## Department of Computer Science and Engineering

### Session 2023-24

#### 1. Installation Ceremony:

The Department of Computer Science and Engineering at YCCE conducted the installation ceremony of its student forum, *COSMOS*, on 5th August 2023. The event began with a warm welcome to esteemed guests, including Dr. Sandeep Khedkar (Director, TBI Foundation, YCCE), Dr. Lalit Damahe (HoD, CSE), Prof. Pratibha Waghale (Student Activity In-charge), and Dr. Kishor Bhoyar (Professor, CSE), who honored the occasion with their presence. The ceremony featured the traditional lighting of the 'Lamp of Knowledge' by the dignitaries along with forum President Mr. Vedant Shivde. Dr. Sandeep Khedkar delivered an inspiring address highlighting the role of innovation, followed by motivating speeches from other dignitaries. The event also included a felicitation ceremony where former forum leaders, the magazine coordinator, and the IRU coordinator were awarded certificates of appreciation.

#### 2. GUEST LECTURE ON DOT NET

The Computer Science Department of YCCE hosted a guest lecture on DOT NET. This lecture was successfully organized by CSE department. It was an activity which helped the students learn and explore more about ASP.net. The lecture was conducted by Ms. Megha Ghagare from Amla Commerce and Mr. Harish Chopkar and who taught the students in a very interactive way. It helped the students to learn something new and also explore the topic. Overall 44 students attended this lecture. Students got an opportunity to explore more about .NET with this activity.

#### 4. Donation Drive on Sanitary napkin and Drawing Book

The Department of Computer Science and Engineering YCCE conducted a Social Activity on “Donation Drive on Sanitary napkin and Drawing Book (Saushraya) “. The event was successfully organized by the COSMOS and was jointly executed by all the coordinators present. At the event Saushraya with Youth for Seva organization, we shared the importance of hygiene, donated quality pads to women, and spread the joy of creativity with kids by donating drawing kits. Miss. Naincy Pande and Miss. Vaidehi Narkhede provided information about menstrual hygiene to the women at the event. Our sponsors Free Ways Sanitary Napkins by Krusan Industries had provided us the sanitary napkins at a bare minimum price.

### Session 2023-24

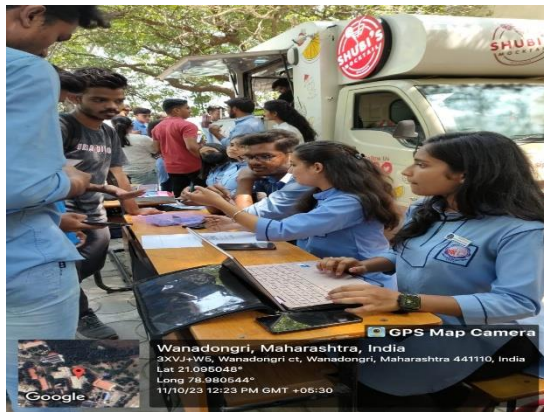

#### REPORT

#### UPSURGE-2023

Upsurge 2k23, the tech fest hosted by the CSE Department, took place on 10<sup>th</sup> and 13th Oct 2023. The event featured diverse activities such as Smackthon, Talentesque, Hands on- Ethical Hacking Report, FIFA FEVER CUP, FAD FRAME, Debugging Quiz, COSMO-TOWN, and Web3.0. The fest saw the enthusiastic participation of 400 students.

#### Events conducted under UPSURGE-2k23

##### 1. COSMO -TOWN

The Computer Science Department of YCCE organized *Cosmo Town* on October 11th, featuring a series of engaging mini-games where participants earned "cosmo cents" (credits). These credits were later used in an exciting auction to bid on mystery prizes. The event included 8 fun games such as Wheel of Luck, Shot the Spot, High5 Storeys, Brain Brawl, FOR-TUNED, Bottle Topple, and Doodlydoodlydo. Participants competed to win prizes like a gaming mouse, mouse pad, coffee tumbler, Mi earpods, and a surprise dummy gift, making the event both entertaining and rewarding.

## 2. DEBUGGING QUIZ

The poster for the Debugging Quiz 2023 is for the Department of Computer Science and Engineering at Yeshwantrao Chavan College of Engineering. It features logos for GeeksforGeeks, Upsurge 2k23, and GDG Cloud Nagpur. The event is scheduled for October 11th at the CSE Department with an entry fee of ₹40. Cash prizes of ₹800 and ₹400 are offered for the first and second winners. A QR code is provided for registration. Contact details for Hrishikesh Kakde, Om Rustia, Chetan Kulkarni, and Unnati Thakre are listed at the bottom.

The Computer Science Department of YCCE organized the C Programming Quiz on October 11, 2023, featuring two rigorous rounds to test participants' debugging and C programming skills. The first round included 30 timed questions, followed by a buzzer-based second round for the top 20 teams. Cash prizes were awarded to the top three winners, encouraging competitive spirit. The event saw enthusiastic participation from teams bringing their own laptops and applying real-time logic. Overall, the quiz promoted hands-on programming experience and practical learning among students.

### Session 2023-24

#### 3. SMACKATHON 2K23

The "Smackathon" event, a 24-hour offline hackathon organized by the CSE Department at YCCE in collaboration with the ACM Student Chapter YCCE and COSMOS, kicked off on October 12th at 10:00 AM. Participants received problem statements at the start, followed by the idea presentation round held from 3:00 PM to 5:00 PM the same day. During this round, teams pitched their innovative solutions to a panel of judges, after which 12 out of the initial 24 teams were shortlisted for the next phase. The event showcased creativity, teamwork, and technical skill, making it a remarkable success. "Smackathon" fostered a spirit of innovation and collaboration within the CSE community at YCCE.

## 4. TALENTESQUE

Talentesque, a highlight of Upsurge 2k23 organized by the CSE Department, began at 11:00 AM and showcased exceptional talent and competitive spirit. Seven participants were recognized for their unique skills, with three receiving cash prizes for their outstanding performances. The remaining winners were awarded VLCC vouchers, acknowledging their efforts. The event not only celebrated talent but also offered meaningful rewards. Talentesque stood as a platform that combined recognition with encouragement for future growth.

## 5. FAD FRAME

The poster for the FAD FRAME event is vibrant and colorful, featuring a collage of musical instruments like a guitar, keyboard, and drums. At the top, it mentions 'NAGAR YUVAK SHIKSHAN SANSTHA YESHWANTRAO CHAVAN COLLEGE OF ENGINEERING (AN AUTONOMOUS INSTITUTION AFFILIATED TO RTMNU) HINGNA ROAD, WANADONGRI, NAGPUR. 441110 ACCREDITED WITH NAAC A++ GRADE UNDER THE AEGIS OF IQAC'. The event is presented by 'GeeksforGeeks' and 'Upsurge 2k23'. The main title 'FAD FRAME' is prominently displayed with the tagline 'TREND AND LENS... FOCUS, CLICK, CREATE'. The date is '12TH OCTOBER 2023'. A red box highlights 'TOTAL PRIZE POOL WORTH RS. 4500/-'. Below, it lists two categories: 'TRENDING RHYTHMS' with an entry fee of 50 INR, and 'CAPTURED CAMPUS' with an entry fee of 30 INR. A combined entry fee of 70 INR is also mentioned. At the bottom, there is a QR code, contact details for Tejaswini, Yatharth, and Vaidehi, and logos for community partners like GDC Cloud Nagpur and sponsors like VLCC. Social media handles for ycceofficial, cse\_ycce\_official, ycce\_csegallery, and dots.cse are listed at the very bottom.

The FAD FRAME event, held from 1 PM to 4 PM, was a vibrant celebration of creativity and talent, reflecting the passion and dedication of YCCE students. The event's success was made possible by the exceptional efforts of the COSMOS team and the CSE department. Their seamless execution highlighted UPSURGE's commitment to nurturing student talent through engaging platforms. The enthusiasm witnessed has set high expectations for future editions. With such energy, YCCE eagerly looks forward to hosting more innovative events under UPSURGE.

### 6. FIFA-FEVER CUP

On 11th October 2023, the Department of Computer Science and Engineering hosted the inaugural "FIFA Fever Cup" as part of UPSURGE 2K23, marking the first-ever esports competition under the UPSURGE banner. The event attracted gaming enthusiasts from within and outside the department, creating an electrifying atmosphere of competition. The champion was awarded a cash prize of ₹1,000, adding to the thrill of the tournament. More than just a game, the event signified a progressive step towards embracing esports in academic environments. The FIFA Fever Cup set the stage for future tech-driven student engagements at YCCE.

It features the college's name at the top, followed by the event title 'YCCCE TechFest PRESENTS coding relay' in large, stylized fonts. Logos for 'acm' and 'upsurge' are included. The event details specify '24 August 2024' at '12 PM Onwards' in the 'CSE DEPARTMENT'. It lists an 'Entry Fee - Rs 100' for a 'Team of 2-3 Members' and offers 'Win Exciting Cash Prizes!' with a table showing 1st Place at ₹1200, 2nd Place at ₹800, and 3rd Place at ₹400. The rounds are 'Round 1 - Debugging Quiz' and 'Round 2 - Code relay'. A QR code for registration is on the right, and contact information for Unnati Thakre and Mehul Kohad is at the bottom.

Place	Prize Amount
1st Place	₹1200
2nd Place	₹800
3rd Place	₹400

The LinkedIn Seminar, held on 13th October 2023, was organized by the ACM Student Chapter YCCCE and COSMOS in collaboration with the CSE Department as part of the UPSURGE program for the Odd 2022-23 session. With an enthusiastic turnout of 120 participants, the event was a resounding success. The seminar featured Ms. Sukhada Chaudhary, a seasoned digital marketer and LinkedIn expert with over 8 years of experience in content marketing and community building. Currently serving as Vice President at Rang De, India's first RBI-registered peer-to-peer lending platform, she leads content and communication efforts while nurturing a dynamic community of social investors. Her insights as a LinkedIn trainer added immense value to the session, guiding students on leveraging the platform for professional growth.
