Office of Controller of Examinations

Check Student's diary.

It is observed that, some of the students register the course after due date due to some or the other reasons best known to themselves.

Because of this, there is a possibility that, their name is skipped from class roll list, attendance roll list, MSE / MSPA/ TA mark entry list, etc.

Every student must see their "student diary app" regularly for their update of attendance, MSE marks, MSPA marks.

If MSE 1, 2 marks or MSPA 1,2,3,4 marks or TA marks are not seen as per schedule, they must follow the matter with DAM office, concern teachers, and ERP section.

If the marks are not updated up to first day of ESE, students must contact COE, YCCE.

Once the result of ESE is declared, they will have to apply for Grievance redressal within 7 days.

However, if you skip over all above, last option is to apply for "Forego internal marks" in next available main examination.
