Office of Controller of Examinations

Subject: Last chance to appear with your existing SOE (Scheme of Exam)

As and when required, the SOE changes at YCCE autonomy.

However, from the implementation of new SOE, old students will get 'two main examinations to clear the failed course with the existing syllabus.

If the student fails to clear the said course in two chances, he will have to take examination with the equivalent course having equivalent syllabus decided by Dean (Academic matter) office.

For example,

If during this Odd session, new SOE implemented for regular students of any semester, then Ex-students (Failed students) will get chance to appear his failed course in this Odd ESE and following Even ESE with old SOE.

If during this Even session, new SOE implemented for regular students of any semester, then Ex-students (Failed students) will get chance to appear his failed course in this Even ESE and following Odd ESE with old SOE.

(Ex students are not eligible for Odd Resit & Even Resit from the session 2025-26)

(Ex students are eligible for Odd (Backlog) & Even (Backlog) from the session 2025-26)
