Guidelines for minimum Marks in ESE

If a student scores less than 20% marks in ESE, then he/she will be awarded “F” grade by default though he has high score in internal assessment.

As per absolute grading, minimum 40 marks (Out of 100) are required in theory course to clear that course. Even if the student scored more than 40 marks in theory (out of 100) but scored less than 20% marks in ESE, “F” grade will be awarded.

As per absolute grading, minimum 50 marks (Out of 100) are required in practical course to clear that course. Even if the student scored more than 50 marks in practical (out of 100) but scored less than 20% marks in ESE, “F” grade will be awarded.

Prof D. R. Raut

Note:- If grace is applied as per the condition of grace marks for that course, then by default, only ‘D’ grade is allotted. No other grade is awarded if grace is applied.
