Subject: An alternative to the "Consolidated Mark Memo (CMM)"

Hello,

As per our protocol, we issue "Final Grade Report" to the students, who has successfully completed all the requirements of his / her degree course program from our autonomous college. It contains details of all the semesters of the program.

As we are following relative grading system, "Final Grade Report" shows, SGPA (Semester grade point average) & CGPA (Cumulative grade point average) of all semesters.

Percentage equivalent marks can be obtained by using the following formula.

% Equivalent Marks of a Semester = (SGPA-0.75) * 10

% Equivalent Marks of the complete program = (CGPA up to last semester - 0.75) * 10

Along with this, we issue "College Leaving Certificate" in which date of admission of student, the reason of leaving and date of leaving the college is mentioned.

We do not provide any of our pass students with "Consolidated Marksheet" as such.

So please consider this Letter as an alternative to the "Consolidated Marksheet (CMM)" that is required by your esteemed Institute / University.

Kind Regards

Date: 22-12-2023
