm.
