General Guidelines for Students regarding ESE

Being autonomous, YCCE conducts ESE Odd, ESE Odd Backlog, ESE Odd Resit, ESE Odd Makeup, ESE Even, ESE Even Backlog, ESE Even Resit, ESE Even Makeup, etc examinations. Student must choose proper ESE as per rules. Do not apply if not eligible as per the prevailing rules.

It is responsibility of the student to check the relevant notices / ESE time table time to time from ycce website.

Student must see their evaluated answer book on 3rd to 10th day from the date of exam. Start preparing the course for next ESE if having poor marks.

If student can't see the evaluated answer book on 7th day should contact HOD/FYCO and on 8th day should contact DyCoE /CoE if required.

If student fails, should apply for next ESE as per eligibility within time.

If the result is "with-held" for some reason, such student must contact CoE office for understanding the failed courses and should apply online /offline exam form within time.

If the course is passed after grievance result, student must apply to cancel the next exam if applied for that course.

In case of any issue in exam form, the student must contact CoE on the day-one of opening of the exam form submission link.

Student must take the relevant information from ycce website.
